RECALL PETITION results:

By: MJ

Beaverhead County Election Official Ms. Debbie Scott has reviewed the signatures that were collected on the recall petitions and found them to be valid signatures.

Mr. Graham collected 108 (required 105) valid signatures on the recall petition for Councilman Spehar. Ms. Edith Fletcher collected 148 and 146 (required 143) valid signatures on the recall petition for Councilman Troedsson and Gore.

Another recall petition was carried for Councilman Westad. The carrier fell ill and was unable to complete the task of gathering the required amount of signatures.

An enormous thank you to the people who took time out of their busy schedules to walk the streets, knock on doors giving the residents of Dillon the opportunity to have a say. Knocking on doors and asking for support is extremely challenging and exhausting experience. Until you have walked in the shoes of someone that has knocked on doors you cannot know how difficult it is. The majority of people are kind and receptive however; there is always several who jump on the opportunity to take their stress and bad day out on you.

RAPTORS OF THE ROCKIES AT BANNACK

Kate Davis, of Raptors of the Rockies, will be on hand with some of her incredible feathered friends on Saturday August 9th at 2pm in the Group-Use Area at Bannack State Park. Meet Miles the Great Horned Owl, Sonora the Aplomado Falcon, Alisa the Red Tail Hawk, Owen the Northern Saw Whet Owl and other fascinating birds of prey in this incredible nature program sponsored by Pioneer Federal Savings and Loan of Dillon. For over twenty years Raptors of the Rockies has been providing educational programs across Montana using live birds of prey. The teaching team is made up of 18 birds of prey, a large variety of species from Northern Pygmy-Owl to Bald Eagle and each bird has a unique story and personality. Together with Kate, they form the heart and soul of the Raptors of the Rockies educational experience. Come learn about the fascinating lives of these beautiful birds of prey.

The founder and Executive Director of Raptors of the Rockies is Kate Davis. Kate first began rehabilitating orphaned and injured birds and mammals in 1973 with the Cincinnati Zoo. This was also the start of her pursuits in education, wildlife art, and taxidermy. After locating to Missoula in 1978, Kate received a degree in Zoology from the University of Montana in 1982. She moved to a ranch outside of Missoula in 1988, and obtained the required federal rehabilitation, possession, eagle exhibition and falconry permits. With permits in hand, Kate founded Raptors of the Rockies and started

educating schools and the public about raptors. Since then, Kate and her birds have appeared in approximately 1,500 programs for 122,000 audience members across Western Montana.

All Saturday programs are free, out of state vehicles pay a \$5.00 park admission fee. Park hours are 8 a.m. to 9 p.m. every day. For more information call the park at 834-3413.

Forest Service to Monitor Sugarloaf Fire in Pioneer Mountains

On August 1, a lightning storm moving through the Pioneer Mountains ignited a small fire near the top of Sugarloaf Hill located in a remote high elevation area of the Pioneer Mountains. The ½ acre fire is burning in a steep rocky boulder field near the top of the hill. Fuels that are burning consist of sparsely scattered dead and down trees. Due to the extremely difficult terrain, fire managers will monitor the fire through the use of overflights surveying the area for other fires and from employees patrolling the area from the ground.

"We felt that it was not safe to put firefighters in this area due to the tough terrain and unstable rocky slopes," said Acting Wise River District Ranger Patty Bates.

For more information, contact the Forest Service in Wise River at (406) 832-3178, or Wisdom at (406) 689-3243.
