HELPING SUPPORT OUR SOLDIERS

This year the 3-D will be collecting items for the patients at Fort Harrison. Since we do not have a specific soldier to send stockings to we decided this would be a good way to support our troops. We talked to the Volunteer Services department and the items on their wish list are: socks, underwear, hats, gloves, craft items or kits, jerky, puzzle books, jigsaw puzzles, hand held games (and the batteries if needed). The patients are usually there for a while and are looking for things to do or something to snack on that isn't hospital food. Drop your items off at 3-D any time before Dec.15th. Feel free to include a Christmas Card! Thanks for helping support our Soldiers!

HELIX VICE PRESIDENT TO SPEAK AT MONTANA WESTERN

The University of Montana Western business department will host Helix Business Solutions vice president Travis Cottom on Dec. 4.

Cottom will present at 6 p.m. Thursday, Dec. 4, in the Lewis and Clark Room in Mathews Hall on the UMW campus. The presentation is open to the public.

Cottom received his education at the University of Montana Western and after graduation began his software consulting career at RightNow Technologies in Bozeman, Mont., before joining Helix Business Solutions in August 2013 to lead their existing customer practice and Helix's growth in Montana.

Helix Business Solutions recently announced its expansion into Southwest Montana with a western office in downtown Dillon. In the last five years, Helix has experienced a 45 percent growth.

Cottom, a Dillon native, grew up on a family farming operation and looks forward to being a part of the Dillon community once again. Cottom plans to partner with Montana Western to provide new opportunities for students and graduates.

"We're officially moving in," Cottom said in a press release announcing the Dillon office. "Not only are we moving in, but we're doing it in a big way. We're hiring some of the most qualified and hardworking associates the industry has to offer, and we're also working with Montana Universities, specifically the University of Montana Western, to continue our growth."

INTERAGENCY GRIZZLY BEAR COMMITTEE (IGBC) TO HOLD ITS WINTER MEETING IN MISSOULA ON DECEMBER 9 & 10

The Interagency Grizzly Bear Committee (IGBC), the multi-agency committee responsible for grizzly bear recovery in the lower continental United States and adjacent Canadian Provinces will be holding their annual winter meeting in Missoula, Montana from December 9, 2014 – December 10, 2014. The meeting will take place at the Holiday Inn Downtown, located at 200 S Pattee St. The sessions on both days will begin at 8:00 AM. The public is invited to attend, and a public comment period will be provided at the end of each day.

Leadership of the IGBC alternates on a two-year basis between state and federal member agencies. Scott Talbott, the Director of Wyoming Game & Fish is the current chair who will be handing the gavel over to Vice-Chair Tammy Whittington, Associate Regional Director for Resource Stewardship and Science in the Intermountain Region of the National Park Service. Because of unexpected medical issues, Talbott will not be attending the meeting, so Whittington will begin her term at this meeting. The Wyoming Game & Fish Department will be represented by Brian Nesvik, Chief Game Warden and Chief of the Wildlife Division and current chair of the Yellowstone Ecosystem Subcommittee. The committee will select a new vice-chair from the state agency members.

Individuals with disabilities may request meeting accommodations by contacting Gregg Losinski at 208 -390-0635 or through the Idaho Relay Service at 1-800-377-3529 (TDD). The Winter IGBC Meeting agenda may be viewed by visiting the IGBC Website at: http://igbconline.org/images/pdf/141201_Exec_Winter_Agenda.pdf

BEAVERHEAD COUNTY HIGH SCHOOL PERFORMS 2015 National Association for Music Education

The Symphonic Band from Beaverhead County High School has been selected to perform a concert hour at the 2015 National Association for Music Education (NAfME) Northwest Division Conference to be held in Spokane, WA February 12-15. The band will share their performance with the Vallivue High School Wind Ensemble from Caldwell, ID. This year will be the third time an ensemble from BCHS has been invited to attend the Northwest Conference. Others were the Teen Tones in 2007 and Symphonic Band in 2011.

