BREAKING NEWS – PROVISIONAL BALLOTS:

by MJ

Sheriff Race: HANSEN versus KLUESNER

Kluesner remains the winner of sheriff race. Votes counted for Kluesner (24) – Votes counted for Hansen (20) with 9 ballots not marked. All 53 provisional ballots were validated and counted. There were three veteran election judges doing the counting. The next step in the election process is the canvassing of the ballots which will be done on Monday, Nov 17th. The count at this time is

PROVISIONAL BALLOTS: Provisional ballots are used to record a vote when there are questions about a given voter's eligibility. Example 1) Voter refuses to show a photo ID where required. 2) Voters name does not appear on the electoral roll. 3) Voter's registration contains inaccurate or outdated information such as the wrong address or misspelled name. 4) Voter's ballot has already been recorded.

Note: It is possible for parties to force certain voters to cast provisional ballots so they can suppress the vote of an opponent being counted on election night. Provisional ballots could set the stage for a ballot-by-ballot brawl deciding why each provisional cast ballot should or should not be a countable ballot. Candidates can become mired in litigation over the validity of provisional ballots.

HAVA: [Help American Vote Act of 2002] was legislation enacted because of problems during the presidential election of 2000. HAVA lets state law determine the criteria of voter eligibility that will decide whether a provisional ballot will count. **NOTE:** The language that HAVA used to give states this authority is somewhat convoluted and could open the doors for lawyers and courts to make final decision.

The courts are supposed to be the decisions makers however, Beaverhead County and City of Dillon seem to be building a record where elected officials define the meaning of statutes. Examples below.

- ✓ On the Recall Petitions County Attorney Fitch stated that the council members appeared to have broken the law however in his response he wrote it was not significant enough for them to lose their positions.
- ✓ The Recall Petition is still undecided and has had no hearing date set by Judge Tucker.
- ✓ Did Sheriff Hansen abuse his "color of authority" by printing advertisements using his title and the official titles of employees in his office? Were there infractions possibly committed by County Attorney Fitch? Were citizens deprived of their ensured right to secrecy of ballot? You decide by reading (Article 5, Section One of the Montana Constitution) & (Color of Law).

Here are the **unofficial election results** after provisional ballot count from Deb Scott, Clerk and Recorder.

CITY HAPPENINGS
 By: Lynn Westad

The meeting started at 7:00 with what appeared to be a regular agenda. After minutes approval WWC Engineering made a presentation regarding what they could offer regarding the Growth Policy document which the Planning Brd is in the process of revising. Cost for them doing entire plan approximately \$35,000. If requested to do data research and maps around \$15,000.00. The Planning Brd meets Nov 11, and will discuss this proposal.

A resolution setting the salary of Judge Thompson was approved. Next DT & H Engineering commented briefly on the work on Bannack St which is planned to start in the spring. Following were brief reports and minutes from various committees.

SPLASH PARK AND BIKE CAMP

The Cemetery/Parks Committee which had met previously opened a discussion on a proposed Splash Park and Bike Camp in Dillon. The group led by Ray Ann Sutton wishes to build the Splash/Park at the Jaycee Park where the tennis courts now exist. The land is owned by School District #10 and Ray Ann stated that the school would want to lease land to the City. Mayor Klakken stated he is hesitant to build improvements on land not owned by the City. The initial cost of building the splash park would be done by obtaining money through a grant. It would be a matching grant. Many members of the council asked questions on the costs of restrooms, maintenance, liability and need of supervision at the park and the impact these costs would have on the city budget. Also questions on what impact on other groups that use the park need to be answered. Marie Giere a member of the public living close by spoke of concerns with parking in an area already stressed with parking issues due to apartments and other housing surrounding the park.

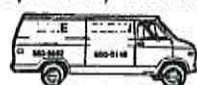

A representative of the YMCA stated he thought the idea was in their mission and there is space behind the building that could possibility work and details of use of restrooms, showers and supervision could be worked out.

Next was the discussion of a Bike Camp. This camp is designed for bicyclists touring Montana to spend nights. The group proposed that the best location is the Depot Park so campers could be close to downtown businesses. This land is leased to the City by the Union Pacific Railroad. This again as Mayor Klakken stated would require substantial investment by the city on non-owned land. It would require restrooms, showers, sinks for cleanup washing, and fencing. The park would be unsupervised and as it open to the public any member of the public could camp there and it would be difficult to put limits on days and time they could occupy premises. Again primary concern is the impact on the city budget.

