Harry Armstrong, 93

Harry Armstrong, 93 of Dillon, died October 10, 2014 at Kindred Parkview Rehabilitation Center. Harry was born June 19, 1921 in Jefferson Island, Montana to Charlie and Lucy (Rahmig) Armstrong. He attended grade school in Cardwell and graduated from Whitehall High School.

Harry joined the Marines in 1942, and served in the Pacific Theater during World War II. He served as the senior NCO of a mortar squad. During the battle at Guadalcanal, he was stricken with malaria so severely,

that he was evacuated to the hospital in Pearl Harbor, HI.

He married Peggy Patrick on December 5, 1946 and they raised 3 children. They lived in various places but most of their time was in Sheridan, Montana. Harry had many trades which included part ownership of the Standard Station and Texaco Station, mechanic at Halse Motors, and worked as a self-employed carpenter. He was also an accomplished finish carpenter and drove bus for the Sheridan School. He could fabricate most anything to complete a project. Harry enjoyed building cabinets and furniture for his family and others. He was an avid outdoorsman. He enjoyed hunting, fishing and camping. Camping with family and friends was one of his favorite pastimes. Harry was a continuous member of Post 89 American Legion for 45 years, a volunteer fireman and a Mason. Harry was always quick to offer a helping hand when ever and where ever needed. He enjoyed a great sense of humor, was a perfectionist, was a loyal veteran; and was never afraid to stand up and speak for what he thought was right.

He was preceded in death by his parents, sister Neva Endicott, brothers Carl, Charles and Frank, and great granddaughter Riley Grace Armstrong. He is survived by his wife Peggy, son David (Janet) Armstrong, daughters Bonnie (John) Snelders, Diane Armstrong, grandchildren Brian (Julie) Armstrong, Jason (Shanda) Armstrong, Krista Ratterree, and 6 great grandchildren.

A special thanks to Dr. Ron Loge, the staff of Renaissance and the staff of the Kindred Parkview Rehabilitation Center for their kind and constant care. He will be remembered for being a good friend, neighbor and family man. He brought a smile to many.

Services will be held at the Cardwell Community Church at 1:00 pm on Monday, October 27, 2014. Interment will be at the South Boulder Cemetery. Memorials can be made to the Wounded Warrior Project, Relay for Life or the charity of your choice.

In doubt about giving blood? You could be eligible. Some health concerns are not an issue when donating

Think you're not a good candidate for blood donation? Think again. Sometimes, people with high blood pressure and diabetes suspect they are not eligible to give blood. Many cancer survivors also believe they will be deferred because of their previous illness.

"But that's not always the case," said Debra Deininger, communications manager, in the Western Division of the American Red Cross. "We're working to dispel myths and to educate people about who can give blood and when."

In the United States, about 38 percent of the population is eligible to donate blood. The most common reason someone might not be able to give on any given day is low hemoglobin. Red Cross officials say that measure of iron in red blood cells can often be improved by eating more iron-rich foods or by talking to your doctor about taking iron supplements.

"The good thing is that most deferrals are for short periods of time," said Deininger. "Most of the time, people can monitor and address the cause, and then come back to give blood again."

Donors with high blood pressure, for instance, can give blood as long as their condition is controlled. And diabetics can give if their blood sugar is controlled with diet, oral medication or with most insulins. Some cancer survivors can also donate. Donors with a history of nonhematologic cancer must be cancer-free for one year, have completed all their treatments, and meet all other eligibility criteria.

"We encourage anyone who is in good general health to consider giving blood," said Deininger. "If you like to help people, the Red Cross is the place to be, and has the right volunteer opportunity just for you."

Letter to the Editor

It is amazing to watch the many million dollar campaign ads
of Steve Daines

Mr. Daines has promised he will create new jobs. He has
shown since he has been in Congress he doesn't want to or know
how to create new jobs. This is how Mr. Daines created new
jobs for America. He voted to shut down the government and
put 800,000 federal workers and 400,000 civilian workers out of
jobs. Mr. Daines voted to close all 400 National Parks and
Monuments which resulted in millions of dollars being lost to
local business, motels, restaurants and gas stations. Then to top
things off it cost an extra \$24 billion dollars of tax payers
money to put everything back in order

The State of Montana raised the minimum wage from \$7.24
per hour to \$7.90 an hour. Of course Mr. Daines voted against
this. He said it will hurt business. But Mr. Daines receives a
salary of \$174,000 dollars for a part time job. Mr. Daines had
239 days off in 2013 and for this year only worked 113 days.
He had all of August off and no work on weekends, no work on
holidays but he is sure paying \$7.90 an hour is too much money.

Mr. Daines is just what the super rich need while the middle
class and the working poor get swept under the rug. And yes,
the middle class and the working poor had to pay for the rug.

