Donate Big Game for Hungry Montanans

"A Montana law passed during the 2013 state session allows individuals to make a contribution that will help non-profit groups process donated wild game for free distribution by Montana Food Bank Network to help feed people in need," said Ron Aasheim, spokesman for Montana Fish, Wildlife & Parks in Helena. The law came into effect when Montana State Senator Kendall Van Dyk sponsored SB123 which passed to become 87-1-293 <http://leg.mt.gov/bills/mca/87/1/87-1-293.htm>

Hunters who legally harvest big game during the hunting season can donate the meat to feed hungry Montanans. There will be no cost or processing fees for the donated meat! No road kill can be donated. Simply deliver the big game to the nearest participating meat processor (listed below).

If a hunter desires to retain part of the meat, the meat processor will take a photo copy of the carcass tag to remain with the donated meat. The original license stays with the hunter's meat. The carcass tag or a copy of the carcass tag for each animal processed must be kept by the meat processor for inspection by Montana Fish, Wildlife & Parks.

To help with processing charges, anyone purchasing a Montana hunting license has the opportunity to make an on-the-spot donation to Hunters Against Hunger. A hunter who applies for or purchases a deer, antelope, elk, or wild buffalo license may donate \$1 or more in addition to the price of each license. These contributions will help pay for butchering and distribution of the processed game.

Participation by meat processors and hunters is the key to success to feed hungry Montanans. We also would like to give a special thanks to our local partner agencies for their participation.

If you want to become more involved and would like more information about the Hunters Against Hunger program, contact Jeff Gutierrez at the Montana Food Bank Network, 406-721-3825 ext. 232.

Below is the current list of Montana meat processors that are working with the Montana Food Bank Network for Hunters Against Hunger:

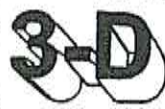

Belgrade: Budget Game, 4110 Thorpe Road
Bozeman: Yellowstone Meat Processing, 74 Chestnut
Butte: Western Meat & Sausage Block, 800 Dewey Blvd.
Lolo: Lolo Locker, 6220 Caras Lane
Manhattan: Amsterdam Meat Shop, 6680 Amsterdam Road
Helena: Tizer Meats, 3558 Tizer Road

Meat processors who wish to participate in the Hunters against Hunger program need to contact the Montana Food Bank Network for an MOU at (406) 721-3825 ext. 232.

For more information, please visit <http://mfbn.org/hunters-against-hunger> or call (406) 721-3825.

BANNACK CHANGES TO WINTER HOURS

Bannack State Park will change to winter hours on Friday October 24. The park will be open from 8 am until 5 pm daily.

Bannack is one of the best-preserved ghost towns in America, site of the first major gold rush in Montana and the first Territorial Capital. Once home to the infamous sheriff Henry Plummer and his gang of outlaws, the history that occurred here is incredible. Self guided tour booklets are available for your use.

The Visitor center is open on weekends and will close for the season October 25. The park and campgrounds are open all year. For information call the park at 834-3413.

COUNTYWIDE POSTER CONTEST

Beaverhead County DUI Task Force is proud to announce an 'Above the Influence' countywide poster contest for students in 6th, 7th and 8th grade.

'Above the Influence' is a government based National Anti-Drug media campaign that is student based and focuses on choices, education and facts. The intent of this poster contest campaign is to give our kids tools to deal with peer pressure, stress, bullying, negativity, and issues that children face in today's world.

Interested students are being asked to produce a poster outlining the negative effects of underage drinking using information found on the website <http://abovetheinfluence.com>. One poster from each grade will be chosen by a panel of judges and prizes will be offered to the winning participants. The posters will be used to advertise the negative effects of underage drinking countywide. This contest will be used to launch the week long DUI Task Force awareness week in the fall of 2014.

The rules for creating a poster to be considered for the contest are as follows:

- o Private, public or homeschooled children that are in grades 6th, 7th or 8th are eligible to participate.
- o Students are asked to create a 24x36 inch poster using any medium they choose to create a poster that outlines the facts about alcohol use.
- o Themes, facts and information to be used for the poster will come from information found at the abovetheinfluence.com website.
- o Posters are to be delivered the Beaverhead County Public Health Department by 5 p.m. on October 22, 2014.
- o Each poster must have the students name and school or address on the back side/upper left hand column of the poster.
- o Three posters (one from a 6th, 7th and 8th grade student) will be chosen from posters submitted. Individuals who have the winning poster will be awarded prizes ranging from cash prizes to iPod shuffles.
- o Contest winners will be notified during the DUI Task Force awareness week at the end of October, 2014.
- o Posters will become property of the Beaverhead County DUI Task Force and displayed throughout the county.

The goal of this contest is to encourage all students to value healthy lifestyles and think about the consequences of alcohol, tobacco and other drug use. This competition is intended to reinforce positive choices among our youth through education and facts.

For more information, please contact Kim Martinell at 406-596-1284 or email: ewethere22@yahoo.com.

Letter to the Editor

This letter is being written in support of Jay Hansen for Sherriff of Beaverhead County. As the former Undersheriff of Beaverhead County, I additionally held the positions of Deputy Sheriff, as well as acting Sheriff before my retirement in 1996.

During my career with the sheriff's office, I had the opportunity to be on several interview panels for the hiring of Deputy Sheriffs. This included the interview of current Sherriff, Jay Hansen in 1984 when he applied for the position of Deputy Sheriff. That interview left an impression on me to this date - Jay's desire to be a Deputy Sherriff, his formal education and how he answered the questions submitted to him relating to law enforcement, left no question as to his qualifications to serve his community.

