WEATHERBY NAMED CHANCELLOR AT UMW

Beth Weatherby, provost of Southwest Minnesota State University in Marshall, Minn., has been selected as the 22nd chancellor of the University of Montana Western.

"I am excited about joining Montana Western as the chancellor of such a unique and innovative institution. I look forward to continuing the phenomenal success the university has realized over the last 10 years," Weatherby said. "Montana Western's Experience One creates unparalleled learning experiences for students and truly sets the institution apart from all others."

University of Montana President Royce Engstrom made the announcement Friday, concluding an extensive search that began last spring. Montana Western is an affiliate campus of UM.

"The search committee, with the active involvement of the campus and Dillon communities, did an outstanding job of bringing highly qualified candidates to the campus," Engstrom said. "Dr. Weatherby emerged as an exemplary candidate and a person who will step into the chancellor role quickly and effectively. Her background in public higher education positions her to lead Montana Western into an exciting future."

Since 2007, Weatherby has served as the provost and vice president of academic and student affairs for Southwest Minnesota State, increasing undergraduate enrollment by 12 percent in one year. In addition she has worked with three presidents and their teams to substantially increase the university's fundraising, led the transformation of the undergraduate curriculum, and worked with faculty to build programs related to food and agriculture, nursing and exercise science.

Before serving as provost, Weatherby was dean of letters and sciences, and director of the university's creative writing program.

She is the co-founder of Connect, a networking organization for professional women in southwest Minnesota, acted as board member for the Minnesota Agricultural and Rural Leadership Program, and was a member of the United Way

Letter to the Editor**Mike Wheat Under Attack From Out of State
Special Interest PACs**

Montana Supreme Court Justice Mike Wheat is under attack from out of state, far right, special interest PACs. Montana sportsmen and women need to remember that Mike Wheat wrote the Montana Supreme Court decision, IN SUPPORT OF, the Montana Stream Access Law, in the Ruby River Stream Access Case. This stopped billionaire James Cox Kennedy and other wealthy nonresidents from closing Montana rivers and streams to the public. Out of state PACs have been paying for TV and radio ads and mail flyers attacking Mike Wheat. These same PACs have been paying for adds supporting Lawrence VanDyke. I assume they expect something from VanDyke. Don't let out of state, special interest PACs sway your vote. Because of the U.S. Supreme Court decision Citizens United, special interest groups, with the most money, are buying our great democracy. Don't let this happen.

Letter to the Editor

We all have an important decision to make on Election Day:

Just over ten years ago, I volunteered as a Special Deputy with the Sheriff's department. I've made great friends and have personal knowledge of its practices and members. As a twenty year veteran of law enforcement, I cannot believe the selective enforcement, the lack of community based policing, and lack of follow up investigations of Beaverhead County Sheriff's Department.

It's a shame that not everyone in the community is treated equally and provided professional, impartial services. The current administration has failed this community on numerous occasions. I have personal knowledge of some of these failures, I am sure if you ask yourself or your neighbor, you will also. I love this community, the way people step up and help each other, whether they're known to you or not. It concerns me as to where we are heading with the lack of law enforcement leadership.

I've had the privilege of working with and knowing Frank Kluesner. In the last five years, I have watched the city police department grow tremendously in providing professional, community based law enforcement. A big factor for this growth is due to the positive attitude, the professional actions, and true concern for our community by Frank Kluesner. Frank is an officer who does not hide in his patrol car and only come when there is an emergency. As a parent, it was nice to hear from my own son and his friends that Officer Kluesner is always fair and direct with them and treats them like people.

In November, please consider your vote. There is a lot of uncertainty in our world today; I personally would prefer a Sheriff who can lead Beaverhead County Sheriff's department into the future with integrity and professionalism. Frank Kluesner is the man who can help preserve the quality of life that we all love and enjoy in Beaverhead County. It's time for a leader with commitment, and integrity working with the community equally. I honestly feel with Frank Kluesner in the position of Sheriff, cases will be investigated with impartiality and successfully prosecuted. Based on his current actions as a Police Officer, I also believe that he will work with everyone in the community equally, regardless of "social status". Not ignore issues or use the "let's see what happens" attitude which is currently practiced.

**PERFECT FOOTBALL NIGHT**

Dillon Beavers went to Hamilton and took charge winning the game 43-7 on a perfect night for football. The nice weather and great playing on the field made things that much better for the Beavs. J.D. Ferris was 7 for 19 passing with 194 yards and rushed for 80 yards and ran in two touchdowns and passed for two more in the win over the Broncs. Payton LaFrentz had a good night with his foot behind the ball. Other scores came from Nate Simkins on a run and Kohltin Starkel who caught a pass from Ferris, Brady Richardson with a pass from Simkins and a pass from Ferris scored twice on the night.

The Beavers are now (3-1, 6-2 overall) in the conference standings.

CROSS COUNTRY IN DILLON

The Beavers hosted a cross country meet in Dillon at the Sleep Hollow golf course. The boys came out in 4th place while the girls side had the Dillon girls finished in 3rd.

Dillon Beavers were short Sage Schoonen who was out with an injured foot. He said he will surely be at the state race next week in Helena. Last year Sage placed fourth at the State meet.

In the top 20 finishers for the meet were three Dillon runners for the boys at 18th Sam Telling, 19th Joel Rivera and 20th Bryer Anderson.

For the girls 12th Hannah Telling, 13th Caleigh Buckmaster, 18th Mariah Mosher, 19th Emily Towery and 20th Taryn Mercer.

COURTHOUSE, COMMISSIONERS' ROOM

MEDICARE HELP

Counselors from the Southwest Montana Aging and Disability Services will be available on Tuesday, October 21, 2014, to help Dillon area seniors look over their Medicare coverage. The event will be held at Dillon National Guard Armory, 1070 Hwy. #41 North, from 10:00 a.m. until 3:00 p.m. State Health Insurance Assistance Program counselors will be available to look over your current Medicare Prescription Drug Coverage, Medicare Advantage Plan or to assist with any other Medicare related questions. Those interested in meeting with a counselor are asked to call Southwest Montana Aging and Disability Services at 1-800-551-3191 or 406-782-5555 to make an appointment. We encourage all seniors to take advantage of the Medicare Part D Open Enrollment Period, (Oct. 15- Dec. 7), and review their coverage to make sure that their current Prescription Drug or Medicare Advantage Plan is still the best one for them.

Southwest Montana Aging and Disability Services is a private, non-profit organization that contracts with the State Department of Public Health and Human Services to provide various Older Americans Act Services within a six county service area in Southwest Montana. Among those services is the State Health Insurance Assistance Program which trains counselors to provide unbiased information to seniors regarding their Medicare coverage. This service is provided at no cost to the beneficiary, although donations to the program are appreciated.