Annual Library Book Sale Scheduled Donations and Volunteer Help Needed!

Calling all book lovers! The Dillon Public Library has scheduled its annual Book Sale for Friday, October 17 through Thursday, October 23. For the second year in a row, Jackie Taylor and Dick Roberts have generously provided the use of the old IGA store in support of the Library and its main money making event of the year. This sale will have something to interest almost anyone and will include a large selection of vintage books, popular fiction, nonfiction, videos, and DVDs that may be purchased far below their retail value.

The Library is in need of volunteers on Thursday, October 16th to help move tables and books and set up the sale. Volunteers with pick-ups are especially welcome! We can also use volunteers during the sale and to help with clean-up at the end of the sale. A sign-up sheet for volunteers is available at the Circulation desk of the Library. Please help us out with this vital project! Many hands make light work, & without volunteers, the Library cannot hold these book sales.

If you have books to donate, please feel free to drop them by the Library in anticipation of this sale. A good fall cleaning of your old, stale book shelves will benefit both you and the Library. It's ing winter! Prices for the books gradually decline throughout the week. The last day of the sale - Thursday, October 23rd - is "Buck a Bag" day, when for one mere, thin dollar a whole BAG of books may be purchased.

Volunteers and customers will be able to vote on how they would like to see money from this sale used at the Library. Please consider joining in this fun, community event to benefit the Dillon Public Library - as a customer, as a helper, as a lover of books and libraries! Hope to see you there!

INTERNATIONAL CREDIT UNION DAY

High Peaks Federal Credit Union and it's branches in Sheridan and Whitehall are celebrating International Credit Union day Oct. 16th. Stop by and seem them at High Peaks Federal Credit Union!

Letter to the Editor

On April 8, 2013 the Town of Lima Council voted to cancel the Resident Deputy Agreement with the Beaverhead County Sheriff's Department and discontinue payment of the deputy bonus. The reasons being were the deputy did not reside in Lima, the deputy attended three out of the 18 past Council meetings, the Town Ordinances were not enforced consistently or at all and the lack of law enforcement presence in Lima and outlying areas. This was the first time since the 1970's that there was no agreement in place. The Sheriff was informed of this decision by mail the following day.

Although we do not have an agreement, the residents of Lima and surrounding areas do pay taxes for public safety into Beaverhead County. They should receive the same response as anyone else in Beaverhead County.

Since the cancellation of the contract there have been incidents where a Lima resident has contacted the Sheriff's Dept for assistance and were told to call Mayor Olsen. In one situation the resident was told that the Town had refused Sheriff's service and gave the person the Mayor's home phone and cell phone numbers.

Unfortunately communication and relations between the Town of Lima and County Sheriff's Department is very poor at this time. We look forward to a much better working relationship in the future.

David D. Olsen, Lima MT

Volleyball sweeps through Denver

The University of Montana Western volleyball team traveled to Denver for three matches in two days at Johnson and Wales University-Denver and swept all three.

UMW's volleyball team played three matches in a span of twenty hours and swept all three matches. On Friday afternoon the Bulldogs started their weekend with a double header versus Fort Hays State (KS) and Johnson and Wales-Denver. On Saturday they played former Frontier Conference foe Dickinson State.

The Bulldogs won their opening match versus NCAA DII opponent Fort Hays State. They won by game scores of 25-19, 25-20, and 25-15. Montana Western was led by freshman Joanna Avery and her 16 kills with senior Breanne Kelley adding 10. Senior setter Madison Mansch had 42 assists and Kendra Mendicino had 28 digs.

UMW's encore Friday evening was versus their hosts Johnson and Wales University-Denver. The Bulldogs took that match 3-2. Montana Western dropped the first game 19-25 and won three of the next four games by scores of 25-17, 26-24, 19-25, and 15-13. UMW was led by senior Emily Erickson's 15 kills and junior Brea Mitchell's 13 kills. Madison Mansch had another big match with 42 assists. Defensively the Bulldogs were led by Mendicino's 31 digs and freshman Brianna DeCock adding 19.

On Saturday the Bulldogs took on former Frontier Conference member Dickinson State. UMW won the match 3-1 to complete their weekend sweep. Montana Western won the first two games before dropping the third game. They were able to close the match with a 25-16 win in the fourth game. The Bulldogs had four players with double digit kills. UMW was led by freshmen Joanna Avery and Tessa Miller who had 13 and 12 kills. Emily Erickson and Breanna Kelley followed closely with 11 and 10 kills. The Bulldogs were led by Mansch with 45 assists. Mendicino led the team with 34 digs and Breanna Kelley and Emily Erickson each had 18 apiece.

UMW returns to conference play this week when they host Carroll College Wednesday at 7 pm and Friday evening Rocky Mountain College. The match on Wednesday will honor breast cancer awareness with a Pink Night.
