## Beaverhead DUI County Task Force

The goal of the Beaverhead DUI County Task Force is to reduce impaired driving including the number of alcohol and drug-related motor vehicle crashes, injuries and deaths in Beaverhead County. Our volunteers plan and coordinate prevention strategies, compliance, enforcement, evaluation and community involvement.

During the Beaverhead County Labor Day events, the DUI Task Force provides ID checks for alcohol sales for the concert and rodeos. The intent of this task is to reduce underage alcohol sales, to raise awareness, and to provide a service to the Dillon Jaycees to expedite the server lines.

SB29- the Responsible Alcohol Sales and Service Act was passed into law by the 2011 Montana Legislature. The law requires that all employees who serve or sell alcohol, their immediate supervisor as well as the licensee, if they serve or sell, receive RASS trainings through a state approved program. RASS training includes guidelines for checking IDs, determining whether or not an ID is valid and detecting underage warning signs. The training also offers guidelines for preventing adults from buying alcohol for underage people. Our DUI Task Force helps coordinate RASS in our county to insure that alcohol servers and suppliers are in compliance with Montana law. For more information regarding RASS Training, please contact Haily Dean at 406-660-2511.

We also work with the University of Montana Western Safe Ride program with the goal of eliminating impaired driving among college students. This program offers students safe transportation every Wednesday, Friday and Saturday nights when classes are in session. Safe Ride has a record of reducing impaired driving.

This fall we are planning a county-wide poster contest for Beaverhead County students grades 6-8. These students will have the opportunity to create a poster based upon information from "Above the Influence." This national Anti-Drug media campaign delivers a broad prevention message with the intent of minimizing high risk behaviors. The students will have the chance to win prizes for their efforts. Their posters will be displayed countywide to raise awareness of choices.

We are also planning to launch a week long DUI Task Force Awareness Week in conjunction with Red Ribbon Week. Red Ribbon Week is an alcohol, tobacco, drug and violence prevention awareness campaign observed annually in October.

Additionally, we are working to offer a scholarship program to a

Last year, the DUI Task Force erected signs throughout the county to reduce impaired driving.

**Letter to the Editor**

Having supported M.J., and the *Dillonite Daily* and the reporter covering the City Council meetings for the *Dillon Tribune*, I now feel obliged to support the County Clerk and Recorder, Debbie Scott, for her unpopular decision not to forward the recall petition to the ballot.

The position of County Clerk and Recorder does not require any legal training. It is exactly what the job title describes - a clerical position. Therefore, Debbie, probably feeling overwhelmed with this unusual situation, rightly sought legal advice. And, since she is the County Clerk and Recorder, she sought this advice from the County Attorney. This showed commendable discretion on her part.

However, the County Attorney indubitably does have legal training. And, since the petition in question was for the recall of city officials rather than county officials, it seems to me (admittedly a layman) that professional courtesy alone, if not professional ethics, would have prompted him to defer to the City Attorney as the proper professional to answer Debbie's question. Instead, he put the burden squarely on Debbie's shoulders by advising her not to forward the petition to the ballot based on her decision that no legal grounds for the petition existed.

Surely that decision does not fall under the responsibilities of a County Clerk and Recorder.

I believe Debbie had fulfilled her professional responsibilities when she verified the signatures on the petition. Deciding whether there were adequate legal grounds to justify the petition is for the court to determine, not the County Clerk and Recorder or the County Attorney.

Admittedly, the County attorney did concede that pursuant to section 2-16-615 (2)MCA the petitioners could request a writ of mandamus in District Court which would then force the Clerk and Recorder to accept the petition and move forward to a recall election. Nevertheless, I still believe he should have referred Debbie to the City Attorney rather than influencing her to to make an unpopular and unjustified decision.

## Labor Day Weekend

All too often, innocent, law-abiding people suffer tragic consequences and the loss of loved ones due to someone's careless disregard for human life. This Labor Day my Office will again be committed to enforcing Montana's impaired driving laws. Twice as many alcohol-impaired accidents occur during the weekend and four times as many occur at night. My Deputies will be especially vigilant during these high-risk times when impaired drivers are most likely to be on our highways and roads.

Please remember this weekend.

It's your choice.

Be smart this weekend.

Don't drink and drive.

Jay Hansen*
