## Mabel Allen - 93

Mabel Peterson Allen (MiMi) passed away Nov. 12, 2014 at the Butte Community Hospital. Mabel was born November 25, 1920 to John & Tina Downing Peterson of Lima, MT. She attended school in Lima and later married Harry N. Allen of Butte.

Shortly after, Harry joined the army and Mabel went to work as a waitress for the White Café in Lima. That is when two or three greyhound buses would stop there at the same time. Her memory made her capable of

taking orders and not writing any of them down.

When Harry was discharged from the army, they remained in Lima where he worked as a fireman for the railroad. They later traveled on construction jobs. He helped build the Clark Canyon dam at Armstead until it was completed. They moved to Butte where he worked for the Anaconda Company. Upon retiring they moved back to Lima where they enjoyed camping and fishing. The love for her nephews and nieces made them her special family.

She became affectionately known as 'Mimi' by those who knew her well. Mabel had as many as two or three of her special children with her most of the time, besides often some of their friends.

She was a member of the Lutheran Church in Butte, the Lima Community Church and the Eastern Star. Mimi is survived by her sisters, LaVera Kalsher of Butte, Genrose Jolley of Milwaukee, OR, and Darlene Brown of Lima, and numerous loving nephews and nieces.

Mabel was preceded in death by her husband Harry Allen, mother Tina, father John, stepfather Bus Peterson, nephew Raymond Jolley, and niece Tawnya Brown.

She will be missed by her family and friends. At her request no funeral services are planned. The family will have a remembrance at a later date.

Please send contributions to the Lima Community, Church in Lima, MT.

## SHEPPARD NAMED NEW REGION 3 SUPERVISOR

Montana Fish, Wildlife & Parks announced that Sam Sheppard has been named the new Region 3 Supervisor. Sheppard takes over the role vacated in August by Pat Flowers.

Sheppard has been with the Department for 20 years, spending the last 12 years as Region 3's Warden Captain. Prior to Region 3, Sheppard served as the Warden Captain in Glasgow, Montana (Region 6), a criminal investigator based in Helena, and also spent time as a field warden in Broadus, Montana.

FWP's Chief of Operations Paul Sihler pointed to Sheppard's breadth of experience when it came to the selection process.

Twenty-three people applied to fill the Supervisor vacancies in Region 1 and Region 3. Finalists for each position presented at recent public forums in Bozeman and Kalispell. Wildlife Manager Jim Williams was chosen for the Region 1 position.

## Forest Service, BLM Christmas Tree Permits Available

If your Christmas spirit gets a boost from going to the woods to cut your own Christmas tree, then the Forest Service and Bureau of Land Management can help out.

With a permit, you can cut a Christmas tree in all the national forests in Montana and on public lands served by BLM's Missoula, Dillon, and Butte field offices.

Forest Service offices selling permits in Southwest Montana are located in Philipsburg, Butte, Whitehall, Dillon, Wisdom, Wise River, Sheridan, and Ennis.

Christmas tree-cutting permits are \$5, and each family may purchase up to three permits. Cutting trees without a permit is subject to a citation and fine.

Tree cutting is not allowed in wilderness areas or in BLM-administered wilderness study areas.

When you purchase a permit, you will also receive a helpful information sheet that gives advice on how to best cut and care for your Christmas tree.

Forest Service and BLM offices are open weekdays, from 8 a.m. to 4:30 p.m.

The following local locations also sell permits:

- Butte: Bob Ward and Sons Sporting Goods
- Lima: Ralph's Exxon

You may also buy permits by mail. Send a check for \$5 to the nearest Forest Service office (make the check out to "USDA Forest Service") or to the nearest BLM office (make the check out to "USDI Bureau of Land Management"). Be sure to include your name and address.

For more information contact the Forest Service at (406) 683-3900, or the BLM at (406) 533-7600.

## Photography fees and permits on Federal Lands.

By: MJ

It appears that the Forest Service is finalizing plans that would limit filming and photography in federal wilderness areas. Chief Tom Tidwell said that the directive pertains to commercial photography and filing only and if you are gathering news or taking recreations photographs there would be no permit required.

**Commercial Filming as defined by FS:** the use of motion picture, videotaping, sound-recording, or any other type of moving image or audio recording equipment on National Forest System lands that involves the advertisement of product or service, the creation of a product for sale, and/or the use of actors, models, sets, or props, but not including activities associated with broadcasting breaking news. (FSH 2709.11 08-2 (Ch40))

**YOU DECIDE:** 1) Is the plan clear on what recreational or non-commercial photography and recording are? 2) If you took a picture with your cell phone would that require a permit? 3) Does this policy put inappropriate government limits on activity that is protected by the First Amendment? 4) Would still photography and commercial filming in Congress-designated wilderness areas require a permit, and would shoots have to be approved and meet certain criteria like not advertising and product or service and being educational? 5) Does this only pertain to wilderness areas or would it be applied to all National Forest System lands (see commercial filming definition by FS above)? 6) Is the wilderness areas government land or is it public lands?

The federal government does not always make it clear what they are saying and can be interpreted several different ways. Might this ruling be open for determination that could fit ones needs (maybe the person giving the permit). Permits could cost up to \$1,500.

If you want to have a say contact your federal and state representatives.

## The Bridge

A man on his Harley was riding along a California beach when suddenly the sky clouded above his head and, in a booming voice, God said

'Because you have tried to be faithful to me in all ways, I will grant you one wish.'

The biker pulled over and said, 'Build a bridge to Hawaii so I can ride over anytime I want.'

'God replied, 'Your request is materialistic, think of the enormous challenges for that kind of undertaking. Look at the supports required reaching the bottom of the Pacific and the concrete, asphalt and steel it would take!'

I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of something that could possibly help mankind.'

The biker thought about it for a long time.

Finally, he said, 'God, I wish that I, and all men, could understand women. I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothing's wrong, why she snaps and complains when I try to help, and how I can make a woman truly happy.'

God replied:

"You want two lanes, or four, on that bridge?"
