LOCAL BUSINESS GIFTS \$100,000 TO MONTANA WESTERN

Pioneer Federal Savings and Loan has announced a \$100,000 pledge to the University of Montana Western Legacy Campaign.

The pledge will be donated to the university over the course of the next five years and be used toward the construction of the Pioneer Federal Savings and Loan Amphitheater within Legacy Plaza.

Legacy Plaza will be at the foot of Main Hall. In addition to the construction of the plaza, the Legacy Campaign will fund the final phase of the Main Hall renovation and create a model classroom to house the Rural Fridays program and other education classes.

The donation is one of the largest Montana Western has ever received. Pioneer Federal was also a generous donor in the renovation of the Beier Auditorium on the UMW campus. In addition to many other donors, Pioneer Federal donated \$50,000 dollars to help re-seat the auditorium in 2011.

"The Montana Western Foundation is extremely grateful for the support Pioneer Federal Savings and Loan has given over the years," said UMW Foundation Director Roxanne Engellant. "This contribution to Legacy Plaza will benefit the UMW campus as well as the Dillon community."

Over the years, Pioneer Federal Savings and Loan has been a dedicated supporter of Montana Western and donated to numerous campaigns and programs.

"We want to see our community succeed," Pioneer Federal president Tom Welch said. "The university is a big part of our community, and we have a commitment to supporting it anyway we can."

In order to start these projects and access \$4 million designated by the Montana Legislature, Montana Western needed to raise \$500,000. Thanks to the Pioneer Federal donation and other donations and grants, Montana Western is almost ready to move forward with the project.

"We are thrilled with our progress to raise the needed funds, and we are looking forward to beginning this new, exciting chapter for Montana Western," said Chancellor Richard Storey.

"We are thrilled to begin our training boot camps in Dillon," said Dillon native, Travis Cottom. Travis leads Helix's expansion into Montana. "Our boot camps provide an incredible opportunity for prospective interns and employees to dive deep into the Oracle Cloud Service product while also getting acquainted with Helix's unique culture."

Customer Experience (CX) is a vital requirement in today's global marketplace. Businesses must differentiate themselves through Web self-service (can I find it myself?), integrated multi-channel support center capabilities (can I communicate the way I choose?), and contextual knowledge at the point of interaction (is this information what I needed?). Helix specializes in guiding companies through their CX journey by appropriately leveraging the impressive, unparalleled capabilities of Oracle Cloud Service (RightNow) software. Helix is headquartered in Memphis, Tennessee and is currently expanding into Western Montana (Dillon).

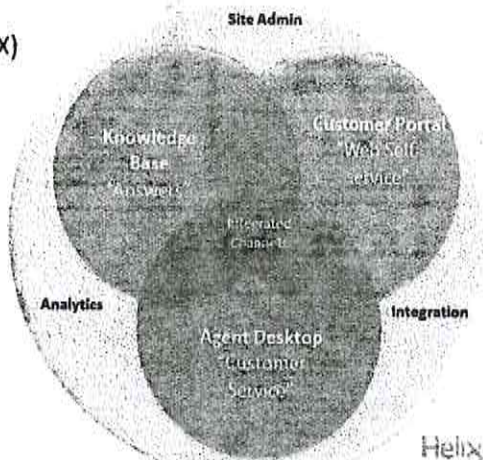

For more information: traviscottom@helixmail.com or visit: helixconsulting.custhelp.com

Helix was recently acknowledged by Oracle as their #1 Cloud CX Service Partner for 2014.

CUBS COME CLOSE BEFORE SEASON ENDS

Saturday the Dillon Cubs season came to an end with the tying run ready to score. Coach Aaron Orme said they were in the perfect spot with the tying runs on with one out and Nathan Simkins up to bat who had hit around .400 in the divisional tournament. Nathan hit the ball but flied out to left field to end the game with the Belgrade Bandits coming out on top 5-4.

The Cubs had high hopes since they had creamed Belgrade 22-12 in the weekend tournament already, but this was a different game. The Cubs were scoreless in the first five innings with the Bandits pitcher being hot at the plate. Caleb Peets pitched for Dillon for the first 7 innings. He left in the 7th after there were 5 runs against him. The Cubs tried to claw back in but were just a little short.

Memorial Scholarship Fund**

The winner of the Bobby Joe Turney Memorial Scholarship fund for 2014 in the amount of \$500 is Gabriel Chilson. Gabriel's plans for the future are to become an orthopedic surgeon. We wish him all the luck.

The fund was established in Bobby's name by his family to memorialize Bobby in an honorable manner. Bobby was a positive influence and mentor in the community. He dedicated his entire life to his family and friends. He believed in working hard to achieve the success of owning and operating his family businesses. He also had a passion for fun. We want to ensure Bob's name lives on and everyone remembers his bighearted love for life. The scholarship fund is a way to let his legacy live on.

These young people were graded by submitting a personal essay describing past or present community involvement, future goals, family values and ways that this scholarship will assist in attaining these goals. In addition applicants must submit two letters of recommendations that address the candidate's personal and academic accomplishments.
