NOTICE OF DEATH

Terry Craig Eubank Sr. passed away September 1, 2014

Bob Rhodes, 88

Bob Rhodes, 88, passed away Aug. 28. He was born in Toledo, Ill., Nov. 4, 1925 to Robert B. Rhodes Sr. and Lena Rebina (Creviston) Rhodes.

Bob graduated high school in Mattoon, Illinois and entered the Army. He served in Korea in World War II. In May 1951, after graduating from the University of Colorado in Boulder, Bob drove to Cut Bank to work for the Montana Power Co. The next day it snowed. If he had had any money, he would have left. Instead, Bob helped open the oilfields in the Sweetgrass Hills.

In 1953, Bob married Mary Doreen "Dee" Mason in Red Deer, Alberta, Canada. Bob and Dee spent the next 20 years in Cut Bank until Bob was transferred to Billings in 1971. Bob was employed by Montana Power Co. for 35 years. After taking early retirement, Bob and some of his associates opened Keesun Inc., and continued to explore for oil and natural gas until his final retirement at 80.

Bob was an avid golfer. He and Dee traveled and golfed and they also enjoyed dancing, going out regularly on Friday and Saturday nights. Bob belonged to many organizations including Billings Exchange Club, Petroleum Club, Elks, Masons, Legion and others. After Dee's death in 1998, Bob was a volunteer at St. Vincent's Hospital several days a week until he moved to Dillon in 2011.

Bob was preceded in death by his wife, parents, sisters Alice and Eloise, and a nephew and niece. He is survived by his sons and their wives, Tom and Laura Rhodes and Gregg and Christina Rhodes, and his daughter and her husband, Liane and William Forrester. He is also survived by his grandchildren, Michael, Steven, Marina, and Alana Rhodes, and Tyler and Suzanne Forrester, and Robert Forrester.

Cremation has taken place. No services are planned.

Waste Water Treatment Plant

By: MJ

A nine (9) million dollar bond was acquired under the leadership of Mayor Malesich for the upgrade of the Waste Water Treatment Plant (lagoon). Yet to be finished is a heated building around the area that removes solid waste (like rags & etc.) and an update to the UV light building.

There is approximately two (2) million dollars remaining of the original nine million dollar bond.

The approximate cost of the heated building and UV light upgrade needed to complete the project will be \$200,000+/- . After the Waste Water Treatment Plant project is finalized any remaining funds from the original bond can only be used on sewer related projects.

Bulldogs can't overcome mistakes versus Bears

Western's football team dropped a double overtime thriller to the Rocky Mountain Battlin' Bears 30-37 Saturday at Vigilante Stadium. The defeat takes the Bulldogs to an overall record of 1-2 and a Frontier conference record of 1-1.

UMW was able to overcome some mistakes that come with taking on the tenth ranked team. They just weren't able to overcome two turnovers and a blocked field goal. The Bulldogs blocked a punt and could not capitalize when they missed a field goal. The UMW defense forced the Bears to punt only to have UMW give the ball right back to RMC when the punt could not be handled.

The Bulldog defense snuffed out the first scoring opportunity when the Bears drove the ball down to the UMW eight yard line and attempted a 25 yard field goal. Bulldog senior defensive back, Jesse McCloud, came off the edge and blocked the field goal that was eventually recovered by Ben Sulser.

Montana Western's defense held the Rocky team to three field goals in the first half and entered halftime with a 10-9 lead over the No. 10 Bears. Early in the second half the Bears and Bulldogs traded blows, scoring touchdowns on consecutive drives. The third quarter ended deadlocked at 16 apiece.

The fourth quarter had a score apiece with Rocky scoring on a rush by Jade Olson and Montana Western scoring on a rush by quarterback Tyler Hulse. The Bulldog defense stood firm late in the fourth quarter forcing two turnovers. On the final possession of regulation Dakota Wainwright came up with a big play when he forced and recovered a fumble.

In overtime the Bears won the toss and gave the ball to Montana Western first. The UMW offense accepted the challenge and put the pressure on Rocky. Montana Western scored a touchdown forcing RMC to match the seven points. Rocky was able to score and force a second overtime in which the Bulldog defense would be on the field first. The Bears were able to move the ball and score. The Montana Western offense was stopped and Rocky Mountain escaped Dillon with a win.

The Bulldogs will try to bounce back next Saturday when they travel to Caldwell, Idaho to take on College of Idaho. The game is scheduled to kick off at 1 pm.

"Stolen Vehicles"

On September 4, 2014, at 6:56 p.m., a Sheriff's deputy attempted a traffic stop for excessive speed on Montana Street near the intersection of Highway 91. The Silver, 2010 Mitsubishi Utility vehicle was traveling approximately 50 miles per hour in the 25 miles per hour zone.

The SUV disregarded the deputy's lights and siren and continued to accelerate through residential areas of Dillon and out on Highway 41 where other officers from the Dillon Police Department assisted in the pursuit. At milepost 4 on Highway 41, the pursuit again made a change in direction back through Dillon and ultimately ending at the Southside Trailer Park where the SUV crashed. The driver exited the SUV and fled the area on foot.