The Symphonic Band is one of 30 ensembles performing at the Conference. The only high school band from Montana, they will be joined by other Montana groups including the University of Montana Chamber Chorale, UM Jazz I, Great Falls High School Delphian Choir, and the Missoula Youth Symphony.

The **National Association for Music Education** (NAfME), among the world's largest arts education organizations, is the only association that addresses all aspects of music education. NAfME advocates at the local, state, and national levels; provides resources for teachers, parents, and administrators; hosts professional development events; and offers a variety of opportunities for students and teachers. The Association orchestrates success for millions of students nationwide and has supported music educators at all teaching levels for more than a century Since 1907, NAfME has worked to ensure that every student has access to a well-balanced, comprehensive, and high-quality program of music instruction taught by qualified teachers. NAfME's activities and resources have been largely responsible for the establishment of music education as a profession, for the promotion and guidance of music

study as an integral part of the school curriculum, and for the development of the National Standards for Arts Education.

The NAfME Northwest Division Conference is a biennial conference for music educators of the Pacific Northwest. Teachers from Montana, Wyoming, Idaho, Washington, Oregon, and Alaska will attend. In addition to education specific sessions, the conference also includes concert hours in the disciplines of band, choir, orchestra, and jazz. The hours are meant to highlight the many wonderful music programs of the Northwest. Levels will range from elementary children's choirs to collegiate level bands, choirs, and orchestras.

The Symphonic Band will hold several fundraisers to make the trip possible. Thanks to the generosity of Karl Tyler's Beaverhead Motors and Tim Stoker, the band will be raffling a 2013 Chevrolet Cruze. Other prizes on the raffle include a Patagonia jacket, a $200 pair of Ray Ban Sunglasses from Precision Eye Care, and more. Students are selling the tickets for $20 per ticket and only 1500 will be sold. Additional fundraisers include concessions at the divisional cross country meet; had a tailgate fundraiser at a UM-Western football game; selling BCHS lip balm; and selling meat products from the Chalet Market in Belgrade.

If anyone is interested in donating to the Symphonic Band, or buying raffle tickets, you may contact the Music Room at 406-683-4411 or any band member. You can also make a tax deductible donation (501C3) to the Dillon Friends of Music by sending the donation to DFOM, P.O. Box 934, Dillon, MT 59725.

Christmas Budgets

By: MJ

Studies say that 74 percent of adults will make a budget for their Christmas spending and 49 percent say they may or may not stick to the budget. Following are a couple reasons why we don't follow a financial plan.

1) **You have a target spending number in your head however you don't have a true budget.** If you have a budget it would be broke down into $10 for John's gift, $50 for food for party, $100 for tree and decorations.

2) **You think money equals love.** You want your loved ones to know that you love them and they are important enough for you to spend a boatload of money on. **NOTE:** *You're pride and thinking you need to keep up appearances plays a great part in how much you spend. Just because someone spends a lot of money for a gift for you does not mean you must spend the same amount of money on them.* Be thoughtful and thrifty rather than spend money you don't have.

3) **You forget to include people and events in your budget.** There's always unexpected expenses – build in a buffer.

4) **You get sidetracked by deals and displays at the stores.** Retailers are out to make money and they will use clever tactics to get you to spend - spend - spend. Stores spend thousands of dollars to identify the perfect spot to place items that will entice you to buy as well as what colors to use in the displays to get your attention. Keep your money – don't buy into the game they want you to play.

5) **You decide to treat yourself.** One again the retailers know that it is hard to resist picking up just a little something for ourselves while we are out shopping for gifts. A gift for ourselves is not usually included in the Christmas budget.

Enter the New Year without extra debt and guilt free by preparing ahead exactly what you will spend celebrating the Christmas Season. Write down an itemized list of what you need to buy, how much each item will cost and then add a few extra dollars for a contingency fund.
