Carol Stephenson English, 85

Carol Stephenson English of Dillon, Montana passed away peacefully at the age of 85 surrounded by family on September 30, 2014.

Carol was the love and light of her family. She lived a life filled with grace, kindness, faith and joy and was a shining example that living is loving. She was born February 12, 1929 in Benge,

Washington to William and Bertha Stephenson. She grew up during the depression era with her siblings Merna and Marvin in the wheat lands of eastern Washington. The hard work and challenging times that shaped her life there helped make her a blessing to the many lives she touched. Her family later moved to Portland, Oregon, where she graduated from high school. Carol went on to attend Pacific University in Forest Grove, Oregon where she was a journalism major. It was there that she met the love of her life, Robert English, a naval reservist attending optometry college on the GI Bill. They married on November 24, 1948 just a few months before her 20th birthday. While in Forest Grove she worked as the society editor for the Forest Grove News-Times.

After a year in Sidney, Montana, Carol and Bob moved to Dillon in 1953 and took over an optometry practice. In Dillon they raised seven children and served the community and their beloved St. James Episcopal Church. Over the past 60 years, Carol was active in many organizations including Eastern Star, Rainbow Girls, Girl Scouts, Cub Scouts, Barrett Memorial Hospital Auxiliary, bridge clubs (one for 49 years) and the American Optometric and Montana Optometric Auxiliaries. She was a past president of Montana State PEO, serving in 1991-92, and a near 50 year member of PEO Chapter AD in Dillon. Her PEO sisters were near and dear to her heart. She was the Dillon Jaycee Auxiliary's Outstanding Woman of the Year in 1991. In addition she was an accomplished seamstress, loved to cook for her family and friends, and worked as bookkeeper for her husband's practice. In 1990 Bob lost his battle with cancer. She continued with courage, unselfishness, and great strength despite a debilitating car accident in 1994 where she nearly lost her life. God gave her the gift of an incredible memory and she became the family's treasured historian. She was blessed to share many special friendships throughout her lifetime (including the multiple honorary aunts and uncles to her children).

She is survived by her children- Susan (Scott Dahmer), Michael (Natalie), Christina, John, Miriam (Mike Walters), and Stephen; her grandchildren- Erik Dahmer (Brea Schwartz), Lauren (Jake Parks), Ross Dahmer, Sarah Jakkola, Katie (Robert Eisenstein), Rachel (Cody Hankinson), Michael

The Renaissance Program at Beaverhead County High School is designed to recognize and reward student academic achievement and improvement. As part of the program, students receive a reward/incentive packet in recognition of their academic performance at the end of each grading term. There are four levels of excellence within the program. Platinum level is for students who achieve a 4.0 GPA or an improvement of 1.0 GPA; Gold for students earning a GPA of 3.5-3.99 or an improvement of .75 GPA; Silver for students earning a GPA of 3.0-3.49 or an improvement of .50 GPA; and Bronze for students earning a GPA of 2.5-2.9 GPA.

BCHS is looking to get individuals and the business community involved in the program. Those who choose to participate can do so by offering their financial assistance or by offering coupons for free or discounted items. In addition to community based rewards/incentives, BCHS also gives student perks. BCHS rewards include get out of tardy passes, the chance to redo an assignment, Accelerated Reader points, and treats from the concession stand at sporting events. Supporters last year included Pioneer Federal Savings & Loan, Stageline Pizza, the University of Montana Western Campus Bookstore, Subway, Dillon Video, the Southwestern Montana Family YMCA, & Big Sky Cinema.

Our feeling is that this program is a very positive and proactive approach to encourage students to get the most out of their education, and recognize them for their effort! We hope many in the community consider supporting this endeavor. If you have any questions, or would like to visit more about the Renaissance Program, please contact Chris Kloker at any time. He can be reached at 406-683-4411 or via email at ckloker@bchsmt.com.**BITTERROOT TRADING POST****J.D. PAPE**

A Beautiful Day to Beautify Dillon

Members of the Dillon Tree Board and Beaverhead County employees plan to continue their goal to enhance and beautify the entrances to Dillon with the installation of boulevard pavers at the county courthouse on Monday, October 13th.

The project is a continuation of beautification efforts along Atlantic Street, where over 20 new trees have been planted. All the trees have been professionally pruned, and several boulevards in front of businesses and residences have received decorative pavers through volunteer efforts.

Volunteers are needed! Bring a pair of gloves; jump in and help lay pavers at the Beaverhead County Courthouse, 2 South Pacific Street, at 9:00 a.m. on Monday, October 13th.

The mission of the Dillon Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

For additional information, call 406-683-6805 or visit the Dillon Tree Board website at www.dillontrees.org.

