Juanita Browne

Juanita Browne of Deer Lodge passed away on Thursday, August 21, 2014. She was born October 5, 1933 and spent most of her childhood in Twin Bridges and Dillon. Orphaned as an infant, but adopted by Jim and Vivian Womack at the age of 15, they would forever be her mom and dad!

After graduating from Beaverhead County High School, Dillon, she went on to Western Montana College in Dillon and earned her Associate of Teaching degree. One

of her first teaching positions brought her to Ringling, a small railroad community in central Montana.

It was in Ringling where she met the love of her life, Bill Browne. They were married May 24, 1957. In August of 1958 their first son, Don, was born. Those first few years they moved around with Bill as his job with the Milwaukee Railroad required him to travel. The small family lived in a little box car converted into a house.

As the family grew with two more boys, Dale and Dan (Boone), they decided it was time to settle down. They planted their roots in Deer Lodge. Juanita did some school teaching and took care of the boys. She was a talented artist and seamstress, and later in life, after the boys had grown, she worked doing alterations, painting and drawing.

She loved the Lord and St. John's Lutheran Church in Deer Lodge, her and Bill were active members, she loved the congregation and taking part in the church activities.

Juanita was blessed with five grandchildren and she was proud of them and their accomplishments; she always wanted to know how they were doing in school/college. Juanita will be dearly missed, but we know our Savior wrapped his arms around her and she was very happily reunited with Bill and Don.

Juanita was preceded in death by her husband, Bill, who passed away in 2010; son, Don, daughter-in-law, Gretchen, and her adopted father, Jim Womack.

She is survived by her sons, Dale, and Dan (Kim) of Salmon, Idaho; grandchildren, Cody, Tanner, Emily, Dan, and David and her adoptive mother, Vivian Womack of Dillon.

At Juanita's request she was cremated and no services are planned.

Memorial donations may be made to St. John's Lutheran Church in Deer Lodge.

PRESS RELEASE

On 09/29/14 The Dillon Police Department was contacted by Beaverhead County High School and notified of an anonymous threat to the school. The school administration took immediate and impressive action by implementing their emergency protocol. The school was quickly evacuated as law enforcement arrived. As a precaution, law enforcement advised other schools of the threat and their emergency plan was activated. While at the scene, Beaverhead County dispatch advised officers they received a second anonymous threat involving the high school.

The high school was locked down and a quick search was performed by officers, deputies, and school officials. The Montana Highway Patrol and Helena Police Department were contacted by the Sheriff requesting assistance with a bomb sniffing K9. The Bureau of Land Management, Dillon Field Office also assisted with their K9 unit. All buildings on the high school campus were thoroughly searched by Officers, Deputies, Rangers, and the K9 units. No threat was found.

The Dillon Police Department in cooperation with the Beaverhead County Sheriff's Office is conducting a thorough investigation to locate the perpetrator. It appears the perpetrator may have used a fictitious number which was computer generated to make the call. These types of investigations are complicated, and time consuming. We ask for your patience as we do everything we can to locate and prosecute the individual or individuals responsible.

In an age when terrorism and domestic threats are prevalent, we all need to be vigilant even when the threats are believed to be false. These actions are no longer purely harmless, they are designed to strike fear in to people and they interrupt valuable resources. We ask anyone who may have information about this incident to contact law enforcement.

Once again, the cooperation between the Dillon Police, Sheriff's Department, School District, and outside law enforcement agencies was crucial in attaining an immediate and effective response. Our main concern is the safety of our children; the cooperation between all agencies was evident in this situation.

Letter to the Editor

OOPS

So, Obama has now admitted that they (HE) miscalculated and now we have to send ground troops to the Middle East.

The last guy to do that was Neville Chamberlain, Prime Minister of England, in about 1939, when he came back from Berlin waving a paper and saying "Peace in our time". When Hitler invaded Poland a few weeks later Chamberlain was fired.

Why do we have to wait 2 more years to get rid of Obama? Can we afford to wait that long?

Twenty Years Ago... The Day Dillon Kiwanis Changed Forever... By Chuck Dishno

The date was September 30, 1994.

I had been a Kiwanian for about 12 years when we moved from Fresno, CA to Dillon and transferred my membership to the Kiwanis Club of Dillon.

Kiwanis had been a big part of my life for the past 12 years as I believed in all that Kiwanis stood for including Young Children Priority one, High School Key Club and Circle "K" at the college level. In the Kiwanis fiscal years 1992/93 I threw my hat in the ring and ran for Lt. Governor of Division 5, Montana District of Kiwanis

International.

In my first 12 years I had never held an office but always had the desire to move up in the chairs. Division 5 was comprised of 8 clubs. The Dillon Club was made up of all men, even though Kiwanis International had allowed women to join the organization about 8 years earlier.

One of the coveted awards of being a Lt. Governor is to be named Distinguished. This is no easy task as there are a lot of criteria that must be filled. One of them is to have positive growth in your division.

As my year was coming to end on September 30th I found that through the normal attrition some of my 8 clubs had added a few new members but others had dropped a few and we were at the same number we started with on October 1. In order to get my Distinguished award I had to add one new member by midnight on September 30th.

Roz to the rescue! I asked Roz if she would consider joining the Dillon Kiwanis Club. She said, "Well, I might as well, I have helped on so many projects over the past 15 or so years I might as well be an official Kiwanian."

At the next meeting, I proposed membership to my club and Roz was enthusiastically accepted. The only hurdle was to convince Ken Kolski, a confirmed bachelor. When I asked Ken, he said that Roz had fixed him so many Chinese dinners, how could he not welcome her into the Dillon club.

The next day, I faxed in my membership list and thanks to my beautiful China Doll, Division 3 showed a net gain of one member and I was named Distinguished Lt. Governor. I used this as a springboard and the next year I ran for Governor where I also received Distinguished status.

Roz has been a great asset to Kiwanis over the past 20 years and made a great First Lady, creating the Baby K Trauma Doll project for the Montana District.

Thank you, Rosalind, for stepping up to the plate when you were asked and making us all proud. You opened the door for many more women to join our club and making us look a lot better not to mention smell better.
