ANONYMOUS DEATH THREAT CANCELLED CLASSES AT BCHS

Chief of Police Paul Craft said he will have a full press release today but that will be after we go to press. At this time, this is the information we have: someone made threatening phone calls Monday morning to the school and said they would kill people at the school according to Superintendent Fred Chouinard.

The school was locked down. Students and staff were sent to another location and parents were to go pick students up and check out. Chouinard said they chose to cancel classes for the day and sent students home. Buses ran at 9:30 taking high school students home. The elementary and middle schools continued but students were not let out for recess. If parents wanted, they could pick those students up as well but they were considered safe.

Officer Craft said the Canine Unit of explosive detection dogs from the Helena PD and Montana Highway Patrol along with others came in and made a sweep of the school and it was cleared. Chouinard said in his call to parents that the Police department, Sheriff office, and 3 canine units spent 7 hours going through the school. The FBI will also be involved as the caller's phone number has been obtained and the investigation is continuing. School resumed as usual this morning.

Great Harvest is Raising Dough for Beaverhead Trails Coalition & The Walking Bus

"Dillon's Great Harvest Bread Company will hold its next bakery fundraiser Oct. 1-3 to raise money for Beaverhead Trails Coalition and Walking Bus. All sales from the three-day event will go toward funding the nonprofit organization.

Beaverhead Trails Coalition and Walking Bus promotes and assists in creating a community environment that encourages walking and bicycling in an effort to develop a commitment to healthier living. The organization searches for and develops safe trails throughout the area and trains volunteers to assist children to safely walk to school. To encourage children to walk to school more frequently, the children are awarded prizes and recognition based upon the number of miles they walk.

Beaverhead Trails is hoping to use the proceeds it earns from this fundraiser to expand the number of days that volunteers are available to walk children to school from one to five days per week.

A variety of delicious breads, sandwiches, and treats including Honey Whole Wheat, White, Anadama, Dakota, Cinnamon Chip, Spinach Feta, Cinnamon Raisin, Whole Grain Goodness, Pumpkin Chocolate Chip, and Bacon Cheddar Beer Bread (made with local beer from the Beaverhead Brewing Company). Also on sale will be savory biscuits and all of your favorite sweet treats. Made-to-order sandwiches will be available from 11 a.m. to 2 p.m. including the Baja Chipotle Turkey, Chimichurri Roast Beef, and Veggie Three Seed Hummus sandwich. The sandwich special is the Ham and Brie sandwich.

To celebrate "Fall Back to Apples," the bakery will offer a variety of apple-based goodies like Apple Cinnamon Chip Scones, Caramel Apple Savannah Bars, and Apple Spice Tea Cakes.

The bakery will be open Oct. 1 through 3 from 7 a.m. to 2 p.m. For more information, please visit dillonmt.greatharvestbread.com or www.facebook.com/GreatHarvestUniversity.

Letter to the Editor

As a former Dillon Police Officer and Beaverhead County Sheriff's Deputy I had the unique experience of working with both candidates running for Beaverhead County Sheriff. I have known Frank Kluesner and Jay Hansen since the late 1980's and then during my seven years working with them from 2006 to 2013. Prior to working as a police officer and deputy sheriff in Dillon, I worked in law enforcement as a Security Policeman (Forces) in the United States Air Force on active duty and then in the Air Force reserve in the same capacity. In the Air Force I have been fortunate enough to have been placed in several leadership positions managing the day-to-day law enforcement and security of several Air Force Bases managing 60 to 250 plus personnel. I am also currently a Police Sergeant in a 20 person department responsible for most of the duties of an Assistant Chief of Police as the position was recently vacated. I have worked with both good and bad leaders during the last 20 years and I believe I have become a good judge of what strong leadership looks like.

Jay Hansen has been filling the role of Sheriff for almost 8 years managing 17 full-time personnel. During the time Jay has been sheriff, the department has seen the departure of over 25 personnel. That's a high turn-over and in law enforcement, consistency is critical. At one point while I was at the department, Jay told me he was handling a hostile work environment between two employees by ignoring the situation, not acting, waiting to see how things turned out. Of course that is the exact opposite approach of how any leadership course or common sense would tell you to handle it.

Frank is by far the better leader, mentor and peace officer. Regardless of his title, Frank currently serves as a mentor to all law enforcement officers in Beaverhead County. Frank, when asked, has consistently helped any law enforcement officer with any investigation he or she was working on regardless of who would get credit for the results. This is the kind of leadership the public deserves throughout the department.

I love Beaverhead County, it's where I was raised and where I had the honor of working for you. I implore the residents of Beaverhead County to do their own research and to not feel pressured to continue the status quo. Beaverhead County deserves the best candidate. Frank and Jay have two totally different approaches to working with the public and enforcing the law. Find out who has the qualities you expect in your next sheriff.

