Two Market, Two Market - two Saturdays to go!

Congratulations to all the Farmers' Market sunflower growers! The Dillon Farmers' Market Sunflower contest posted winners among children under age 11 on Saturday, September 13. Alexa LaRocque's giant 16-inch diameter flower head won first prize, ten Sticky Dollars, good for any purchase at the Dillon Farmers' Market. Alexa is six years old, and her great grandfather Ray Giudici helped her claim her prize. Flowers grown by Nathaniel Romkema, age 4, and Kestrel Aiken, age 3 received honorable mention. See photos of the Sunflower Contest and weekly market activities on Facebook at dillon-farmers-market.

Two more Farmers' Markets will be held this summer, on Saturdays September 20 and 27, from 9 am to 1 pm in the Wells Fargo parking lot at 20 North Montana Street. This month the market welcomed new member Hog Wild Barbeque, serving hot food on site. "We usually have at least 20 vendors on site," said market President Catherine Cain. New members are welcome. "We really appreciate our general members, our customers and friends who support the market," said Cain. "We couldn't do it without you!" There is still time to get your bright yellow Farmers' Market shopping bag. For information about the market, contact Catherine at 406-498-6198 or visit the web site dillonfarmersmarket.blogspot.com.

HOSPITAL ADDS NEW SANITIZING SYSTEM FOR INFECTION PREVENTION

Infection prevention in healthcare settings requires a sustained and multi-faceted effort. Barrett Hospital & HealthCare continuously monitors patient care practices for adherence to standards, conducts extensive staff training and uses proven cleaning and disinfection techniques and equipment to ensure safety and reduce the risk of infection to patients.

As a result, the hospital maintains an extremely low incident rate of post-surgical site and medical device-related infections, a measure that is used nationally to evaluate patient safety and quality of care. While patient care practices such as hand hygiene with soap and water or alcohol-based hand rubs are considered to be the most effective way to prevent transmission of infections in the healthcare setting, proper cleaning and disinfection are critical as well.

In addition to traditional cleaning and chemical disinfection techniques, the hospital recently purchased a "Clorox Optimum-UV" sanitizing system that is portable, and uses

ultraviolet light to kill microorganisms like bacteria and viruses by inactivating their DNA. Once a room is cleaned, the unit is placed in that room to release short-wavelength ultraviolet radiation that kills even some of the most dangerous pathogens like MRSA and C. difficile. In order to effectively sanitize a room and avoid shadowing, the unit is moved to change the direction of the light and access additional areas.

The UV device is used as a supplement, not a replacement, to standard cleaning and disinfection protocols. It does not generate any harmful by-products, nor does it leave behind any residual substances. A faint "clean air" smell may be detected in the room after the disinfection cycle. Barrett Hospital & HealthCare is committed to preventing healthcare-associated infections and adding this technology enables the hospital to further eliminate risks to patients.

Gordon Reese Cabin Needs Volunteers to Host

The Forest Service is
looking for winter recreation
enthusiasts to volunteer at the
Gordon Reese Cabin at the
Chief Joseph Cross Country
Ski area this winter.

Volunteers are welcomed
to assist in maintaining this
popular facility through-
out the winter season. Each
Tuesday and Friday reserva-

tions are set-aside for volunteers to help maintain the cabin and
trailhead facilities during the day and stay overnight for free. It
is not necessary for volunteers to stay at the cabin throughout the
day. Volunteers and their guests are encouraged to enjoy and ex-
plore the trails and surrounding area. The Forest Service asks that
you occasionally return to the warming hut to make sure the fire
is going, hot and cold drinking water is available, and the cabin is
clean and comfortable for visitors that are using the trails during
the day.

Duties include: meeting and greeting the public; answering
questions; shoveling snow from the paths that lead to the out-
houses; clearing snow from the deck and doors; keeping the cabin
and outhouses clean; restocking firewood to the main floor, keep-
ing the fire going; and reporting problems to the Wisdom Ranger
District office.

To volunteer at the Gordon Reese Cabin, contact Lori Steven-
son, Mikal Reese or John Ericson at the Wisdom Ranger District
office at (406) 689-3243 beginning Oct. 1, 2014.

The Gordon Reese Cabin is available to the public to rent from
Dec. 1 through Apr. 15. The cabin is used by cross-country skiers
as a warming hut during the day and then available to be rented
for overnight stays. The cabin is located at Chief Joseph Pass off
of Montana State Highway 43, approximately 10 miles south of
Sula, MT and 25 miles west of Wisdom, MT. The cabin can be
reached from the parking area at the Chief Joseph Pass Trailhead
and is an easy one-half mile trek from the parking area; access
to the cabin is by foot, snowshoes, or cross country skis. Chief
Joseph Pass Ski Trails cover over 30 kilometers of trails groomed

weekly by volunteers from the Bitterroot Cross Country Ski Club.

As with other rental cabins, renters are responsible to keep the cabin clean, and pack out everything you pack in. During the day, the cabin is available as a warming hut to cross-country skiers, so renters do not have exclusive use of the facilities and are expected to act in a welcoming manner. The upstairs sleeping area can be closed off to provide limited privacy during the day. Pets are not allowed at the cabin or on the trails.

Reservations are \$9 per day and can be made beginning on October 1, 2014. To reserve your night go online to www.recreation.gov, or call (877) 444-6777. Cancellations are also handled through Recreation.gov. However, due to the popularity of renting the cabin, last minute reservations and cancellations may be filled by contacting the Wisdom Ranger District office at (406) 689-3243.

Barrett Hospital & HealthCare Patient & Family Advisory Council Reports Activities

The Barrett Hospital & HealthCare Patient & Family Advisory Council (PAC) is a group of patients, family members of patients, hospital staff, and administrative leaders who are "collaborating to enhance the patient and family experience". The council is nearing completion of its first year in existence, during which the group was instrumental in assisting the hospital with completing a Community Health Needs Assessment through the Office of Rural Health. The results of the Community Health Needs Assessment and action plan based on the assessment can be found on the hospital website www.barrethospital.org. In addition to this major project, the PAC gave input into location of ultrasound monitors, pre-operative appointment process, walk-in clinic hours, hospital billing processes, and physical plant issues.

Current PAC members include Beth Sullivan, Carol Dickinson, Carol Kennedy, Christina Power, Don Peterson, Gabi Thoreson, Jesse Alberi, Joan Grogan, Lesli Cottom, Marie Smith, Mary Bearden, and Sarah Moreni. Members encourage the public to share their local healthcare experiences with them. Anyone interested in being considered for membership to the PAC or anyone with a comment or question should contact Victoria Tomaryn at 683-3036.
