Water/Sewer Savings ??

By: MJ

Question is: Will there or won't there be a savings for the people?

Mayor Klakken has been working diligently on how he could decrease your Water-Sewer statements. He will making a presentation to the Water-Sewer Committee, December 9 at 1:00 PM at City Hall how this savings can be accomplished. *The Mayor will present two (2) proposals to the committee for consideration. The committee then will forward their recommendations onto the full council.* ***Remember the council has the final say on these two proposals.***

1st Proposal: Would give $25+/- per month reduction on your water-sewer statement and would be a savings to the city 3+/- million dollars

2nd Proposal: Would give a savings for rate payers of $19+/- a month and a savings to city of 3+/- million dollars.

2nd Alternate Proposal: With this proposals there would be a savings of $29+/- for the rate payers and 3+/- million savings for the city.

The above savings of 3+/- million dollars and rate reductions to the rate payers will be made possible by taking money that is available in "Sinking Fund" accounts to buy back the bonds. By buying back the bonds the city will then make the interest payments to the city.

Let your ideas be heard by contacting your council representative or attend the meeting. You can call the city @ 638-4245 to find out who and how to contact your council member representative.

Letter to the Editor

In regard to yesterdays wolf letter:

Maybe you should get a t-shirt that not only covers your big belly - but also covers your big mouth. Yes, I am one of the old ladies you referred to - hunting.

One of the best memories I have is a wild wolf I saw up at Little Sheep Creek waling along minding its own business. What a thrill and great memory of that day!

Maybe you need to learn to appreciate all of God's creations.

Three UMW spikers named Scholar-Athletes

The 2014 Daktronics-NAIA Scholar Athletes for volleyball were announced on Friday morning and Montana Western had three athletes earn the distinction.

The National Association of Intercollegiate Athletics (NAIA) announced volleyball student-athletes that have been named 2014 Daktronics-NAIA Scholar-Athletes. The University of Montana Western had three women earn the honor. The student-athletes were seniors Breanne Kelley, Madison Mansch, and Kendra Mendicino.

In order to be nominated a student-athlete must maintain a minimum grade point average of 3.5 on a 4.0 scale and must have achieved a junior academic status.

"I am very proud of these three girls for being great examples of true student-athletes," said head coach Lisa Griffiths. "They are dedicated in the classroom and on the volleyball court and I am happy to see them get recognized for those achievements."

Breanne Kelley is a senior from Polson, Mont. She was an outside hitter for the Bulldogs and played in 367 games during her career. She had 761 career kills and defensively had 903 digs. Breanne is majoring in elementary education.

Madison Mansch is a senior from Missoula, Mont. She graduated from Loyola Sacred Heart High School. Madison was a setter for the Bulldogs and had a career high of 157 assists during her senior year. She is majoring in health and human performance.

Kendra Mendicino is a senior from San Diego, Calif. In her two seasons as the Bulldog libero she played in 213 games. Kendra had a team leading 557 digs in 2014 and over 1,100 digs during her career. She is majoring in health and human performance.

"I'm excited to see them graduate and go out into the world and continue their successes," Coach Griffiths continued. "We will miss them here but I know they will have a positive impact wherever they go."

Diamond K Trading Company

First of all, we, Katy and Kari at Diamond K Trading Company would like to say thank you from the bottom of our hearts. To our family, our friends, Dillon businesses, our customers nationwide, and our communities back in Washington and here in Montana, Diamond K owes everything to. Throughout the years we have grown in this community and as individuals. We have made irreplaceable friends, and thanks to you, we have built a successful business. We can't help but get a little choked up thinking of all the times we've shared a cup of coffee with you. You have supported us through our heartbreaks and celebrated with us in our victories. Your stories, your lives, and your dedication to shop small enriched our lives more than you could ever know. We are so grateful you all gave us a chance to create something like this together.

