BARRETT HOSPITAL & HEALTHCARE PREPARES FOR POTENTIAL EBOLA

Barrett Hospital & HealthCare Leadership, Physicians
and Staff have been diligently concentrating efforts to pre-
pare the facility for the potential of Ebola. Using guidance
available from the CDC and professional organizations, staff
have received information on how to screen and care for pa-
tients while protecting themselves and other patients from
exposure. Infection Prevention practices are at a heightened
level due to the contagious nature of Ebola. Staff have been
practicing the correct way to don and doff personal protective
equipment, and special measures are being taken to ensure
that medical waste and contaminated materials are disposed
of in a manner that limits risks to individuals involved in the
disposal process.

Ken Westman, Barrett Hospital CEO, reported "We are
working to take every precaution to protect our staff and pa-
tients. Although we may consider ourselves in Montana to be
low risk, we never want to underestimate a situation like this.
We want to be ready."

TWO YOUNG GRIZZLIES RELOCATED IN SOUTHWEST MONTANA

Two young grizzly bears were captured in the Gardiner area within the last week and relocated. The bears were female, siblings, and about two years old.

The bears had been frequenting residences at night in search of apples. The captures were a preventative action to keep the bears from causing nuisance or conflict issues as food sources naturally dwindle in late fall.

The bears were relocated near the western border of Yellowstone National Park. The bears will be monitored by radio-telemetry.

Letter to the Editor

The first Amendment to the Constitution states:

"Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of SPEECH, or of THE PRESS, or the right of the people peaceably to assemble, and to petition the government for a redress of grievances" [my caps for emphasis]

This protects people and the media from encroachment by the FEDERAL government.

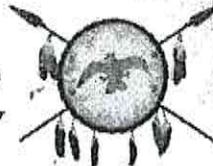

The 14th Amendment, states, in section one: "No STATE shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any STATE deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws." [my caps]

This protects citizens from encroachment on their Constitutional rights by the STATE government. The county attorney is a STATE employee.

According to Brenda Womack, publisher of the Dillonite Daily, the COUNTY attorney called her on the telephone following her publication of my letter to the editor (Oct. 21st) inquiring about the status of the recall petition for three city council members. In that letter I reviewed the sequence of events leading up to the repudiation of the reasons given for the recall by the county attorney. Brenda said she was called by a very-angry county attorney who in a threatening manner said she was libel for publishing my letter, and was told it was her responsibility to correct any factual errors therein.

There was no libel in that letter. I simply pointed out that by refuting the reasons for the recall the COUNTY attorney had intruded into a CITY affair and succeeded in thwarting the will of the voters by delaying the judgment of the 5th judicial district judge to a point where the ballots for the November 4th election were already printed up and no recall petition was included. I likened it to a pocket veto by the President of the U.S. I also wondered aloud if there was a political machine at work in Dillon or Beaverhead County.

I think it is noteworthy that when a member of the city council swore out an affidavit, later proved to be false, impugning the integrity of a fellow council member and a member of the community circulating the recall petition, the county attorney was strangely silent

on the matter of libel and perjury.

I suggested to Brenda that she write to the Montana Bar Association outlining the obvious attempt to intimidate her and thus indirectly abridge the freedom of the press which the Constitution prevents him from doing directly. I suggested including a copy of my letter to the editor with hers to allow the members of the Bar Association to decide whether the county attorney was over-reacting by insisting that it was libelous. Finally, I suggested sending a copy of both letters to JUDICIAL WATCH, a nonpartisan legal watchdog dedicated to the preservation of constitutional rights

Lawrence Leith

Letter to the Editor

I rarely voice an opinion about issues in the community but we remember years ago when it seemed no one was in charge and the suffering of the unloved & uncared for animals were deplorable. It was then, an awesome young woman Susie stepped up to the plate and with her care of all animals she took on the monumental task of creating a shelter for them. It did finally become a reality - Susie's heart, honesty and integrity is solid gold and I feel folks that question her management abilities should volunteer and take part in every aspect of the daily duties and chores and expenses, including the difference in the cost of everything since 2006. You would then know where the money is going - to the animals. The shelter is run very efficiently and effectively.

Just imagine this! What if this facility was a county run operation and the director and all volunteer workers were paid employees with full benefits. What do you think the cost to the tax payers of Beaverhead County would be? \$53,000 would hardly pay for the director, let alone everyone else, plus food, utilities, vet expenses, etc, etc.

Please vote yes in support of the animal shelter - its a real need for Dillon and Beaverhead County.

Thank you & God Bless
 Marty & Elly Cooksey

Minimum wage increases Jan. 1, 2015

By: MJ

Montanans earning minimum wage will see an increase from \$7.90 per hour to \$8.05 per hour on January 1, 2015. That's an increase of 15 cents, or \$6 more, per week, for workers, with a 40 hour per week job. An estimated 12,850 Montana workers, or 2.9 percent of the workforce, received hourly wages less than \$8.05 per hour in 2014.

In 2013, the industry with the largest number of workers earning minimum wage was the accommodations and food services industry followed by the retail trade industry. Cashiers, Combined Food and Preparation Workers, Waiters and Waitresses, and Retail Salespersons are occupations with large number of minimum wage workers.

Nearly half of all workers earning minimum wage are over the age of 25, and 62 percent of Montana minimum wage workers are women.

