Dillon Jaycee Auxiliary Cancels Brewfest

The Dillon Jaycee Auxiliary has cancelled the third annual Brewfest. It is unfortunate, but necessary, as ticket sales were slower this year than in previous years. The Auxiliary wants everyone who purchased tickets to know that their support is much appreciated, and that tickets will be refunded in full. In addition, we are grateful to all of the event sponsors, including Beaverhead Brewing Company and Great Harvest, for their support.

Brewfest was intended as a fundraiser for the Dillon Jaycee Auxiliary, and the lower number of ticket sales meant that the event would not have been as successful in raising money for the many good projects the Auxiliary supports. Thank you, again, for your support of our group and community.

If you have questions about ticket refunds, please contact SueAnn Bergeson at (406) 261-397, Stephanie Vinson at (406) 490-6247 or any member of the Dillon Jaycee Auxiliary.

Letter to the Editor

To the voters of Beaverhead County

One one of my favorite pictures is of a golden retriever sound asleep on the lap of his human; the caption says "whoever said money can't buy happiness has never paid an adoption fee". I would like to thank JP Plutt for the informational article about our local animal shelter and it's need for funding.

I volunteer at the shelter walking/playing/socializing the dogs. When I mention that to some one, the response is usually, "oh, I couldn't do that, I'd want to take them all home". Some days I do go home with tears in my eyes, but most days I'm grateful for the shelter where the animals can live safely and be taken care of until just the right someone comes to adopt them.

The shelter needs more volunteers; are you willing to be a "jack of all trades" and help out wherever necessary on any given day? Please, vote "yes" to the mill levy increase so our shelter can continue to provided a needed service to the community and to these animals in need.

The Public Library needs your help!

In today's Dillonite Daily, the Library has inserted copies of our bi-annual library survey. It is a simple document, easily completed. I ask everyone to complete one of these surveys and get it turned back in to the Library by Monday, October 27th at 7:00 pm. Filling out the survey is one way to communicate with the Library Board of Trustees to let them know how you think the Library is doing in this community. We want to hear from everyone!

If you don't use the Library, we'd like to know why. We welcome constructive criticism, because it is the desire of the Board of Trustees and the Library staff that we provide services that the community wants and in a way that is easiest to use. Please help us by filling out a survey and getting it back to the Library.

We appreciate your participation in this process of evaluating our services. Thank you.

Minimum wage increases Jan. 1, 2015

By: MJ

Montanans earning minimum wage will see an increase from $7.90 per hour to $8.05 per hour on January 1, 2015. That's an increase of 15 cents, or $6 more, per week, for workers, with a 40 hour per week job.

An estimated 12,850 Montana workers, or 2.9 percent of the workforce, received hourly wages less than $8.05 per hour in 2014.

In 2013, the industry with the largest number of workers earning minimum wage was the accommodations and food services industry followed by the retail trade industry. Cashiers, Combined Food and Preparation Workers, Waiters and Waitresses, and Retail Salespersons are occupations with large number of minimum wage workers.

Nearly half of all workers earning minimum wage are over the age of 25, and 62 percent of Montana minimum wage workers are women.

MCA 39-3-409 requires the Montana Department of Labor and Industry to adjust the Montana minimum wage for inflation using the CPI-U. The 2015 minimum wage has been calculated by taking the current minimum wage of $7.90 and increasing it by the CPI-U increase from August of 2013 to August 2014. The CPI-U increased by 1.7 percent over the year ending August 2014. Montana Department of Labor Industry

SANDI EBY'S ADVENTURE CONTINUES

There will be a fund-raiser on 11/15/14 at the Elks for Sandi Eby. We thought it might be educating for people to know about MS, how it affected Sandi, and why and what she is doing when she goes to India for treatment on January 15, 2015.

#4 Aren't there medications for Multiple Sclerosis? Yes, but did you know that those medications are only suppose to stop the progression of the disease and the jury is still out on whether or not that really happens. When offered any of the prescriptions I decided NOT to take them. After talking to many friends who did take the drugs. They said that the drugs often caused them to feel like they had the flu 1-3 days a week. My thought process on this = why if I feel relatively good 6 3/4 - 7 days a week would I ever want to feel - cruddy every week? Thus the first drug I took was tysabri = a drug that can potentially cause a fatal brain disease and cost my insurance $116,800 a year. Yup, there are drugs for the disease BUT at what cost? How many stem cell treatments could I have gotten for that amount of money????? And there would be NO side effects!

CONGREGATE MEALS

Calling all Senior Citizens!! Every Wednesday at the Senior Center on Montana St. from 11:45 am until 1 pm Congregate Meals are offered. This week's meal is going to be Sweet & Sour Chicken, veggie, lettuce, salad & lemon bars. See you there. If you have any questions please don't hesitate to call the Resource Center @ 683-6106. Together, we are "People Helping People".

Kids' Snow Boot Drive

If your child is in need of snow boots, please contact Gunnar Maisch at 925.3368. The deadline for ordering is October 25th. If you would like to donate to the snow boot drive, checks may be made out to VCF (Vineyard Christian Fellowship). Please put "boots" in the memo. Boots will be distributed to those children in need the first week of November.

Barrett Hospital & Healthcare Earns Highest Award for Quality Care

Barrett Hospital & Healthcare is one of just seven hospitals in Montana to be recognized for its staff's commitment to providing quality health care. At last month's MHA Annual Convention & Trade Show in Billings, Mountain-Pacific Quality Health, the Medicare Quality Innovation Network-Quality Improvement Organization (QIN-QIO) for Montana, announced this year's quality award recipients. Barrett was among the winners, one of just five hospitals to receive the Quality Achievement Award, Mountain-Pacific's top award. Chief Executive Officer Ken Westman, Ben Power, Kirsten Meine, & JeNece Williams were among Barrett Hospital staff members who attended the conference & accepted the award.

"Ken Westman and his staff should be very proud," said Christy Fuller, Mountain-Pacific's director for Montana. "Commitment to quality care starts at the top with administration and is realized through the daily dedication and hard work of hospital staff. Barrett Hospital does an excellent job serving the Dillon area, and we look forward to continuing to work with Barrett and its staff, supporting them in maintaining a high standard of patient care."

Barrett Hospital & Healthcare received a 2014 Quality Achievement Award, because it met a number of criteria outlined by Mountain-Pacific Quality Health. The facility has strong executive involvement in the promotion a "quality culture," which focuses on patient-centered care and improving national health care measures related to cardiac health, pneumonia, the reduction of unnecessary hospital readmissions and the prevention of dangerous and costly healthcare-associated infections. Barrett also involves patients and their families in its efforts to improve the care its staff provides.

"We are very proud to be a recipient of this award," said Ken Westman. "It is an honor and a privilege to serve our patients and communities with such a caring, committed and skilled team of providers and staff. We are also blessed to have a supportive board that is committed to excellence and quality patient care."
