SAGA IS STILL ALIVE AND THRIVING

By MJ

"Like Grant took Richmond" is a phrase that means a forceful, impressive, decisive victory. I found this statement describes clearly the actions taken by local city government when hiring Ms. Crystal Thompson for City Judge replacement.

Hiring new City Judge: 10/15/2014 prior to the regular council meeting a Special Council Meeting was held for the purpose of hiring a City Judge. Six applicants were interviewed within one hour. They were each asked a canned (prerecorded) set of questions. To keep the applicants from having a preview to the council questions they were sequestered in a room, however, it did appear that Ms. Thompson was referring to some kind of documentation in front of her before she answered each question. **Question**: Did she have a preview of the questions? You decide.

Spending Money: Is the council once again spending money the city does not have? Ms. Thompson will start receiving wages on October 22, 2014 at the same rate Ms. Erwin is being paid. Ms. Erwin will continue to be paid through October 31. 2014. Was this extra wage increase included in the budget or will there have to be an amendment made to cover extra expense?

Remember the $1.85 tax increase put into place in the last two years so the city could make a bond payment and have enough money in the street budget to do maintenance...

One could say all the applicants were qualified for the position depending on the specifics the council was looking for. Ms. Thompson stated she was a paralegal as did one of the other applicants that had ten (10) months experience working in the judge's office. When it came time for a vote Councilman Troedsson nominated Ms. Thompson. The mayor asked three times if there was any other nominations. None of the other council persons spoke up to nominated another applicant. Being there was no other nominations a vote was taken. Just like "Grant took Richmond" it was cut, dried and over with.

Mr. Spehar and Ms. Westad spoke out and said it was a difficult decision to choose one of the six applicants. *If it was so difficult, would you not of had to have some kind of discussion.*

Mr. Hazelbaker, an applicant, asked why the council did not have any discussion about the six applicants if the decision was so difficult.

Was the interview process only window dressing? Was the public represented fairly? You decide when you go cast your vote at the polls.

Are the taxpayers being represented here or was this a payback vote? Ms. Thompson is a paralegal at Mr. Duke Gilbert's office.

I thought the council and mayor were working together, however the actions last night give the impression that is not so.

On the Lighter Side:

By. MJ

Moral of the following story: *Vote carefully in the next election, you can't always hear the bells*. One might say that many did not hear the bells at the City council meeting held October 15, 2014.

Fred was in the fertilized egg business. He had several hundred young 'pullets,' and ten roosters.

Fred bought tiny bells with different tones so that he could keep track of which roosters was doing his job.

Fred's favorite rooster, old Butch, was a very fine specimen, but this morning he noticed old Butch's bell hadn't rung at all! When he went to investigate, he saw the other roosters were busy chasing pullets with bells-a-ringing. Upon hearing the bells ringing the pullets would run for cover.

To Fred's amazement, old Butch had his bell in his beak, so it couldn't ring. He'd sneak up on a pullet, do his job and walk on to the next one.

Fred was so proud of old Butch, he entered him in the Brisbane City Show and he became an overnight sensation among the judges.

The result was the judges not only awarded old Butch the "No Bell Piece Prize," but they also awarded him the "Pulletsurprise" as well.

Clearly old Butch was a politician in the making. Who else but a politician could figure out how to win two of the most coveted awards on our planet by being the best at sneaking up on the unsuspecting populace and take their right to have a say away when they weren't paying attention.

This is one of those forwards that some of us receive in our inboxes. Author unknown

The lunch menu for the week is as follows: On Monday we will enjoy chicken alfredo with a school made bread stick. On Tuesday a weiner wrap with savory rice will be served, and on Wednesday, we will have a beef hamburger on a school made whole wheat bun. Thursday , we will enjoy ham and scalloped potatoes with a dinner roll. And on Friday we will have potato soup with tuna sandwiches, applesauce and fresh veggies.

This Wednesday and Thursday, October 22nd and 23rd students will be released at 2:35. This is due to an alternate schedule at the high school for their parent teacher conferences. So parents, please be aware that your children will be arriving home an hour earlier those days.

Football ended their season with 7th and 8th grade each playing a half game against Whitehall. 7th grade came away with a win, while 8th grade lost by a touchdown. Congratulations boys on a great season.