UMW SIGNS THREE SPIKERS TO CLASS OF 2015

University of Montana Western head volleyball coach Lisa Griffiths has announced the signing of three high school seniors to letters of intent for fall the of 2015.

Coach Griffiths has announced the signing of two Montanans and one player from California. The players are Huntley, Mont., native Cady Siemion, Hamilton native Kelsey Irwin and Trabuco Canyon, Calif., native Sierra Cahill.

Cady Siemion is a middle hitter joining the Bulldogs after her senior year at Huntley Project. She has played volleyball for four years. She has helped lead her team to three state championships and has been selected to the all-state all-tournament team twice. She has been a two time all-conference selection and will finish in the top 10 for kills, blocks, aces, and top 11 in digs.

"Cady is the type of player that everyone wants to play with and watch," said Coach Griffiths of Siemion. Cady has participated in basketball for four years and track for two years while attending Huntley Project. She is the daughter of Chad and Tracy Siemion. She plans to study Biology while attending Montana Western.

Kelsey Irwin is an outside hitter who is finishing her career at Corvallis High School. Irwin helped lead the Blue Devils to the 2013 Class A volleyball state championship and has been a first team all-conference and second team all-conference selection during her career.

"Kelsey is an explosive outside hitter who has had a great high school career already," said Griffiths. Kelsey is the daughter of Todd and Jackie Irwin. She plans to study health and human performance while attending Montana Western.

Sierra Cahill is a setter from Mission Viejo High School in Calif. She has been a member of the Diablo varsity volleyball team since 2012. Throughout her career she has been voted the team MVP and the Spirit of the Diablo award. Cahill has received the academic athlete award all four years of her high school career.

"Sierra is the type of setter we need to step in and compete immediately with the graduation of Paige," said Griffiths. She has a smooth playing style and a high volleyball IQ which will help her transition to the college game quickly."

Cahill has been on the Principal's Honor Roll all four years and has received the Diablo Excellence Award-Chemistry while attending Mission Viejo High School.

"I chose UMW because I love the location, the Experience One program, and the unique atmosphere of the school," said Sierra of her decision. "After getting a chance to practice with the team, I had no difficulty in deciding that UMW is where I wanted to be." She is the daughter of Dan and Ellyn Cahill. She plans to study biology and natural horsemanship while attending Montana Western.

"I am thrilled with the three girls we have signed so far," said Coach Griffiths of her newest Bulldogs. "They are all talented and prepared to compete right away with the returners we already have. They will fit in well and are going to be a blast to have in the gym."

DOMESTIC VIOLENCE AWARENESS MONTH

In October of 1987, the first ever Domestic Violence Awareness month was observed and it has been growing ever since. The recent issues of abuse perpetrated by professional athletes has once again brought this issue to the forefront of public awareness. Physical, psychological and/or emotional abuse are not simply shameful, they are unacceptable behaviors. Speak up, Speak out and let's end this. Locally, the Women's Resource/Community Support Center will be sponsoring several awareness events this month.

- We will be displaying Silent Witness Silhouettes throughout Dillon during the week of 10/20/14 to highlight women and children whose lives were ended due to domestic violence in the state of Montana.

- A Candlelight Ceremony and Remembrance Night for those who have been lost to domestic violence will take place on 10/27/14.
- More details will follow in the upcoming weeks.
- National Domestic Violence Hotline: 1-800-799-SAFE (7233)
- Women's Resource Center/Community Support Center 24-hr. Crisis Hotline: 1-800-253-9811
- Additionally, the Women's Resource Center/Community Support Center is hosting the free Smart Start Salary Negotiation Workshop, which will take place Oct. 20, 21, 22. Please go to our website, www.cscfswmt.org, our Facebook page, or give us a call at 683-6106 for more information or to register!

Please take the time to vote!

As a candidate, I take the responsibility of being a county commissioner seriously. It's a job that requires more than an 8 to 5, five days a week mentality. It's a position where you push yourself to be better than the day before. A commissioner should strive to know everything about good government with an obligation to see the future and anticipate the challenges ahead.

I believe government improves when people with fresh ideas and a passion to serve are elected. People looking for ways to improve and make things better is what government needs more of. People who will stand up for the right things even under pressure to do otherwise can be proud of themselves.

One example I can give of myself is when I bid the first Dillon water improvement project in 1995; I found several mistakes in the blue prints and called it to the attention of the architect and electrical engineer. I was told to bid and do the job as is and the mistakes would be taken care of with change orders costing the city of Dillon more money. Well I didn't do it that way and with threats to expose what was happening got mistakes fixed before construction was completed. We took pride in knowing Dillon was saved thousands of dollars in construction and reengineering fees. My company didn't make the extra money we could have, but we did what was right. Dillon got a better job and we didn't let the water users pay for the mistakes of others.