In the 12 years I worked with Jay, he demonstrated the noteworthy abilities of a law enforcement officer. Jay is candid, considerate of his co-workers and the community he protects, and pays clear attention to detail - furthermore, each case assigned to Jay was completed with the upmost proficiency.

Following my retirement, I accepted a position with the State of Montana as an Adult Probation and Parole Officer. For the next 13 years, I continued to work with Jay and the Beaverhead County Sheriff's Office, Dillon Police Department, District Courts and other jurisdictions in Montana. Throughout my second career with the State of Montana, I met many law enforcement officers and prosecutors - it made me proud to hear of their respect for Jay's governance of his department and cooperation when called upon.

There is more to being a Sheriff than one may think; managing a full staff of Sherriff's Deputies, jailers, dispatchers and the challenging undertaking of overseeing a budget. To be an effective Sheriff, you must have experience, education and ambition, all of which define Jay. Having served his community for 30 years, Jay also understands the importance of continuing his education. Beginning with a degree from Montana State University, to additional law enforcement training and management programs.

Sherriff Hansen is the BEST candidate for a difficult job. His integrity is unquestioned and his moral compass is absolutely true. His leadership skills and record of accomplishments is why Jay is the right choice for Sherriff of Beaverhead County.

Sincerely,

Mark J. Doering

Retired Undersheriff of Beaverhead County

**SOME BIG HOLE BROWN TROUT
AFFECTED BY FUNGUS**

Anglers report seeing dead brown trout in the Big Hole River near Melrose in southwest Montana. The fish are noted to have a fungal infection known as saprolegnia.

Brown trout are susceptible to the fungus this time of year because they are stressed from spawning which may also result in depressed immune systems. Specifically, brown trout in high density areas like the Big Hole are digging in the river bottom with their tails to create their spawning nests (known as redds). They are also often fighting and bumping into each other causing them to lose or compromise the layer of slime which helps protect them from disease.

Region 3 Fisheries Manager Travis Horton says, "The fungus is taking advantage of these fish when their ability to fight an infection like this is at its lowest point." However, Horton adds that this is not entirely unusual as there are occasional "hot spots" for saprolegnia and they are typically short-lived.

"The important thing to remember is this is a system of stress," says Horton. "The fungus is natural and although the incidence is locally high, it isn't a cause for alarm."

Renaissance Program

The Renaissance Program at Beaverhead County High School is designed to recognize and reward student academic achievement and improvement. As part of the program, students receive a reward/incentive packet in recognition of their academic performance at the end of each grading term. There are four levels of excellence within the program.

BCHS is looking to get individuals and the business community involved in the program. Those who choose to participate can do so by offering their financial assistance or by offering coupons for free or discounted items. In addition to community based rewards/incentives, BCBS also gives student perks. BCBS rewards include get out of tardy passes, the chance to redo an assignment, Accelerated Reader points, and treats from the concession stand at sporting events.

Our feeling is that this program is a very positive and proactive approach to encourage students to get the most out of their education, and recognize them for their effort! If you have any questions, or would like to visit more about the Renaissance Program, please contact Chris Kloker at any time. He can be reached at 406-683-4411 or via email at ckloker@bchsmmt.com.

CHILI FEED TO BENEFIT HUNGRY KIDS IN DILLON

Northwest Farm Credit Services is excited to sponsor a Chili Feed to benefit the Dillon Backpack Program on Saturday, October 18th at the UMW Football Game. Tailgate starts at 11 a.m. & the Western Bulldogs kick-off at 1 p.m. All proceeds will go to feed hungry children in our community.

The Dillon Backpack Program started in the fall of 2010. Kids are given non-perishable food weekly during the school year so they have meals for weekends and extended holidays. Currently, 1 in 5 Montana kids is food insecure.

If you'd like more information about the Backpack Program, please contact Greg Lemelin at Parkview Elementary-683.2373 or Misti Maisch at 925.0833. Donation checks may be written out to the YMCA/Dillon Backpack Program.

Annual Library Book Sale Scheduled Donations and Volunteer Help Needed!

Calling all book lovers! The Dillon Public Library has scheduled its annual Book Sale for Friday, October 17 through Thursday, October 23. For the second year in a row, Jackie Taylor and Dick Roberts have generously provided the use of the old IGA store in support of the Library and its main money making event of the year.

The Library is in need of volunteers on Thursday, October 16th to help move tables and books and set up the sale. Volunteers with pick-ups are especially welcome! We can also use volunteers during the sale and to help with clean-up at the end of the sale. A sign-up sheet for volunteers is available at the Circulation desk of the Library.

If you have books to donate, please feel free to drop them by the Library in anticipation of this sale. The last day of the sale - Thursday, October 23rd - is "Buck a Bag" day, when for one mere, thin dollar a whole BAG of books may be purchased.

Volunteers and customers will be able to vote on how they would like to see money from this sale used at the Library.

BLUE is a brave challenge to today's radical Green philosophies, contending that economic development is not bad but good for the environment, the world is not in danger of overpopulation but needs more people, and resources are not limited but limitless. At it's heart, *BLUE* champions a powerful idea that, through greater freedom, we can achieve a happier humanity, a healthier planet, and a brighter future.