Cross country also ended their season by hosting the Dillon meet. The girls finished in 2nd place, with Madalene Shipman finishing in 2nd place, followed by Harleigh Johnson in 9th and Katie Van Slyke in 10th out of 46 runners. In the boys' division, Dillon finished 2nd as a team. Top runners were Tyler Steadman in 3rd, Daxon Graham in 8th, and Grant Orme in 12th out of 52 runners. Great job cross country runners.

Volleyball concluded their season on Saturday, October 11th with a tournament in Deer Lodge. The 8th grade team beat each team they played against. The 7th grade wasn't able to pull out a win but have improved immensely. Great job ladies on a great season.

This week is Red Ribbon week spirit days. Red Ribbon week is a campaign against drug use and bullying. Students show your support of this very important campaign by participating in Spirit week. Today is Cowboy day. Give drugs the boot, and dress like a cowboy. On Tuesday we will have ugly sweater day. Don't be embarrassed to stand out against drugs.

On Wednesday, we will double up against drugs… dress as a twin with someone else. And on Thursday, we will have Hawaiian Day to remind us that drugs can ruin life's paradise.

Friday is Duck Dynasty Day as we will "Quack down on drugs, Jack!" We will finish off Red Ribbon week with a dance this Friday

Letter to the Editor

My name is Yvonne Lenegar I have lived here for about 20 years now. I know a lot of our town folk as I waitressed and got to know just about everyone. I know who backs our humane society and who doesn't. This is to tell everyone who lives here we all have our opinions and views on the subject - so I will make this short and sweet. We need our humane society for all kinds of reasons and the women who runs it, she is irreplaceable when it comes to finding lost abandoned or unwanted animals homes.

We have all known people who can't keep animals for one reason or another, and at least they have a place to take them.

What I'm trying to say is we need the humane society, we need more help and help in ways to make it good for the animals. So many of us say oh its to sad, I cant go there, I cant help. Of course its sad, but without it - it would be sadder all we want is a little help from our county to make it a better place and for medical supplies and programs for spaying. VOTE YES, we need your help - go volunteer - go see the animals, help with building or donating. Most of all, put down your opinions and realize its for the animals not the people. So what's a couple extra dollars on taxes to help. Lets make this the best humane society, lets all pitch in and do our part. We need you all now more than ever.

Yvonne Lenegar

Montana Western topples Carroll College

The University of Montana Western volleyball team took on Carroll College on Wednesday night and were able to come through in the clutch and get the victory.

Montana Western hosted Carroll College in their annual Pink Game and continued to build on the momentum gained from their three match sweep in Denver. The Bulldogs are riding a four game win streak and picked up their first Frontier Conference win.

UMW dropped the first game 21-25 to the Saints but bounced back in a big way winning the next two games. They won those games by a score of 25-21 and 26-24. Carroll grabbed the fourth game which was another highly contested game by a score of 28-26. The Bulldogs were undeterred and determined to get the victory. Montana Western took the fifth and deciding game 15-10 to secure the victory.

The Bulldogs will host Rocky Mountain College at 7 pm on Friday night in Straugh Gymnasium.

SALARY WORKSHOPS POSTPONED

The three salary negotiation workshops scheduled for Oct 20TH , 21ST , and 22ND on the UMW campus have been postponed until Spring. If you are interested in attending one of these workshops between now and Spring, please contact the Dillon Job Service at 406-683-4259

CHILI FEED TO BENEFIT HUNGRY KIDS IN DILLON

Northwest Farm Credit Services is excited to sponsor a Chili Feed to benefit the Dillon Backpack Program on Saturday, October 18th at the UMW Football Game. Tailgate starts at 11 a.m. & the Western Bulldogs kick-off at 1 p.m. All proceeds will go to feed hungry children in our community.

The Dillon Backpack Program started in the fall of 2010. Kids are given non-perishable food weekly during the school year so they have meals for weekends and extended holidays. Currently, 1 in 5 Montana kids is food insecure.

If you'd like more information about the Backpack Program, please contact Greg Lemelin at Parkview Elementary-683.2373 or Misti Maisch at 925.0833. Donation checks may be written out to the YMCA/Dillon Backpack Program.
