BE AWARE OF PHONE SCAMS

The Beaverhead County Sheriff's Office and the Dillon Police Department would once again like to make residents aware of phone scams which have been a problem nationwide and we are no exception.

Callers are now using local businesses and service providers as a way to fraud residents in to giving them money, and or their credit card number. The Sheriff's Office and Police Department do what they can to try and stop these actions but there is little that can be done once the fraud has taken place. This is because the criminals and their operations are located overseas. Obviously, we cannot enforce our laws overseas, nor do we have the resources. These cases get transferred to federal agencies but they also cannot effectively enforce our laws in other countries. The scammers know our limitations and continue to successfully operate. The Sheriff's Office and Police Department know the best way to keep people from falling victim to these scams are to notify the public, and give them tips on how to react if they feel they are being targeted by a criminal.

Recently we have been advised that people are receiving automated calls asking for people to give their credit card numbers to pay bills which they are delinquent. The calls are using the names of area businesses such as medical facilities. Caller ID will show that facilities name and a local phone number which is false. If you receive one of these calls, please hang up and then call the facilities number which is located in the phone book to ask if you have a bill to pay. Remember, most businesses will not call and ask for a credit card numbers, cash, money orders, or personal information. Legitimate businesses will certainly understand if you call them in an attempt to avoid criminal access to your private information and finances.

Many other scams are taking place including fraudulent sweepstake winners. The criminal advises you that you have won a sweepstakes and advised you to send a processing fee. They will also send you a certain amount of money asking you to take a small portion and send the rest to another address. This is a way for the scammers to avoid detection using you as a part of their criminal enterprise therefore making you a participant of the crime.

Once again, never give personal information such as your social security number, birth date, or any financial information to someone who has called you. This is also very important with solicitors who have contacted you over the internet. If you follow these steps it will decrease your vulnerability to being a victim of a crime. Please, pass this along to your family and friends so we can keep Beaverhead County and Dillon residents from becoming victims of these predators. We hope you have a safe and enjoyable Labor Day weekend and please contact us with any questions or concerns.

Sincerely, Jay Hansen and Paul Craft

FAREWELL TO THIS BEAUTIFUL COMMUNITY OF DILLON,

I would like to extend my sincere gratitude to the town of Dillon for enhancing my life over the years. It was a dream of mine to always live in a small community and yet I did not know what to expect. It was everything and beyond my expectations and I have never seen such a community who reaches out to others, such friendly people in every sense of the way, the professional Health Care and Physicians who have taken care of me over the years (Dr. Weed, Dr Shafaieh and Dr. Downey), the merchants who have always delivered (remember to Buy Local), the fine entertainment I have been a part of (thanks Harvey and Boots (you are such an asset to our community), my side kick/singing partner/forever friend Lois Johnson (I hope you will continue to put on those uplifting Gospel shows), The University of Montana Western (Jenny Peterson you are awesome), Elderhostel (what a great group of gals and some wonderful programs), University of Montana Outreach (thanks for allowing me to teach so many different dance classes, you were all super to work with).

The many memories I made was the greatest experience with all the fine places I have taught elsewhere.(The Court Yard, The Moving Image, The Y, The Bicentennial, The Elks, The Rest Homes and the many other locations I had the pleasure of teaching dance). It was a pleasure to perform over the years and hats off to the Kickin Country Cloggers and all the other dancers who participated in the Granny Shows, plus the many community members who joined my variety of Dance Classes … (Remember to Dance as if no one is watching) How Blessed I have been to be a part of this Community. I thank all of you for being a part of my life in one area or another.

A special thank you to all the beautiful people who have

WESTERN & TECH FOOTBALL 38-6

Western Montana Bulldogs and Tech Orediggers got off the 1st football game in the State of Montana on Saturday in Vigilante Field. Montana Tech won the toss and the game started for the Bulldogs and pretty much ended there for Tech. The Bulldogs got off to a pounding lead and the score was 35-0 at half time. The defense put good pressure on Montana Tech all night. The offense was good but they had great field position most of the time because of the awesome defense.

Letter to the Editor

8-23-14

I am writing to support M.J. and the *Dillonite Daily* for their excellent coverage of what can only be called the antics of certain city council members over the past year. This is in response to M.J s report in Friday's *Dillonite Daily* of Councilman Troedsson's reading a complaint into the city council minutes about the coverage of the city council's actions by M.J and the *DD.*

Along with the reporter for the *Dillon Tribune*, M.J. has done an admirable job of keeping the public apprised of the happenings at the city council's meetings. How else would we have learned that after the city council passed a resolution limiting public input at city council meetings to five minutes per person Councilman Troedsson thoughtfully showed up at the following council meeting with a stopwatch to help individuals to adhere to the time limit.

If not for a letter to the editor published in the *Dillonite Daily* (Feb. 21, 2014) by a business woman whose establishment is adjacent to the Dillon Public Library, we would never have learned that after parking her car for ten years in one spot in the public library's parking lot and in return accommodating the library by allowing it to store, free, some things in her business establishment, she was informed by councilman Troedsson, who took it upon himself to enter her store, that she could not park there any more. He subsequently showed up with a camera to photograph her car, called Mayor Malesich, who called the sheriff, who had the car towed at the owner's expense.

This zeal for punishing such *egregious* threats to the public welfare as parking in a public library parking lot **when not actually using the library** has rarely been encountered since the Pilgrims put people in the pillory for breaking the Sabbath; and it should not go unremarked. M.J., the *Dillonite Daily* and the *Dillon Tribune* serve this purpose admirably, and they have my thanks and support.

President Harry Truman had some trenchant advice for public officials in his day who whined about their treatment by the press: "If you can't stand the heat, stay out of the kitchen."

Narcissist - Do you know one?

By: MJ

The US National Library of Medicine describes a person with narcissistic personality disorder as having an excessive sense of self-importance, an intense preoccupation with themselves, and no empathy for others.

Narcissistic personality disorder is a mental disorder in which people have an inflated sense of their own importance and a deep need for admiration. Those with narcissistic personality disorder believe that they're superior to others and have little regard for other people's feelings. But behind this mask of ultra-confidence lies a fragile self-esteem, vulnerable to the slightest criticism. Mayo Clinic Staff

People are charmed by the charisma of the narcissist; they cheerfully do his bidding and delight to be at his service. A narcissist shapes the world around them and reduces others. Narcissist's admirers become their codependents.

A narcissist has no interest in things that do not help them to reach their personal objectives. They are focused on one thing alone and that is power. All other issues are meaningless to them and they do not want to waste their precious time on trivialities. Anything that does not help them is beneath them and does not deserve their attention

The term narcissist comes from a character in Greek mythology, called Narcissus. He saw his reflection in a pool of water and fell in love with it.
