Steven "Steve" Richard Conrady

Steven "Steve" Richard Conrady, 70, passed away on Sunday, July 27, 2014, in Helena.

Steve was born in Anaconda on July 4, 1944, to parents, Louis and Ruth Conrady.

Growing up in Anaconda, he played in the foothills behind the family home on West Sixth Street. Most his lifelong friends were planted from there. School took Steve away to Havre for drafting where he met his partner for life, Sandi.

Following marriage and the birth of their first child, Stephanie, Steve decided that teaching would be his life passion and pursued a master's in education from WMC. Scot was born and a perfect family of four was set in motion.

For 30 years, Steve taught at his alma mater, Anaconda High school, teaching all vocational studies along with history and other courses. The lifestyle of teaching suited Steve completely and he was a natural at bringing the mystery out of small engine mechanics or any other course he taught. He was honored twice as being selected as Most Influential Teacher by graduating students of MSU.

Steve's family and friends spent many hours skiing, camping, hunting, snowmobiling, and fishing. Playing the guitar and singing songs around the campfire was his forte at any outing.

Many weekends he devoted to serving with the Montana National Guard. He retired after 20 years.

Living in Helena these past 15 years, he added his love for horses to his retirement. Returning to his roots, he, along with, family and friends, built a cabin at Georgetown Lake.

To know Scuba Steve was to love him. His gift was giving, loving, teaching and performing these skills by treating all people with respect and kindness.

Survivors include his wife, Sandi; son and daughter, Scot and Stephanie; brother, Doug (Bobbi); sister, Penny (Gabe) Rueben; brother and sister-in-law, George and Judy Meyer; brother-in-law, DP; grandchildren, Troy (Michelle), Martel, Drew, and Brooke; and many nephews and nieces.

A memorial service will be held at 2 p.m. Tuesday, Aug. 5, at the Anaconda High School Gym, Main St. and E. 6th St., Anaconda. Full Military Honors will be held in the gymnasium at the high school. A reception will immediately follow the memorial service at the American Legion, 322 E. 3rd St., Anaconda.

In lieu of flowers, the family has set up an account for the Conrady Grandchildren College Fund at Valley Bank, 3030 N. Montana Ave., Helena, 59601 or Glacier Bank, 307 East Park St., Anaconda, 59711.

Choosing a Candidate:

By: MJ

Simple things you can look for when trying to choose a candidate. Listen to & read their ads. 1) **Beware** of politicians who claim that their politics are pure with uncorrupted motives. 2) **Beware** of any politician that says they have the solutions; yet they don't tell you how they are going to solve those issues. 3) **Beware** of politicians that tell you the other candidate is the reasons for the problems in America; yet don't tell you how they are causing those problems. 4) **Beware** of candidates that use a lot of words with no substance & don't tell you how & what changes they will make in order to achieve their promises.

Words are cheap and politicians quickly and easily rattle off shallow feel good words that mean nothing and say nothing. Example: Give more money to schools without telling you how that is going to do a better job of educating your child; provide jobs, without telling you how and what is going to provide those jobs, cut taxes, lower oil prices... Often changes are a long process with the involvement of many organizations, federal & world governments, laws...

Read candidates ads, listen and hear what the ads are saying. Make sure you understand the candidates are actually going achieve the promises they make before you mark "X" before their name.

Remember it is your choice at the election booths that creates the government America has. It is dollars that your family does without to pay the taxes that pay the elected officials wages. *Read and listen to candidates ads on HOW they will complete their promises making sure you are getting what you pay for.*

**UMW HIRES LOCAL
BIG SKY ALL-CONFERENCE PERFORMER
TO LEAD CROSS-COUNTRY TEAM**

University of Montana Western athletic director, Ryan Nourse, has announced the hiring of Lynn Reynolds as head coach of the Bulldog cross-country teams. The addition of cross-country to the UMW athletic department is the fifth and sixth varsity sports for Montana Western.

Coach Reynolds was born and raised in Dillon where he graduated from Beaverhead High School and continued his athletic success as a Montana Grizzly. While earning his bachelor's degree in health and human performance-exercise science he was a member of both the cross-country team as well as the track team. While being a scholarship athlete for the Griz he earned Big Sky all-conference honors and was voted team captain for 2011-12 for both track and cross country. He was a national qualifier in track and field.

"I think it is great that the administration was able to initiate this program and I am happy to have their support. Having grown up and started my own running career in Dillon, this is something I've been hoping to see for a long time," said Coach Reynolds. "I am very excited to be the newest member of the Bulldog family and can't wait to get started. It's great to have earned the opportunity to build a program from the ground up, allowing me to establish my own traditions and bring in the type of athletes that will be healthy additions to Western and the community of Dillon."

While earning his degree in Missoula, Reynolds was named to the Big Sky all-conference academic team. In addition to his conference honors he was on the Dean's list, scholar of the College of Arts and Science, Lindsay Scholar Athlete, and a USTFCCA all-academic athlete.

Reynolds has been the cross country and track coach for Beaverhead high school. He also served as an intern coach for the University of Montana. He has gained valuable experience while working the Flathead Lake running camp, Birch Creek running camp, as well as working the Grizzly track camp. His experiences have also led him to positions with Camp-Mak-A-Dream, Big Brothers and Big Sisters, B.P.O.E. Elks, and has worked for the Meagher County ambulance.

**BEAVERHEAD-DEERLODGE NATIONAL
FOREST TO SPRAY FOR
BARK BEETLES IN CRYSTAL PARK**

The Forest Service has scheduled the application of insecticide for August 6th at Crystal Park on the Beaverhead-Deerlodge National Forest. The need for this is driven by the current mountain pine beetle epidemic, which has heavily affected many areas throughout southwest Montana & has already impacted some individual trees within popular recreation areas.

The site will be closed to public use from 6am on Wednesday, August 6th, to 6am on Thursday, August 7th. Depending on the weather, a Forest Service workforce will be placing packets and spraying Carbaryl to protect individual pine trees from mountain pine beetles.

Application of insecticide began in late June with individual tree treatments in campgrounds, day-use areas and trailheads. In order to be effective the green trees must be treated before the beetles fly again in mid-summer. In addition, users may notice packets stapled to trees. These 2"x 2" packets are Verbenone and/or MCH and are used to ward off bark beetles in areas that cannot be sprayed with the Carbaryl pesticide because of being too close to water. Please leave these packets in place to protect the trees.

KEYS FOUND

A set of three (3) matching small brass keys was turned into the City of Dillon (7/30/14). The citizen who found the keys located them outside of the entrance to the Dillon City Court. They keys look to be for either filing cabinet(s) of some sort or possibly a safety deposit box. They may be identified and claimed at the Dillon City Court. Their telephone is 683-6690.