Beaverhead Co. Deputies, Dillon Police Officers, BLM Ranger, and a Fish and Game Warden all involved themselves in the search for the lone occupant of the SUV, throughout the fairgrounds and the south side of Dillon. Shortly afterwards, Beaverhead Co. 911 Center received a report of a suspicious Jeep Cherokee parked on Beaverhead Lane, north of Dillon. Deputies and Officers responded to the location and found the Cherokee abandoned. A call to the registered owner confirmed that the Cherokee had been stolen. Within minutes of locating the Cherokee, Bvhd Co. 911 Center received another report of a stolen Pontiac G6 from an apartment complex adjacent to Beaverhead Lane.

Again Law Enforcement Officers searched thoroughly the entire north area of Dillon on foot, in vehicles, with night vision, and tracking dogs. Unfortunately we were unable to locate either the stolen Pontiac or its suspect driver. Information concerning the SUV indicated the vehicle was stolen from the state of Illinois and once this information was obtained we were able to identify a suspect in the two local thefts.

I appreciate the fine work that played out by my Deputies, Dillon City Officers, Fish and Game Warden Schmauch, BLM Ranger Manseau, the Dillon Fire Department, and community members who assisted in attempting to locate the suspect in this matter. The continued cooperation between all agencies resulted in no injuries and minimal property damage. I am confident the suspect will be located.

This is a good time to remind everyone to make your homes and vehicles safe from criminal activity in our communities. Thanks again to all involved for keeping Beaverhead County safe.

Sincerely, Sheriff Jay Hansen

CITY HAPPENINGS

By: Lynn Westad

The City Council meeting was called to order with all Council members present. There were approximately 30-35 members of the public in attendance.

After routine business was taken care of next was a report from City Attorney Jim Dolan. He indicated 36 MIP's over Labor Day weekend and a house party that had a noise complaint. No reports from Planning Brd or Zoning Comm. JS Turner was absent so there was report from Dir. Of Operations. Police Chief Craft reported more on the Labor Day activities, with 1 DUI. 52 traffic stops and 2 noise complaints. He felt that the various groups providing education, rides home, and the taxi service reduced the DUI numbers. No report from the Fire Marshall.

Judge Shea Erwin has submitted her resignation effective 10-30-2014. The process for replacement will get started. The Treasurer's cash and investment reports were approved. Three Library minutes were approved. There is one opening on the Library Board. If you are interested in serving on the board contact Mayor Klakken. Also there is a survey of library service being done and forms are available at City Hall and the Library. No report from the Tree Board.

Committee reports started with Judiciary first. Minutes of the 8-18 meeting was approved. The agenda was for approval or disapproval of a LGBT ordinance. This petition was presented by Richard Turner as he believes the rights of the LGBT community is not protected from discrimination in housing and employment. The recommendation from the committee was to not proceed with an ordinance. Mayor Klakken asked for public comment. Several people spoke to have an ordinance done. Most were from Butte. There were comments from others that felt the housing and employment laws in place are adequate. A motion was made to have the attorney draft a LGBT ordinance. The vote was Bob Cottom and David Spehar voting Yes and 6 Council Members Voting No. A suggestion was made to have the attorney draft a resolution stating that Dillon is against discrimination in any form.

Next was the Finance Committee and Claims report which was approved. No reports from Health-Fire, Cemetery, or Streets and Al-

ley Committees. Water & Sewer Committee minutes were approved. Chair Bob Cotton asked for a reduction of 20% for the months of July & August for Gerald Jones as he has a water leak but it can't be repaired until irrigation is finished and water is turned off to the ditch. It was approved unanimously. Next was the possible selling of Johnson property. The building is in to bad of shape and would cost too much to fix. After amount determined as minimum bid the committee requested the building be put up for sale. This Council approved with 1 No and 7 Yes.

The Treasurer stated that several unpaid water bills are outstanding and he suggested sending to a collection agency rather than legal action as it would be more effective and less costly. He was advised to proceed with this action.

The meeting was then adjourned.

Letter to the Editor

This may seem politically incorrect to some, but this message I received from my best Vietnam veteran friend really caused me a great deal of anger and disappointment, so I just couldn't let it pass without passing it on.

This is so wrong! Someone MUST find a way to honor General Greene!

Two-star Major General Harold Greene was killed in Afghanistan on August 8, 2014 while serving his country with pride for 34 years. He was the highest ranking officer in the military killed in action since 1972 during the Vietnam War. He was buried August 14 in Arlington National Cemetery. It appears thus far that President Obama has not said one word regarding this highly decorated soldier, yet he spoke highly of Robin Williams who committed suicide.

It also appears that the President, Vice President, Secretary of State or Secretary of Defense – the top leaders of our armed forces - all failed to attend the general's funeral. President Obama was on vacation, playing golf at Martha's Vineyard. No flags were ordered to fly at half-mast, yet they were for Whitney Houston who also committed suicide. I find this very offensive and disrespectful to the veterans who have served our great country. But then again, why does this not surprise me.

I thank God for men like General Greene. May he rest in peace. Well done, faithful soldier!

George Fryett

BEAVERS BLOW PAST POLSON AT HOME

The Dillon Beavers made it all see easy as they took a home victory 47-0 against Polson Friday night.

The Beavers were ahead 33-0 at halftime behind the great talent of many Dillon players. One of those was quarterback J.D. Ferris with had 219 yards and completed 15 of 20 passes. Jason Ferris had 101 yards rushing and a touchdown. Nate Simkins had 127 yards with 7 catches, Justin Ferris had 74 yards on three catches and scored a couple of times. For the defense Payton LaFrentz had in interception and Andrew English and Tyler Van Slyke each picked up a fumble.
