Saga: YES/NO - IN or OUT

By: MJ

At the August 6th council meeting Mr. Derek Gore verbally resigned his position as Ward 4 representative on the city council. Statute 02-16-502 states that a resignation must be made in writing. *Question: As a council member did Mr. Gore review the law that clearly states that resignations must be submitted in writing?*

The next day, August 7th, Mr. Gore submitted a written letter saying he was not resigning his position as Ward 4 council representative. *Question: Was this letter necessary - according to law he had not resigned.* Confusing it is!

When Mr. Gore tendered his verbal resignation it appeared he was upset because; 1) the laws were not being followed, -- 2) there was a recall petition for him circulated that had 100+/- signatures, -- 3) the media printed lies. The elected council members by means of a majority vote have the final say. It's not clear to me who is not following the laws.

The petition circulated for Mr. Gore received more than enough signatures to recall Mr. Gore. *Question: Is it possible that Mr. Gore learned after the council meeting and after he verbally resigned, that the recall petition could possibly be denied by Beaverhead County Election Official, Ms. Debbie Scott therefore he wrote a retraction letter.*

There were 3 recall petitions circulated that collected the required amount of signatures to recall for Mr. Spehar, Mr. Troedsson, and Mr. Gore.

Speaking for myself only: It is not my intent at any time to post mistruths (lies). I attend as many meetings as my time allows and watch the video's before I write articles. Am I always right -- NO I am not however; I do the very best I can. Todayindillon.com posts a live video in real time of council meetings. If at any time you feel the public is being misled by articles in the Dillonite Daily, view the video and call the Printing Place (683-4903). Our goal is to get it right and with your help we can Get It Right.

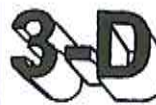

PLEAS CHANGE TO GUILTY

Bill and Sally Foster changed their pleas to guilty last week in district court. Both have been charge with numerous misdemeanor and felony charges of unlawful possession of game animals, fishing without a license, tampering with evidence, poaching and other related charges from an undercover investigation by Fish, Wildlife and Parks game wardens.

Bill pled guilty to four felony counts of unlawful possession of game animals and felony tampering. Sally pled guilty to two felony charges of unlawful possession of game animals and a misdemeanor of fishing without a license.

The long investigation involved several other people who also faced charges. It was found that the couple not only poached animals but also allowed some of their visitors to

CITY ATTORNEY'S OPINION ON LGBT

James Dolan, Dillon City Attorney gave his thoughts on the lesbian, gay, bisexual and transgender citizens (LGBT) non-discrimination ordinances (NDO) that the Judiciary Committee, chaired by Lynn Westad, asked him to address. Mr. Dolan stated that he had spent considerable amount of time researching many different proposals facing a number of cities in Montana. Many cities in Montana are at various stages of evaluating and / or adopting such LGBT ordinances. Mr. Dolan state however, that the city of Dillon has self-government powers, that are limited. Mr. Dolan said he did not feel that the City of Dillon could exceed those powers allocated to it by the Montana Legislature concerning private contractual rights/liabilities and the landlord/tenant relationship. He felt that if the Dillon City Council would enact an NDO impacting such areas that a challenge could be made that the City of Dillon exceeded the scope of its authority.

He says secondly, the Montana Human Rights Act (MHRA), in title 49 of the Montana Code Annotated, expressly provides that this legislation and its proscriptions "...establish and exclusive remedy for acts constituting an alleged violation [of the Act]" and/or "acts that may otherwise also constitute a violation of the discrimination provisions of Article II, Section 4, of the Montana Constitution".

The MHRA also establishes a Human Rights Bureau, and through enabling legislation, is vested with the power to establish administrative rules in implementing the MHRA. Thus, it is my view that any potential LGBT ordinance enacted by the City of Dillon would face potential legal challenges under the legal doctrine of preemption in that any City of Dillon legislation impacting LGBT civil rights is arguable of statewide concern, and Montana's Legislature has clearly intended to limit and preempt the field of legislation in this area.

The Montana Human Rights Bureau (through Bureau Chief Marieke Beck) issued a statement adopting the Macy v. Holder EEOC decision that states an employer may not take an "adverse action against an [transgender] employee based upon that individuals failure "to act and appear according to expectations defined by gender". Thus, it appears that the federal Equal Employment Opportunity Commission decisions are being reviewed and potentially applied by the Bureau under the Montana Human Rights Act as providing some degree of protection to transgendered individuals.

He points out that the Montana Legislature in 2013 repealed the stature making sexual contact between consenting adults of the same sex the felony of "deviate sexual conduct". Secondly, the Montana's legislature amended

the Partner Family Member Assault statute in 2013 to encompass assaults committed between same-sex partners by removing the requirement that the assault be perpetrated only on "a person of the opposite sex".

In his letter he goes on to discuss the 2014 Hobby Lobby decision (holding that closely held corporate employers with sincere religious convictions may now opt out of portions of the Affordable Care Act) has some LGBT rights advocacy groups withdrawing support for the proposed Employment Non-Discrimination Act due to the potential that religious groups and corporate employers with sincere religious convictions may lobby Congress to opt of the certain discrimination provisions based upon the Hobby Lobby decision.

In summation, while the Judiciary Committee, and ultimately, the Dillon City Council are certainly free to disregard by advice, it is my opinion as City Attorney that further consideration of an LGBT right NDO is ill-advised for the following reasons:

1. The City of Dillon does not have the power to proscribe such conduct, and would exceed the scope of its authority under Montana law and the City's Charter. To hold otherwise would result in a patchwork of conflicting ordinances impacting civil rights throughout Montana's cities, towns and counties. Such a scenario is eerily reminiscent of the *Jim Crow* South, for which the Civil Rights Act of 1964 was enacted by the U.S. Congress to address.

2. Montana's legislature has expressly established the exclusive remedy for discrimination, thus further legislation by a local government in the field of LGBT civil rights is preempted. By way of the examples *supra*, Montana's legislature has already extended recognition to LGBT individuals in certain circumstances, and I expect that this trend will continue.

3. Montana's HRC (operating under the MHRA) is apparently showing recent willingness to apply Federal EEOC standards in certain cases where perceived discrimination against LGBT individuals is at issue. Again, I expect that is trend will continue.

4. The City of Dillon potentially opens itself up to civil suits under the Uniform Declaratory Judgement Act by aggrieved individuals should it pass an LGBT NDO.

5. Numerous Federal laws, Executive Orders, and decisions by various Federal Courts on state based restriction of LGBT civil rights are pending, and the litigation in this area remains ongoing, with the U.S. Supreme Court already being asked by the State of Utah to weight in. I expect that the Court will be forced to address this issue shortly.

KEYS FOUND

A set of three (3) matching small brass keys was turned into the City of Dillon (7/30/14). The citizen who found the keys located them outside of the entrance to the Dillon City Court. They keys look to be for either filing cabinet(s) of some sort or possibly a safety deposit box. They may be identified and claimed at the Dillon City Court. Their telephone is 683-6690.

Theodore Roosevelt & Immigration

Submitted by MJ

Sometimes we forget that history repeats itself. Just a reminder.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

'In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin. But this is predicated upon the person's becoming in every facet an American, and nothing but an American... There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag... We have room for but one language here, and that is the English language and we have room for but one sole loyalty and that is a loyalty to the American people.'