It was stressed to the group that both ideas are great and it would help bring additional income to the community which would be great. The City Council must though do their due diligence to be sure we are prepared with all of the information before we use taxpayers dollars. The last request by Dick Achter was that the group bring a proposal with supporting documents that answer all of the questions and costs be brought to the council. The Council thinks that the two projects could be good addition to Dillon. So when a formal proposal is presented the Council will review carefully to make the best decision for the community. The meeting was adjourned shortly after 9:00 pm.

outside of VA when they qualify for the new program based on the distance of their residence from a VA care facility, or when wait times for VA health care exceed the standards established in law. The Choice Card does not replace the identification card you already use to access other VA benefits; please do not throw away that identification card.

The Choice Card will be issued in three phases. The first group of Cards along with a letter explaining eligibility for this program is currently being sent to Veterans who may live more than 40 miles from a VA facility. The next group of Choice Cards and letters will be sent shortly thereafter to those Veterans who are currently waiting for an appointment longer than 30-days from their preferred date or the date determined to be medically necessary by their physician.

The final group of Choice Cards and letters will be sent between December 2014 and January 2015 to the remainder of all Veterans enrolled for VA health care who may be eligible for the Choice Program in the future.

We are continuing to work with our partners-Congress, Veterans Service Organizations, and others-to get the information about this health program out to Veterans in as many ways as possible. Please visit our Web site at www.va.gov/opa/choiceact where we have provided helpful information on Choice Program eligibility. We will work with our partners to keep you informed as we improve our delivery of high-quality, timely care.

Thank you for your service and sacrifice.

Sincerely,

Robert A. McDonald

ROTARY SPEAKER

UMW Professors Bethany Blankenship and Christian Gilde will present to Rotarians and guests Wednesday, Nov. 12, 2014. They will discuss their finding on reading communities, including book clubs in the United States and research on book clubs in Dillon, MT. They have studied the reading habits of men and women in the United States. This research includes a general overview of reading communities, women and reading groups and the power of reading groups. Anyone interested in learning more about Rotary should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Craig Rehm at crehm@dadco.com or Roxanne Engellant at engellant@gmail.com.

Barrett Hospital & Healthcare Increases Eligibility for Financial Assistance

For many years, Barrett Hospital & HealthCare has offered financial assistance to those patients in need. The policy was recently updated to increase the income level for applicants. In order to be eligible for financial assistance at Barrett Hospital & HealthCare, a patient must earn less than 200% of the poverty level and have applied for some form of health insurance. The financial assistance program is a last-resort option for those who have attempted to obtain health insurance from all other applicable sources. If you have questions about the Financial Assistance

Program at Barrett Hospital & HealthCare, Financial Counselors Stephanie Bingham and Tara Jo Ackerson are available to assist you.

In addition to their duties as financial counselors at BHH, Tara Jo and Stephanie are both Certified Application Counselors for the insurance exchange, and they have limited appointments available for the community to have their questions answered about the application process. For more information and to talk with the financial counselors, please call (406) 683-3034.

DMS VETERANS DAY PROGRAM

Come join us on Tuesday, November 11th from 10:45 to 11:30 a.m. in the school's new gym. We are inviting current and former veterans. After the program the school will be providing free chili & cinnamon rolls for the veterans. There will be guest speaker, Allen Fox a WWII veteran. If you are coming to lunch please RSVP Karen at, 683-2368. We hope that all the veterans will join us.

SLOW START TO THE THIRD WEEK OF GENERAL SEASON

In Region 3, hunters were again met by relatively warm conditions for their deer and elk hunts on Saturday. However, rain and wind moved in on Sunday and that reportedly got some animals moving, giving hunters more opportunity for success on Sunday.

The highest number of individual hunters came through the Cameron check station in the Madison Valley where hunters saw moderate success. The Alder check station saw the highest rate of harvest success at near 12 percent.

*Barrett Hospital & HealthCare Celebrates
National Nurse Practitioner Week
November 9-15, 2014*

National Nurse Practitioner Week is held annually to celebrate these exceptional health care providers. Nurse Practitioners order, perform and interpret diagnostic tests, diagnose and treat acute and chronic conditions; and prescribe medications and other treatments. In addition to providing a full range of services, NPs work as partners with their patients, guiding them to make educated healthcare decisions and healthy lifestyle choices.

To make an appointment with Danielle Maxfield, FNP-C, call Barrett Hospital & HealthCare Clinic at (406) 683-1188.
