Mary Lou Baker

Mary Lou Baker, 86, passed away on Oct. 6, 2014, in Thermopolis, WY. She was born on July 8, 1928 in Miles City, Montana to Uriel and Elizabeth Cooper.

Her parents were both teachers, as well as her father being a lay Methodist minister. During her upbringing the family lived in a number of small towns in Montana. After graduation from Great Falls High School, she attended the University of Puget Sound in Tacoma, WA. She loved music and conducted a 30 woman college choir. She completed her 4 year degree and Master's degree at Western College of Education in Dillon, MT. Her first teaching job was in Sheridan, MT teaching 3rd and 4th grade.

She married Henry (Hank) Meine of Dillon, MT on Dec. 28, 1950 in Three Forks, MT. Hank was a rancher, pilot and aircraft mechanic. The roads between the Dillon ranch and Sheridan were not the best in those days, so Hank landed his J-3 Piper Cub in a hay field near the school on Friday afternoons. They worked together on weekends to build their first home. They had 3 children during the years in Dillon. Hank worked hard building a flying service with contracts from state and federal agencies. In March of 1962 his plane crashed while carrying a fish and game observer on a spring elk count; both men died in the crash.

In May 1964 Mary Lou married Gary Holthaus. They obtained teaching positions at Naknek, AK, a "bush" village accessible only by air or water. The locals helped Mary Lou put

together a shopping list of their "grubsteak" for the winter. The cost was about \$2000 in 1964. In 1966 Gary & Mary Lou moved to Kenai, AK and then to Anchorage in 1967. Mary Lou taught elementary school in both places. June 1970 she and Gary divorced.

On September 1, 1970 she left with her two sons for Scotland. Mary Lou was 42. While there she wrote an exceptionally well composed chapter for her autobiography. "We were 7000 miles from home. But for a time, and an interesting time it was, Scotland was home. We have chosen again to live with the hardy people." She returned to Dillon, MT just after Easter 1971.

In September 1972 Mary Lou began an eighteen year stint teaching K-1st grade at the Yellowstone Park School for the children of park employees. This was an outstanding location as she loved back packing, cross country skiing, canoeing and bicycle camping. She enjoyed traveling to different parts of the US and a trip to Korea, Japan & China. Mary Lou also enjoyed painting, quilting and volunteer work for the Methodist Church. During this time she met and married Ken Stubbs, an Englishman. After a few years he returned to England.

In September 1990, after her retirement to Hamilton, MT, Mary Lou decided to learn to square dance. The club secretary said she needed to bring a partner. Mary Lou had none, so the secretary called Bob Baker, an inactive member, to be her dance partner. He hadn't a clue to what a strong partnership would develop over the next 24 years. Six years later they moved together to Ten Sleep, WY. It was the most fortunate move either had ever made. A few years later Mary Lou and Bob were married in Three Forks, MT.

She is survived by her husband Bob Baker; brothers Arthur Cooper & James Cooper; children Linda Engebretsen, Cliff Meine & Charles Meine; 4 grandchildren and 13 great grandchildren. A memorial service will be November 1, 2014 at 1:00 pm at Ten Sleep United Methodist Church. Bryant Funeral Home is assisting the family with the arrangements.

PUBLIC FORUM PLANNED WITH REGIONAL SUPERVISOR CANDIDATES NOV. 5

Montana Fish, Wildlife and Parks invites the public to attend Region 3's Supervisor candidate forum on Nov. 5 at 6 p.m. at the Best Western Gran Tree Inn in Bozeman (1325 N. 7th Ave).

Finalists for the position vacated in August by Pat Flowers will be selected this week. Each will be asked to make a brief presentation to begin the forum, and then take questions from the public.

The meeting will be facilitated by Paul Sihler, FWP's Chief of Operations. Sihler welcomes anyone interested in FWP programs to attend and meet the candidates.

Sihler says that a selection will be made by the end of November and the successful candidate will begin in the position before the end of the year.

This process coincides with the hiring of the Region 1 Supervisor in Kalispell. A similar public forum involving finalists for the Region 1 position will be held Nov. 6 at FWP's Region 1 headquarters (490 N. Meridian Rd., Kalispell) at 7 p.m.