But the time has come. This will be Diamond K Trading Company's last month in business. We have so many dreams that we hope to fulfill, goals that we have yet to conquer. We have college degrees to finish, horses to train, and places we have yet to see. Katy is getting married to the man of her dreams; Kari is ready to move ahead wherever that may take her. It's a bittersweet time for the both of us. But once we were told, "Don't look back, but if you have to, don't look back for very long." And with that idea, we are ready to jump into the next chapter of our lives.

With all of that being said, we invite you to come shop and grab your favorite Doma Espresso drink at Diamond K Trading Company throughout the month of December. We have every intention of going out with a bang, so help us help you during this Christmas season!

God Bless,
Katy and Kari McKee

December 7, 1941 the Imperial Japanese government attacked Pearl Harbor. HELPING SUPPORT OUR SOLDIERS

This year the 3-D will be collecting items for the patients at Fort Harrison. We talked to the Volunteer Services department and the items on their wish list are: socks, underwear, hats, gloves, craft items or kits, jerky, puzzle books, jigsaw puzzles, hand held games (and the batteries if needed). The patients are usually there for a while and are looking for things to do or something to snack on that isn't hospital food. Drop your items off at 3-D any time before Dec.15th. Feel free to include a Christmas Card! Thanks for helping support our Soldiers!

Change of Services at Wise River Office

The Beaverhead-Deerlodge National Forest (BDNF) will be reducing visitor services during the winter months at Wise River, beginning Dec. 15. "Our declining federal budget has caused the Forest Service to evaluate present and future cost commitments within three major areas: fleet, facilities, and personnel. For this reason the BDNF has made a decision to reduce winter visitor services provided at the Wise River Work Center," said Wisdom and Wise River District Ranger Russ Riebe. Visitor services will not be conducted on a regular schedule at Wise River from Dec. 15 through April; however, appointments can be made by calling the Wisdom office at (406) 689-3243. Full visitor services will resume in Wise River in May of 2015.

Forest Service offices located in Butte, Philipsburg, Wisdom, Dillon, Sheridan and Ennis are open Mon. through Fri. 8 a.m. to 4:30 p.m. to provide additional service and information.

Forest maps are available at the remaining Forest Service Offices on the BDNF and also on line through http://www.nationalforeststore.com. Maps may also be downloaded to mobile devices through the Avenza PDF Maps App, which is available as a free download from iTunes and the Android Play Store. Forest Service visitor map downloads cost $4.99 each.

For more information contact the Wisdom and Wise River Ranger District in Wisdom at (406) 689-3243.

HOLIDAY BLOOD DRIVE

A Dillon community blood drive will be held on Tuesday, December 16, 2014 from 1:00 to 6:00 PM at the Elks Lodge (27 East Center Street). The drive is facilitated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome, but those making appointments will receive priority.

This blood drive will help replenish Montana's blood supplies for the upcoming holiday season. Blood can only be stored for 42 days, so the blood that is collected now will save the lives of hospital patients or those receiving medical treatments during the holidays.

To donate blood, volunteers must be at least 17 years old, weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks. Donations of blood are down nationwide, so if you can donate, won't you call or go online?

Please bring your United Blood Services Donor card or photo ID. Join us for some holiday treats and save a life!

Are chairs the new cigarettes?

By: MJ

Dr. James Levine has wrote a book titled "Get Up" about how chairs are killing us. Levine is the inventor of the treadmill desk. He equates sitting as destructive to our bodies as smoking.

In today's world we have a computer centric workforce that means a lot of sitting. According to Levine sitting all day is not natural for our bodies and can be blamed for many ailments. What to do? Get up and move more. Take a walk after lunch or other meals, park your car further away from grocery store door, stand up and stretch, move your legs, dance, walk to mailbox instead of sending kids…

It has been proven scientifically that the brain functions at a higher level if humans get up and move. There is a study non-exercise activity thermogenesis, "NEAT" that defines the energy expenditure of activity. The study includes activities like; dancing, shoveling snow, walking…

Levine makes a direct tie of low NEAT to obesity, diabetes, heart attacks, cancer and says that "sitting is more dangerous than smoking, kills more people than HIV and is more treacherous than parachuting. We are sitting ourselves to death."
