Montana. He was born in Salt Lake City, Utah on November 9th, 1973 to Helen Sorel and David A. Gleason.

David is survived by three loving brothers; James (Karen) Stuart, Jake (Dannette) Miller, and Timothy (Sandy) Gleason, and two sisters; Shari and Andrea, his best friend, Kayla Loader, and 8 nieces and two nephews.

He was preceded in death by his grandparents; Ray and Audrey Gleason and Helen and Pat Wright, his beloved nephew Patrick Gleason and his stepdad; Ernie Sorel.

David was a very talented cook for 18 years. He cooked at the Banque Club in Hamilton, the Grasshopper Inn in Polaris and the Klondike in Dillon. During his days off he enjoyed spending his time with his mom in Bannack at their "peaceful" place. David loved golf, movies, music and people. He was a gentle soul that touched so many people who will never forget him. His love for animals was great, especially his cat, Mittens that he spent 18 years loving.

Memorial contributions may be made to Barrett Home Health and Hospice or a charity of your choice. David's final arrangements are being taken care of by Julie and Ron at Brundage Funeral Home.

A memorial will be held in the spring for all who loved David. His ashes will be placed with his cat, Mittens in Bannack. A guestbook is available online at www.brundagefuneralhome.com.

store the American precept that each individual is accountable for his actions". Ronald Reagan

Is the public getting the wool pulled over their eyes by lawyers mudding the waters? You decide.

Question: What is the real truth behind the recall petitions being rejected when the petitioners followed the laws and hundreds of dissatisfied voters signed?

Question: Why are the council members being touted as acting in the best interest of the taxpayers by not following the laws?

Question: Why have the council members not spoke publically on their own behalf, explaining the alleged injustice done to them by the petitions?

Question: Is the statements made in Mr. Fitch's response to the recall petitions moot? Did they or did they not (council members) break the law they took an oath to follow? When is it ok to break the law and when is it not ok?

Question: Did the response filed in the court address the actual happenings that caused the people to raise up and do a recall?

NOTE: The recall is not a prosecutorial issue. The embezzlement of money would be a prosecutorial issue.
The Issue is: laws have been broken by elected officials that take an oath to follow Federal & State Constitutions. It now is up to the people to decide if they want those officials to remain in the capacity they now serve in. *The people have decided by signing a petition showing clearly they do not want those named on the recall petitions to continue serving. Ms. Scott via the advice from County Attorney Mr. Fitch has taken away the right of the people to decide.*

There are people who would like to silence everybody and have everybody go along to get along, but that's not going to be very helpful for us in the long run. Thanks to the petitioners for taking a stand for freedom.

7th and 8th grade.

The goal of the Beaverhead DUI County Task Force is to reduce impaired driving as well as the number of alcohol and drug-related motor vehicle crashes, injuries and deaths in Beaverhead County. Our volunteers plan and coordinate prevention strategies, compliance, enforcement, evaluation and community involvement. This contest is being offered in hopes of raising the awareness of alcohol related issues in our communities.

'Above the Influence' is a government based National Anti-Drug media campaign that is student based and focuses on choices, education and facts. ('Above the Influence' is about rising above the influence of things that strip the joy from your life). This includes high risk behaviors such as alcohol, drug and tobacco use. The intent of this poster contest campaign is to give our kids tools to deal with peer pressure, stress, bullying, negativity, and issues that children face in today's world.

A poster contest will be sponsored by the DUI Task Force targeting student's grades 6-8 throughout the county. Interested students are being asked to produce a poster outlining the negative effects of underage drinking using information found on the website http://abovetheinfluence.com. One poster from each grade will be chosen by a panel of judges and prizes will be offered to the winning participants. The posters will be used to advertise the negative effects of underage drinking countywide. This contest will be used to launch the week long DUI Task Force awareness week in the fall of 2014.

The rules for creating a poster to be considered for the contest are as follows:

- Private, public or homeschooled children that are in grades 6th, 7th or 8th are eligible to participate.
- Students are asked to create a 24x36 inch poster using any medium they choose to create a poster that outlines the facts about alcohol use.

• Contest winners will be notified during the DUI Task Force awareness week at the end of October, 2014.
• Posters will become property of the Beaverhead County DUI Task Force and displayed throughout the county.

The goal of this contest is to encourage all students to value healthy lifestyles and think about the consequences of alcohol, tobacco and other drug use. This competition is intended to reinforce positive choices among our youth through education and facts.

The University of Montana Western volleyball team travels to Montana Tech. and Lewis-Clark State College for conference games this week.

On Thursday evening the UMW volleyball team will take on Montana Tech. at 7 pm in Butte. The Bulldogs are coming off last weeks' home stand where they dropped two matches versus Great Falls and Montana State-Northern. Montana Western is currently 0-5 in conference play and 4-10 overall. They look to get on track versus the Ore Diggers of Montana Tech who are currently 2-3 in conference play and 7-10 overall.

Montana Western is led by seniors Kendra Mendicino, Emily Erickson, and Paige Latimer. Mendicino leads the team with 18 aces this year and 219 digs over the course of the season thus far. Emily Erickson leads the team in kills with a season total of 153 and fellow senior Breanne Kelley is second with 126. Senior Paige Latimer leads the team and the conference with 485 assists and junior Brea Mitchell has 29 blocks on the season to lead the team.

On Saturday the Bulldogs opponent is Lewis-Clark State College. LCSC is currently 3-2 in Frontier Conference play and 8-7 overall. The Warriors lost both matches last week versus Rocky Mountain College, 0-3, and then dropped a close match versus Carroll 2-3. Both matches were on the road.

Thursday's match is scheduled to begin at 7 pm with Saturday's match beginning at 2 pm.

a personnel situation in the Sheriffs Office.. In fact, I did handle the situation he described with the individuals, and it was resolved in a timely manner. I did not share how I handled the situation because a leader does not discuss personnel issues with others. The letter also states my department has high turn over, which is misleading and inaccurate. I am happy to report that I hire excellent workers in all aspects of the office. Many have moved on to higher paying careers, or moved to other areas because of financial and personal gain. Detention officers have become city police officers, dispatchers have gone on to become highway patrol officers, and college student employees have graduated and moved on. I am proud I have hired quality people that make moves which benefit them in their future, and enjoy seeing their progress. As a leader, and a 30 year law enforcement officer, and particularly as Sheriff, a person may you will make decisions that will not please everyone.

I am running a very positive campaign and will continue to do so, even if individuals attempt to steer it in a different direction.

Sincerely,

Sheriff Jay Hansen

HUNTERS: IT'S YOUR RESPONSIBILITY TO KNOW THE RULES!

Montana Fish, Wildlife and Parks would like to remind hunters of the importance of reading and understanding current hunting regulations.

FWP considers and implements changes to hunting seasons for most species every two years. And while Region 3 did not see widespread change during the last season setting process, there are certainly important updates which hunters should be aware of related to deer, elk, antelope and wolves before heading out the door this year.

Regulations come in printed form and can also be downloaded from our website here: http://fwp.mt.gov/hunting/regulations/. Remember, it is the hunter's responsibility to know the hunting regulations. Ignorance of rules is not an excuse for violating them. If you have any questions or would like some clarification regarding the regulations, please call (406) 994-4042 or visit fwp.mt.gov.