SANDI EBY'S ADVENTURE CONTINUES

There will be a fund-raiser on 11/15/14 at the Elks for Sandi Eby. We thought it might be educating for people to know about MS, how it affected Sandi, and why and what she is doing when she goes to India for treatment on January 15, 2015.

#6 While in the hospital I will also be undergoing INTENSE physical therapy. One of the patients I have been communicating with was at a disability level of 9.5. This edss level goes from 0-10 with 10 being death. She had been in a wheelchair for a number of years. After treatment in India - she is now walking, not great yet because she has to re-train herself how to walk.....BUT she is walking. And she is not the only one i have seen that are now mobile. If you are on Facebook - friend me and I will link you up to the many successes that have come from this treatment. (PS those who know me from the YMCA will remember that I Hate exercise*:(crying!!!!)

Letter to the Editor

Having been involved in Republican politics for most of my early adulthood, I want to offer my thoughts on partisan declarations in law enforcement. I am a Republican and believe in the principles of conservative governance. That said, I struggle to understand why law enforcement should be asked to declare a party affiliation. The enforcement of the Constitution and the law should pay little respect to political parties. In the KDBM-KBEV debates, both candidates for Beaverhead County Sheriff expressed that political parties don't belong in law enforcement.

A sheriff should understand and hold dear the Constitutional protections and promises prescribed for citizens of all party affiliations, and should be objective in enforcing those protections and promises. Just like a judge, a sheriff doesn't write laws nor can a sheriff reshape law. Whether a sheriff is a Republican or a Democrat, he or she has the obligation to protect constituents against enemies foreign and domestic and to defend his or her county from state and federal infringements. This duty requires less party affiliation and more core dedication and understanding of the importance and actual authority a sheriff holds on behalf of his or her constituency.

I urge support of Republican candidates this November; however, I do hold separate the race for county sheriff. In this race, I would rather see the most qualified and trusted candidate win, and in the future, like judges, I would support removing partisan declarations from law enforcement elections. In selecting a qualified sheriff, I am looking for objectivity, integrity, experience and a solid understanding of the Constitution. A candidate for sheriff shouldn't need to hide behind blanket affiliations in order for the public to know where he or she stands on these principles.

I support Franklin Kluesner II for Beaverhead County Sheriff. Frank has a vision for and the experience needed to implement best practices that serve all of Beaverhead County's needs. I have complete confidence in his leadership abilities to build a stronger Sheriff's Department, and have witnessed his absolute dedication to the people he serves.

It is obvious that the County Attorney has never read the book *How To Be A Successful Tyrant* by Larken Rose, ISBN 0-9777834-1-3. If he had he never would have called you. Don't let the title of this book fool you. If you have any problems or questions about the government this book will answer those questions.

The Story Behind the Symbol

Enrique "Kiki" Camarena grew up in a dirt-floored house with hopes
and dreams of making a difference.

Camarena worked his way through college, served in the Marines and became a
police officer. When he decided to join the U.S. Drug Enforcement Administration,
his mother tried to talk him out of it. "I can't not do this," he told her. "I'm only
one person, but I want to make a difference."

The DEA sent Camarena to work undercover in Mexico investigating a major drug
cartel believed to include officers in the Mexican army, police and government.
On Feb. 7, 1985, the 37-year-old Camarena left his office to meet his wife for
lunch. Five men appeared at the agent's side and shoved him in a car. One month
later, Camarena's body was found in a shallow grave. He had been tortured to
death.

In honor of Camarena's memory and his battle against illegal drugs, friends and
neighbors began to wear red badges of satin. Parents, sick of the destruction of
alcohol and other drugs, had begun forming coalitions. Some of these new coalitions
took Camarena as their model and embraced his belief that one person can
make a difference. These coalitions also adopted the symbol of Camarena's
memory, the red ribbon.

The National Family Partnership organized the first Nationwide Red Ribbon
Campaign in 1988. Since that time, the campaign has reached millions of U.S.
children.

In 1997, the Texas Commission on Alcohol and Drug Abuse began committing
resources to ensure the continuation of the Red Ribbon Campaign in Texas, as well
as the hopes and beliefs behind this grassroots effort to protect children from the
dangers of alcohol and other drugs.