Steven Doner, Former Dillon Police Officer and Beaverhead County Sheriff's Deputy - now in Belgrade, Montana

BARRETT HOSPITAL FOUNDATION, SAFEWAY AND ADVENTURE SPORT AND CYCLE TO FUNDRAISE WITH DRAWING FOR POLARIS OUTLAW 50 ATV

Barrett Hospital Foundation, Safeway and Adventure Sport & Cycle will hold a game of chance drawing for a new pink - Polaris Outlaw 50. All proceeds will benefit Barrett Hospital & Health-Care's mammography program, which provides diagnostic imaging and care to women throughout the region.

Each year, the hospital provides digital mammograms to women of Southwestern Montana, and on average as many as 7-10 breast cancers are detected each year.

The Outlaw is a pink ATV, powered by a 50cc motor that is specifically designed for youth. Tickets for the drawing are \$5 each. Tickets are available at the customer service desk and by calling the Barrett Hospital Foundation.

According to Jim Gleason, Executive Director of the Foundation, "Chris & Kim Tomlinson have been very generous to our program, and once again they are donating an ATV to make this fundraiser possible. Employees of Safeway have also been very supportive, and by putting the machine on display at the store, selling tickets and hosting a silent auction - they are very dedicated and we appreciate all they do."

The drawing will take place at 12:00 pm Saturday, November 1st at the Dillon Safeway store, and the winner does not need to be present at the time of the drawing.

For more information, please contact Barrett Hospital Foundation at (406)683-6737

**FISHING TRIP DONATED**

This past Saturday I was honored to take Charlie Bucher, Vietnam veteran, on a fishing trip donated by Anderson & Platt Outfitters for the Patriot's Day Stand Down.

The weather was questionable but Charlie was far too excited to reschedule. It's a good thing we didn't. We had a great day on the Big Hole river, catching lots of fish, discussing how being in the outdoors is great therapy for disabled vets, how our attitudes are the one factor in life which we can control, and just generally enjoying each other's company.

Charlie was joined by his wife, Shirley, who graciously allowed him to do most of the catching.

This trip was made possible by The Women's Resource/Community Support Center, Anderson & Platt Outfitters, Don Kennedy, and Terry Jenner of Project Healing Waters Fly Fishing.

Dear community members,

MONTANA WESTERN RANKS IN NATIONS' TOP 100 COLLEGES

The University of Montana Western recently was ranked in the top 100 colleges in the nation by Education to Career (ETC). ETC is a non-profit organization focused on providing high school students and their parents with tools to make decisions about colleges and future careers.

The ETC college ranking system determines the economic value added by each college within their system. ETC's website defines economic value added as being the improvement in earnings and employability of graduates measured against the cost of education.

Institutions like Montana Western that rank in the top third of the ETC Index have a relatively high percentage of graduates who will be employed in their field of study. A majority of students at these institutions will graduate in 4 or 5 years. In addition, earnings of graduates are relatively high and loan default rates are very low.

"We are very proud of our student success initiatives here at Montana Western, where it's clear these investments have made a huge impact," said UMW Interim Chancellor Roberta Evans. "Faculty members focus on creating personalized, experiential learning through our unique teaching system, Experience One. As a result, students are fully immersed in their studies, guided by world-class professors who know them well and care about their progress. These connections not only ensure academic and personal achievements for students, but they also solidify exactly the kind of mentoring that guides our graduates smoothly into exciting careers."

MEDICARE HELP

Counselors from the Southwest Montana Aging and Disability Services will be available on Tuesday, October 21, 2014, to help Dillon area seniors look over their Medicare coverage. The event will be held at Dillon National Guard Armory, 1070 Hwy. #41 North, from 10:00 a.m. until 3:00 p.m. State Health Insurance Assistance Program counselors will be available to look over your current Medicare Prescription Drug Coverage, Medicare Advantage Plan or to assist with any other Medicare related questions. Those interested in meeting with a counselor are asked to call Southwest Montana Aging and Disability Services at 1-800-551-3191 or 406-782-5555 to make an appointment. We encourage all seniors to take advantage of the Medicare Part D Open Enrollment Period, (Oct. 15- Dec. 7), and review their coverage to make sure that their current Prescription Drug or Medicare Advantage Plan is still the best one for them.

Southwest Montana Aging and Disability Services is a private, non-profit organization that contracts with the State Department of Public Health and Human Services to provide various Older Americans Act Services within a six county service area in Southwest Montana. Among those services is the State Health Insurance Assistance Program which trains counselors to provide unbiased information to seniors regarding their Medicare coverage. This service is provided at no cost to the beneficiary, although donations to the program are appreciated.

We Count each day.

We just celebrated our 25th wedding anniversary, a milestone I wasn't sure we would make after Glenn was diagnosed with prostate cancer. I was scared, depressed and completely alone. Thankfully, we discovered the wonderful services provided by Cancer Support Community. Their support and encouragement allowed us to once again enjoy each day—and each other.

Caregiver Support Group is offered the 1st Thursday of each month, 12:00-1:00pm at Barrett Hospital & HealthCare. Available free of charge to caregivers of people diagnosed with cancer.

To participate and find out more, give us a call at 582-1600 or visit online www.cancersupportmontana.org