MCA 39-3-409 requires the Montana Department of Labor and Industry to adjust the Montana minimum wage for inflation using the CPI-U. The 2015 minimum wage has been calculated by taking the current minimum wage of \$7.90 and increasing it by the CPI-U increase from August of 2013 to August 2014. The CPI-U increased by 1.7 percent over the year ending August 2014. *Montana Department of Labor Industry*

EDITORS NOTE:

I am trying MY BEST to get all sides of the community information out to the people we reach. I WILL NOT take sides in the election for any candidate or cause!! I do try to stand up for right or wrong and ask questions if I want to understand something better. However, as of late, I feel that there are people out there that want to use my business and MEANS OF LIVING to further their personal fight. Consider this - I have been in this business for 32 years - I have a child to support in school for two more years and then college - if I take sides and it cost me business, are your willing to pay the bills? It is my neck you seem to want stuck out there. I certainly have not asked you to risk anything for me and I hope we can all live here and agree to disagree without hate and all the hard feelings!

*Brenda Womack***Barrett Hospital & Healthcare Receives
Quality Improvement Award**

Barrett Hospital & Healthcare was recently awarded the Montana Rural Healthcare Performance Improvement Network's Quality Improvement Award for its work on reduction of preventable falls. The awards were announced during the general session at the MHA Annual Convention held in Billings on September 25, 2014.

The Montana Rural Healthcare Performance Improvement Network (PIN) is a voluntary membership of 48 critical access hospitals throughout the state. Through this Network, member hospitals are able to benchmark their performance with their peers on a variety of financial, utilization and direct patient care measures that encourage safe, effective, patient-centered care delivery in even the most remote communities of the state. PIN quality of care measures are based on national benchmarks, but are tailored to reflect the realities of the state's rural population.

Throughout 2013 & 2014, PIN members worked in one or more of three focus areas to improve the quality of care provided to the members of their communities: ensuring chest pain patients receive aspirin and an EKG on arrival in the emergency department; meeting federal EM-TALA requirements for transfer documentation; and improving patient safety in the hospital. Applicants for awards in 2014 were required to demonstrate measurable improvement in two or more of the previously mentioned quality of care focus areas over the previous 12 months and consistent participation in the PIN's benchmarking program. Applicants were also required to demonstrate an active and leading role in supporting PIN quality improvement efforts by participating in PIN events and sharing with peers.

Barrett Hospital & HealthCare has demonstrated a commitment to its community and the region it serves through its efforts to participate in the PIN's benchmarking and quality of care improvement programs.

Hunters Be Cautious While Hunting Near Marias Pass

A wounded grizzly bear in HD 415 near Marias Pass is
cause for hunters to take extra caution while hunting and
removing animals from the field.

Montana Fish and Wildlife officials along with the US
Forest Service and US Fish and Wildlife Service are alert-
ing hunters in the Marias Pass, elk and deer HD 415, that
two groups of hunters were charged by a female grizzly and
her two cubs on Sunday and Monday off USFS trail 133, 2
and ½ miles east of the Marias Pass. A bear was shot and
wounded. Until the bear is located, FWP, the USFS and US-
FWS recommend avoiding this area. The wounded grizzly
bear make this situation dangerous to anyone in the area.

FWP is bringing in a helicopter in an attempt to locate
the bear and to assess options to reduce the danger to hunt-
ers. Hunters are reminded to carry bear spray and use extra
caution when in the field or retrieving harvested animals.

Parents, please call the school if you have any questions. Also, picture retakes will be Wednesday, November 12th. If you missed pictures the first time, or need to have your photos retaken, please dress appropriately for pictures next Wednesday.

Cross training for 7th and 8th grade girls has just begun. Girls, be a part of the fun and stay in shape in between volleyball and basketball. Mrs. Williams has lots of great things planned like kick boxing and yoga! Also, trips to the college for racquetball, & to the YMCA for water aerobics are planned. So, if you haven't gotten your paperwork in yet, it's not too late to join.

The Academic Olympics Team members have been chosen. Congratulations to the following students. Representing the 8th grade are: Fiona Andrew, Alison Bramlet, Monika de los Rios, Lindsey Huber, Nathaniel Leonardson, Ti'el Lochridge, Turner Sawyer, Abby Trang, Trent Wahl, and Cassie Wharton.

7th graders making the team are: Hunter Bockting, Lars Murdoch-Kalsta, Toby Simonsen, Esmae Weaver, and Lucy Wright. Representing the 6th grade are: Sam Jones, Chaidh Lochridge, and Tynan Ostler. In order to qualify, all participants took a written exam with questions focusing on math, science, English, history, and a variety of other subject matters.

The top scores of the test determined who would be on the three Academic Olympic teams. Specific teams have not been developed yet, but each team can only have three eighth graders. The students practice during their lunch periods on Tuesdays and Thursdays. After the coach, Ginny Waldorf, observes these practices, she will put the students on the three different teams depending on their strengths in the different subject areas. Again, congratulations to each student who made the Academic Olympics team.

This week boys' basketball travels to Anaconda on Tuesday, November 4th. 7th grade will be playing at the Lincoln gym, and 8th grade will play at the Memorial gym. The "B" teams will play at 4:00 pm followed by the "A" teams at 5:00 pm. The bus leaves DMS at 2:15.

Then on Thursday, the "B" teams will travel to Butte Central. The 7th grade B team will play at 4:00 pm, followed by the 8th grade "B" team at 5:00. The bus departs at 2:45 pm.

The dusky day gone
while the sun slipped beneath
the invisible wall
Children yelling in the distance
sounds of playful games
sounds of youth at its highest
the night waiting for the moment
cool moist air surrounds everything
smells of autumn
leaves in all shapes, colors being
blown

about

Imaginations starting a new venture
lights now bright
faces making new faces
bodies becoming alive
alive for one more time

more yells, screams, laughter
soon the night will be gone

soon the youthful thoughts will be gone
another Halloween for the imagination
now the sweets must last until

sugar fits pass

another witch, another goblin, another ghost
another frankenstein, another clown.....

another princess.....now gone until.....

next year.....
