### Carol Ann Judge

Former Montana First Lady Carol Ann Judge passed away on Dec. 7, 2014. She was born June 7, 1941, in Los Angeles to Kermit Anderson and Hazel Anderson. Carol grew up with a deep appreciation of the diversity of people, cultures and foods in the area.

The family moved back to Helena when she was 10, and she was proud to graduate from Bryant Elementary, just as her parents had. Her 1958 Helena High School graduation came exactly 30 years after her parents', and 30 years prior to her second son's. In 1962, she graduated with honors from Montana State University with a degree in nursing. She earned her master's degree in psychiatric nursing in 1983.

Carol accepted her first nursing job in Missoula in 1962, starting a career that would span a half-century. In fall 1966, Carol established Helena's first Home Health Agency at St. Peter's Hospital.

In 1973, when her husband, Thomas L. Judge, became governor, she began a tireless campaign to improve the 12 state institutions. Her initial focus was on the state psychiatric hospital in Warm Springs, and the Boulder River School and Hospital. In the early 1970s, Carol addressed another major problem: dangerously low immunization rates in children. The ensuing "Every Child in '76" Campaign culminated in major legislation signed into law. Similar success was seen in Carol's efforts to reform the approach taken to substance abuse issues. By 1974, it was coming to the public's attention that substance abuse was a treatable condition.

In 1977, Carol's advocacy on behalf of the chemically dependent and mentally ill was rewarded with her appointment to the Liaison Panel on Alcohol Related Problems for the President's Mental Health Commission. In 1987, Carol began another collaborative campaign, to help nurses suffering from substance abuse.

In 1985, she began a 22-year career working at Fort Harrison Veterans Hospital. After a brief retirement, she applied for a part-time RN position at the Behavioral Health Unit at St. Peter's Hospital in 2009. When she became ill, she found it necessary to step down from this position.

Carol's faith and spirit of service were central tenets of her personality. She was an active member of the St. Helena Cathedral parish and a founding member of Family Promise. Of all the many roles she had throughout her life, she always stated that her most cherished was being a mom. She relished the close friendship she had with Thomas and Patrick.

She was deeply grateful for the profound and compassionate care she received from the Cancer Treatment Center of St. Peter's Hospital.

Carol was preceded in death by her parents, Kermit and Hazel (Larson) Anderson; and her former husband, Thomas Lee Judge. She is survived by her sons, Thomas Warren Judge and Patrick Lane Judge; her sister, Shari Pettit; nieces Allison

## Here's the Dillon Middle School news for the week of December 15th through 19th

The lunch menu for the week is as follows: On Tuesday a sub sandwich will be served with chips, and on Wednesday, we will have a chicken patty on a school made bun. Thursday, we will enjoy sloppy joes with chips, fruit and vegetable, and on Friday vegetable beef soup will be served with school made bread, peanut butter, honey, and applesauce.

The boys' basketball A teams were in a tournament in Ananconda on December 6th. Both teams played very well. The 7th grade team ended up in 2nd place, while the 8th grade team finished 4th. On Tuesday, December 9th, the teams played Butte East in Butte. All 4 teams came away with victories. 7B won 42 to 34. 7A came out on top 47 to 35. 8B won 27 to 22. And 8A finished on top 48 to 46 in a very fast, aggressive, back and forth game.

Congratulations to the Hannibal the Cannibals volleyball team for winning the lunch time volleyball tournament. The team of Hannah Afoa, Jesselyn Zimmerman, Tylia DeJohn, Kylie Pittman, Shylee Ledbetter, and Josy Jones were the victors. Thanks, Mr. Williams for running such fun lunch time tournaments.

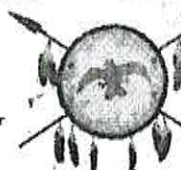

The winter band concert will be tomorrow, Tuesday, December 16th, at 7:00 pm in the new gym. This concert will include 6th through 8th grade choirs and bands. The concert is free and open to the public. So come and enjoy an evening of holiday music.

The battle of the books participants are building up their reading muscles for an epic Battle of the Books as they train to take down their competitors with a heavy knowledge of their books, strong teamwork, and fierce smiles. The first round takes place during 8th period on Tuesday and Wednesday this week. Here are some of the comments that are circulating among members: "Wow, you really can't judge a book by the cover... Two old women is an intense book!" "Graphic novels are hard to read." "Counting by 7's is sad, but it also filled with hope. Willow is such a weird, unique character - I've never read about a character like her." The winners of these battles will move on to the championship round and a chance to win \$100 on Friday, December 19th during 8th period. Good luck to all the participants, and thank you Mrs. Telling for creating this wonderful learning experience.

## Letter to the Editor

Letter to the Editor and the "insane" politicians in Washington

Once again this community is collecting winter coats for kids, and young adults. What a nice gesture to all who participate in this cause. But and yes there is a but:

The American Government paid two military psychologists \$80 million dollars to develop torture tactics to be used on prisoners. \$80 million dollars to torture people. But we have to collect coats for children. Something is very wrong with this picture.

The American Government bailed out Wall Street, \$700 billion dollars. And those who cheated. What did they get? Big bonuses. But we have to collect coats for children. Something wrong with this picture.

The American Government, which means us as taxpayers bailed out banks at the cost of \$85 billion dollars. Bail out banks, what happened to the money? But we have to collect coats for children. Something wrong with this picture.

Big Corporations!! 65% of the big corporations pay no taxes and make billions in profits. Another crime. But we have to collect coats for children.

Now we are told that the War in Iraq will cost the tax payers some \$3 trillion dollars. A war we did not need. Another crime. But we have to collect coats for children.,

Is there anybody sane in Congress, in Washington D.C.?

LaVon D. Brillhart

## Logging Resumes in West Big Hole

Winter logging activities have resumed along two primary access roads used by winter recreationists in the west Big Hole. The Skinner Meadows Road, Forest Road # 381, will have extensive logging operations activity beginning Dec. 15, and continuing through March of 2015. At the peak of log hauling, visitors could encounter as many as 15 to 20 trucks per day moving logs from the forest onto Highway 278 just south of the town of Jackson, MT. Highway traffic will also increase, in directions both north and south along the Highway 278 route.

Another area experiencing increased logging traffic is Forest Road # 624, from Highway 43 west of Wisdom, up Ruby Creek to Isaac Meadows. Forest visitors, especially snowmobilers planning to use these access points, are encouraged to use extra caution and watch for equipment and logging trucks. Hauling is not allowed during weekends or holidays, but activity may continue within the sale areas, and could mean short traffic delays. Forest visitors can get updates on groomed snowmobile routes, and designated parking areas by contacting the Wisdom Ranger District office at (406) 689-3243.
