Dee Duane Smith

Dee Duane Smith died on October 5, 2014 surrounded by his family at his home in Argenta, Montana. He was the son of Margaret Bernice Cummings and Jack L. Smith; he was born in Columbus Montana on March 13, 1944. Dee was the youngest of 13 children and his family moved to Argenta when he was five years old. Dee joined the Army in 1962 and served his country until 1975. Dee met the love of his life in August of 1969. They decided they were soul mates and they wanted to spend the rest of their lives with one another. Jean Marie West and Dee Duane Smith were married on November 20, 1969. In 1970-1971 Dee fought in the Vietnam War. It was during this time that Jean found out that she was pregnant. Jean gave birth to twins on February 22, 1971. Although Dee was not, there for the birth of his twins he was extremely happy when he received the news of the birth of his sons Billy Ray Smith and Steven Ray Smith. Dee was finally reunited with his family when the twins were six months old. On September 27, 1973, Jean gave birth to the baby of the family Rodney Smith. November 18, 1986 was one of the happiest days of Dee's life. This is when he adopted his son Clifford Smith.

Dee enjoyed spending time with family. He was a very family oriented man and loved spending time with them. He enjoyed teaching all five of his boys how to hunt and navigate themselves around the mountain. Dee knew the Beaverhead National Forest better than most. After all, it was his back yard when he was growing up. Dee loved being in the great outdoors. He was an avid angler, hunter, and loved going camping with his family. Dee had a special quality about him that was unique. He cared about everyone that entered into his life. Dee loved all of his boys, wife, and his grandchildren. He even showed unique ways of showing his daughter-in-laws that he cared. Dee had a green thumb and could keep any plant alive. He loved his plants and decorating his yard with flowers, ponds and other yard decorations.

Dee is survived by his wife Jean Smith, Sons Jim West, Cliff Smith (Anita), Bill Smith (Jennifer), Steve Smith (Angie), and Rod Smith (Samantha), 16 grandchildren, and 5 great grandchildren. He is also survived by four brothers and four sisters numerous cousins, nieces, and nephews. Dee was proceeded in death by his mother Margaret Bernice Cummings and father Jack L. Smith and four siblings.

The family would like to give special Thanks to Barrett Hospital, Hospice, Dr. McIntire, Dr. Weed, and Doctor Moore for all the great care they give to Dee in his time of need.

A celebration of life will take place at the Vineyard 310 East Center Street in Dillon Montana on Saturday October 11, 2014 at 2 PM. There will be a potluck gathering at 2:00 pm and everyone is asked to bring a side dish or dessert. A guest-book is available online at www.brundagefuneralhome.com

National Forest Surveys Coming Your Way!!

Dillon, Mont., Sept. 30, 2014— You may soon be asked about your visit to the forest. The Beaverhead-Deerlodge NF is beginning a yearlong study of recreation use on the Forest. Employees conducting the survey will be wearing bright orange vests near a sign that says "Traffic Survey Ahead." These folks are waiting to talk to you, so please pull over for an interview. Employees want to know about your visit to the National Forest. All information you give is confidential and the survey is voluntary.

This survey is conducted every five years on every National Forest in the country. Data collected provides National Forest managers with an estimate of how many people recreate on federal lands and what activities they engage in while there. Other important information gathered includes how satisfied people were with their visit and the facilities, as well as the economic impact of recreation visits on the local economy.

This recreation visitor use survey gathers basic visitor information. All responses are confidential, and no names are recorded. The interview lasts about eight minutes. Every other visitor is asked a few additional questions which may take an additional five minutes. The questions visitors are asked include: where they recreated on the Forest, how many people they traveled with, how long they were on the Forest, what other recreation sites they visited while on the Forest, and how satisfied they were with the facilities and services provided. About a third of the visitors will be asked to complete a confidential survey on recreation spending during their trip.

Although the survey is entirely voluntary, participation is appreciated. Including local residents that use the forest is important to assure that all types of visitors are represented in the survey. If you have any questions about this program visit our web site at www.fs.fed.us/recreation/programs/nvum or call your local Forest Service office.

SANDI EBY'S ADVENTURE CONTINUES

There will be a fund-raiser on 11/15/14 at the Elks for Sandi Eby. We thought it might be educating for people to know about MS, how it affected Sandi, and why and what she is doing when she goes to India for treatment on January 15, 2015.

#2 I had an aggressive form of the disease. When I was diagnosed in January of 1984 I was told most people DO NOT end up in a wheelchair and at that time the only treatment was a "cancer treatment" which they only used in life/death situations. But by the end of the summer of '84 I was totally paralyzed below my waist. my neurologist twice called me to come in for the life/death treatment. well, I was 25 and didn't want to lose my hair so I declined and prayed instead.

THANK YOU

Thank you to the community of Dillon, Barrett Hospital, staff and Ron & Anna Loge for all the support, meals and flowers during this hard time.

Logging Begins Near Philipsburg

Dillon, Mont., Oct. 6, 2014 – The Pintler Ranger District is advising travelers in the Douglas Creek Road area that log removal from the "Douglas Creek RHR Salvage" project will begin northeast of Philipsburg on Forest Service roads #707 and #5153. Travelers to this area are advised to drive cautiously and to expect short delays as there will be log truck traffic and machinery traveling these roads through Dec. 2014.

For additional information contact the Pintler Ranger District in Philipsburg at (406) 859-3211.

Work on Lost Creek Trail Pauses for the Season

Philipsburg, Mont., Aug. 26, 2014 —Construction has concluded for the season on the Lost Creek Trail No. 8133 located at the north end of the Lost Creek State Park near Anaconda. Work on this trail began in June with a contract crew from Scott's Fire Service, comprised of Anaconda, Dillon, and Helena area school teachers. Over the summer, two bridges were replaced and portions of the seven mile trail were reconstructed.

Once completed, this trail will provide a continuous hike or ride from the Lost Creek Campground to the Foster Creek Trailhead. Hikers, mountain bikers, and horse riders can then continue on to make a loop back behind the Anaconda Job Corps, or go for a longer day up the Foster Creek Trail. The crew has returned to their respective schools for the school year and will return in June of 2015 to resume reconstruction and reconditioning of this popular trail. For more information contact the Pinter Ranger District at (406) 859-3211.
