William S. Devenor Whitehall, MT

The good Lord called William (Bill) Devenor home on August 12, 2014, while surrounded by his family at St. James Hospital in Butte.

Born in Enderlin, North Dakota on February 7, 1938 to his parents George and Vina. Bill's path led him to Custer, Montana where he graduated high school and made several life-long friends. Bill worked in the agricultural industry all of his life. He was a skilled leather crafter, poet, and avid horseman. He was and always will be a cowboy.

Bill married Phyllis Tillman in 1957 and together they had four children. He enlisted in the U.S. Army in 1962 and was honorably discharged in 1968.

He was preceded in death by his wife Phyllis and is survived by his children Mitch, Clay (Mary Jo), Cameron and Amy Lewis (Keifer), daughter-in-law Karen Huff, sister Delores Erickson, grandchildren Tom, Jennifer and Joe (Alysa) Devenor and Colt Lewis and two great-grandchildren.

We Devenors never had much, but he gave us all that he had. We know he and his favorite horse Rusty are long trotting the big pasture now and are sure he knows the way home.

In lieu of flowers, please make donations to the VAVS (Veterans Administration Volunteer Services) In Memory of Bill Devenor at PO Box 167, Fort Harrison, MT 59636.

Saga: \$1.5 Million Dollar Quandary

By: MJ

Over the years many people have taken an interest in how the local government functions and how the tax dollars are spent. Countless people have attended council meetings only to be met with elected officials who chose to use the school days "bully tactic method" when it comes to working with the public; (the very people that are being taxed so the city can function as a municipality).

Mayor Klakken has a firm belief the government must follow the laws, therefore representing all the people equally while working to pay outstanding debts as rapidly as possible which brings up the August 14th finance meeting.

There was \$1.5 million that was not spent of the nine (9) million dollar bond taken out for the last lagoon project. **Question to ask your councilperson:** Why was the cost of the project overstated by \$1.5 million, consequently costing the people thousands of dollars in interest?

At the August 14th finance meeting Mayor Klakken put forth a suggestion to the council that the city look into buying back bonds off the market with the extra \$1.5 million. *The council signed a "no early payment clause" however the city might be able to buy back the bonds, becoming the bond holder, paying themselves and collecting interest of 3%±.* **NOTE:** Reducing your payments on the older bonds listed on your water/sewer bills could be possible if the buyback is found to be lawful. It was referred to City Attorney Dolan to research the lawfulness.

Mayor Klakken stated that the money is being taken from the people to pay the bonds. **NOTE:** Council has all power and authority when it comes to spending cities money. All the mayor can do is lead, make suggestions and follow the laws.

Question: Does this type of government still work efficiently in today's world, or has it become a power position for elected officials? It appears that 350 plus Dillon residents are not pleased and have signed recall petitions circulated for councilpersons and elected to have a study commission review of the existing government.

✓ **How do you sign up?** Dillon needs you to bring your knowledge to the table to be a part of the Study Commission. Go to the Clerk and Recorder office at the court house and tell them you want to sign up for the City Study Commission. **NOTE: You must sign up by August 21st.** If you live in the county sign up for the county study commission.

**THREE HOUR HEARING
ON WOLF STAMP PROPOSAL**

There were more than 100 people who spoke in a statewide video conference on a proposal for a plan to create a wolf management stamp my Montana FWP.

The \$20 stamp would be a donation by people that do not hunt to help manage the wolf in the state.

However, some hunters say they are worried that the stamps would allow non-hunters to demand Fish, Wildlife and Parks to manage game differently. They don't want non hunters to have a say in the sportsmen's discussions. On the other side, non-hunters are excited to have a seat at the table to get their side heard, they feel they haven't been able to get their side of the discussion out there.

Fish, Wildlife and Parks director Jeff Hagener will make the final determination. The agency plans to file its decision by the end of September.

SCHOOL SUPPLY DRIVE

The annual KDBM-KBEV School Supply Drive has started for this year, 2014. Please help the kids and schools by purchasing some much needed items for all the grade schools in Beaverhead County plus Twin bridges and Sheridan. We have school supply deposit boxes at the following locations. Kings, State Bank & Trust, Pioneer Federal Savings & Loan, Stockman Bank, Womack's Printing and at KDBM-KBEV Radio Stations. You'll find a list of required items on each box. All supplies will be delivered to the schools in early September. You can also donate money and KDBM-KBEV will do the shopping if you don't have the time or opportunity to do so.

Thank you again this year for your help.
