Ira L. (Ike) Walker, 90

Ira L. (Ike) Walker, 90, died peacefully at his home in Casper, Wyoming, after an extended illness, on September 15, 2014.

Ike was born November 25, 1923, in the family home near Parma, Idaho. When he was about 10 years old they moved to Brownlee, Idaho, where he finished grade school, and graduated high school in Montour, Idaho. He was drafted into the Army in 1943, spent time in Camp Hood, TX, and Fort Riley, Kansas, and was discharged in 1945. In 1950 he met and married Florence Sisler of Emmett, ID, and together they raised three children, John, Lyle, and Sara. He loved his family very much!

In 1962 they moved to Dillon, Montana, and lived there until his medical condition caused them to move to Casper, Wyoming.

Most of his working years were spent with the Forest Service where he did many jobs working on bridges, building roads, operating heavy equipment (which was his passion) and finally working in the shop. Ike always considered himself a "Jack of all Trades" and throughout his life he proved that a positive attitude could accomplish almost anything.

He enjoyed working on the home place, rebuilding antique cars, hunting, and especially his annual fishing trip with his sons. He will be remembered as a loving, caring husband, father, grandfather, and great-grandfather who always had a peppermint in his pocket. He was always there to lend a helping hand to friends and those in need.

He is survived by his wife of 63 years, Florence, and his two sons, John and Lyle (Joyce) of Dillon, and daughter, Sara (Henry) Osborne of Casper Wyoming, five grandchildren and ten great-grandchildren. He is also survived by his brothers Joe and Henry (Mary) of Emmett, Idaho, and sister Vivian (Mervyn) Lowe of Port Angeles, WA, and many nieces and nephews. Ike was preceded in death by his father D. Elmer Walker, his mother Freda Leitritz Walker, a brother Herb, and a sister Louise.

He will be greatly missed by all those who knew and loved him.

passed away Wednesday, September 17, 2014. Flossie was born on May 14, 1922, in San Ardo, California. She was the ninth of 12 children, so she learned to become very self-sufficient. Flossie married Grant Anderson on August 15, 1946.

Flossie embraced being the wife of a rancher and worked alongside her husband for many years. Flossie and Grant worked hard and prided themselves on raising excellent cattle, riding good horses and being great stewards of the land and their ranch. Flossie put her blood, sweat and tears into the land, even working the ranch herself after the passing of her husband.

She also enjoyed working in her yard and having a big garden, sharing her goodies with friends and family. Flossie was known around the country for her delicious pink beans and freshly baked pies.

Grant and Flossie raised two beautiful daughters, Dorothy and Shirley. They taught them a good work ethic and encouraged them to participate in many activities. Flossie was a 4-H member herself and a 4-H leader for many years. She enjoyed hauling her daughters to many horse events, and later in life watching her daughters and granddaughter participate in horse events.

Flossie was very involved in the San Luis Obispo County CowBelles, later known as the CattleWomen. She held various offices in the organization, including president. Flossie was one of the founding members of the CowBelle Trail Ride and was secretary of the event for 32 years. Flossie was honored by her peers as San Luis Obispo County CattleWoman of the Year and CowBelle Mom of the Year.

Flossie is survived by daughter Dorothy Seymour and husband John, of Dillon, Montana, and daughter Shirley Williams and husband Tom, of Idaho Falls, Idaho. She is also survived by granddaughter Tammy Neal and husband

DILLON MIDDLE SCHOOL NEWS

Here's the Dillon Middle School news for the week of September 22nd through the 26th.

The lunch menu for the week is as follows: On Monday we will enjoy tater tot casserole. On Tuesday a beef and bean burrito will be served with refried beans and pasta salad, and on Wednesday, we will have a local beef hamburger on a school made whole wheat bun. Thursday , we will enjoy chili salad with trimmings and corn bread. And on Friday we will have vegetable beef soup with whole wheat bread, peanut butter and honey.

We are in the midst of student body election campaigns. Don't forget to vote next Friday, September 26th for your student council representatives and Friday, October 3rd, for student body president and vice president.

Last week, Mrs. Waldorf's eighth grade class took a trip to Bannack State Park because the students will construct the various buildings of Bannack to scale. The eleven students have decided to build the Meade Hotel, Skinner's Saloon, Roe House, Masonic Lodge, Jails, Chrisman's Store, and the Church. The students went to measure their buildings and get more information about them before they begin construction.

This Thursday, September 25th, after lunch, the garden club will be "putting plants to bed." Come join the garden club after you eat and learn how to prepare your garden for winter.

Congratulations to our top finishers in the Anaconda Cross Country meet. For the girls, it was Madalen Shipman, Ti'el Lochridge, Harleigh Johnson, and Hallie Maisch. Top boy finishers included Tyler Steadman, Daxon Graham, Grant Orme, and Walker Nygren. Great job cross country runners.

BILLINGS CENTRAL WINS THIS TIME

The Dillon Beavers and Billings Central Rams met again like they did in the State Class A championship game. This time the Rams won the match 28-20. These two teams have battle for state title against each other many times.

The teams were tied several times during the night in Billings. The Rams took the lead and Dillon came back with J.D. Ferris going in on a 4-yard run. The Beavers did not have an answer for Holden Ryan who could do most anything he wanted for the night. Jason Ferris scored a touchdown, Nate Simkins ran a short one in for a touchdown. Jason Ferris had 12 carries for a total of 61 yards and J.D. Ferris completed 13 of 24 passes for 174 yards but unfortunately he was intercepted 3 times, he did run 8 times for 52 yards.

Letter to the Editor

DIAMOND ENCRUSTED METEORITE STRIKES DILLON

A 6 inch long, diamond encrusted meteorite struck Dillon at 2:30 AM, Saturday Sept. 9 2014.

Sequoia Smith, the manager of the Snowcrest Apartments, was unable to sleep so she was outside her apartment smoking a cigarette when she noticed the meteor falling through the sky and landing just a few feet from her. She and her sons later went out to see if they could find something there and they found the meteorite and noticed what appeared to be about a 2 carat diamond on the surface. On further investigation there appeared to be several smaller diamonds nearby on the meteorite.

Sequoia was kind enough to let me exam the meteorite and as far as I could tell it had to be a diamond. The meteorite itself appeared to be a carbonaceous schist or shale and a diamond could easily have formed on it during the extremely hot flight through the atmosphere, or perhaps was there prior to entry into the atmosphere. She plans to have Dr. Rob Thomas at Western examine the rock.

Assuming all of the factors around the meteorite to be factual, this has to be one of the rarest phenomenon in the history of the world. Could this perhaps be an omen???

Johannes Soyland, Ph.D.

Pemberton is provost and vice president of academic affairs at Dickenson State University. She received her doctorate of education from Portland State University. She also served as associate dean of the graduate school at Idaho State University.

In addition to the community forums, the interview process includes sessions with Engstrom and the interview committee, as well as meetings with Montana Western faculty, staff and students.

The position was vacated when former chancellor Richard Storey retired this past summer. Roberta Evans, dean of UM's Phyllis J. Washington College of Education and Human Sciences, is serving in an interim position until the new chancellor is named and arrives on campus.

Montana Western is an affiliate institution of the University of Montana.
