NICK TOMASKIE III

Nick Tomaskie III passed away at the age of 40 on August 3, 2014, after a lengthy illness, in Missoula, Montana.

"Though your life on earth was troubled, you can now go rest high on the mountain."

Nick is survived by his Mother, Gail Proulx Fuglestad (Paul), Father, Nick Tomaskie Jr. (Laree), sisters Kasi Lynn Tomaskie, Cara Emma Herman, Aunts Jennifer Phillips, Michelle Moore, MaryAnn Joslin, Sue Keough, and Uncles Gary Joe Proulx and Alex Tomaskie as well as his Paternal Grandmother Vivian Tomaskie, and his Nieces and Nephews, and Cousins. Nick also had three step brothers from Laree.

No funeral service is planned as requested by Nick, but his ashes will be scattered where God always smiles.

EDWARD HARVEY

Edward Harvey, 83, passed away on Friday July 25, 2014 at St. James Healthcare, due to Congestive Heart Failure.

Ed was born August 27, 1930 in Butte, MT to Herbert and Helen Harvey. His only other sibling was a sister who passed away at birth.

Ed's Mother passed away when he was just 14 years old. After her death, he moved to Divide, MT to the Lindlief Ranch, and was raised by his Grandmother (Mary Lindlief). Mary was the first (white) child to be born in Divide. Ed was extremely proud of the fact that he hayed on the ranch every year except for 1956, as he joined the Army.

In 1957 Ed married the love of his life Carol McClellan on September 7, 1957. This year they would have celebrated their 57th Wedding Anniversary.

Ed retired from the Butte Water Company after working there for 38 years. He was on the Planning Board for Silver Bow County, and was also a School Board Trustee in Divide for 20 years. Divide School was a big part of Ed's Life, especially since five generations of family attended the Divide School.

Ed worked hard on his Ranch with his son Joe by his side. He put his first cutting of hay up for the 2014 season just a couple weeks ago.

One of the joys in Ed's life was when he and Carol went to Arizona. They spent eleven winters there. Other joys were playing card games with his family, riding his Four Wheeler, and going to breakfast on Wednesday with the guys in Wise River, to keep "their stories" told.

Ed is survived by his loving wife Carol, son Joseph (Lori)

Volunteers of the Year

At the "Fun Day" celebrated in Bannack, the Southwest Montana Retired Educators have nominated Pat and Jim Anderson as their "Volunteers of the Year" for our Unit. We are proud of the time and dedication they have committed to the community over the years.

We welcome new members! Our membership fee is \$30.00 a year. \$25 goes to the State to help pay costs of printing the newsletter and also helps to finance persons to represent the retired educators at the Legislature. We do welcome people over 50 and currently teaching, to join for \$10.00 a year. Our group meets three times a year to socialize and at times invite guest speakers.

If you are interested in becoming a member please contact the membership chairman, and Treasurer, Alan Zetler at 683-4751 or President Fran Schisler at 683-4329.

Boardwalk Arts & Crafts Fair

The City of Dillon will be the point of contact for the Boardwalk Arts & Crafts Fair - Labor Day Weekend.

The fee for a 12x12 space is \$100.00. Call or stop by the City of Dillon for an application.

125 N. Idaho Street, Dillon, MT 59725 ~ 406-683-4245

For more information contact J.S. Turner or Stacey Roundy at the City of Dillon. Applications must be made and fees paid no later than August 18th.

Family Comfort Station at the Fair

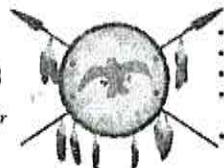

The Beaverhead County Fair is just around the corner, and New Hope is going to be sponsoring a Family Comfort Station--a trailer where infants can be fed and have their diapers changed--at the fairgrounds. We plan to be open from 10:00 a.m. to 8:00 p.m. Thursday through Saturday, August 28-30. New Hope will provide diapers of various sizes, wipes, water, and snacks.

If you are interested in volunteering as a host during part of one of those days, please contact me at 406.925.0871 and I will put you on the schedule.

Thank your support! We cannot do all that we do to support our young families without you!

Letter to the Editor

LaVon D. Brillhart

Is "Democracy" dead? Is "Democracy" on it's last legs? It seems that government has become an appendage for the super rich and big corporations. But on the other hand government has become an unwanted growth for the middle class and the working poor. Now we have a government that is grid locked. It seems that with what has not been accomplished for America many in Washington are destroying America and "Democracy."

The Supreme Court has made it quite clear the middle class and the working poor have no voice in America. But the Supreme Court said that big corporations and the super rich have the right to invade and conquer "Democracy."

Why do we need Senators and Representatives? There are more than 12,000 lobbyists in Washington. That is 22 lobbyists for every member of the House and Senate. Now Representatives and Senators do not win elections but they are bought. Then after they are bought the lobbyists run and own the politicians. The lobbyists pull the strings of their puppets that we call elected officials.

The propaganda machine is alive and working well for our so called elected officials. They tell the same lies over and over and then the lies become the new truth. But for millions of American's they are still lies.

Then we have many who say we need smaller government. No one seems to say we need a government that works for all the people in America. When we vote for those who say we need a smaller government what do they do? Give big tax breaks to corporations, give tax breaks to the super rich and create more taxes for the middle class.

We know the system is rigged! But has rigor mortis set in? "Democracy" needs to be resuscitated. But the super rich, big corporations, and lobbyists want to destroy "Democracy."

Letter to the Editor**CHOOSING A CANDIDATE**

Well, MJ was partially right, it's important to evaluate the true intent of a candidate before you vote for him. But, the main problem with today's politics, as I see it, is that there is no party that supports the needs of the average person. The republican party just supports the rich with massive subsidies and endless tax relief. Even Obama is guilty in this. During the recent recession he had the government print a massive amount of money, that was just given to the richest of the rich, perhaps hoping to create jobs, but "Trickle down" has never worked and never will.

But, on the other side, the Democrats, lead by Obama, have finally sold their souls to the environmentalists, who's only agenda is to stop all "polluting" industry. Their only solution for mankind is to put us all on a spaceship going nowhere, except they can't do that because they would first have to mine the minerals and fuel for the spaceship. There is probably enough gold in Montana to solve all of the world's social issues, but they won't let us mine it.

Where are the true independents when we need them? Why doesn't any political group promote win-win politics???

Johannes Soyland
