MONTANA WESTERN MEN'S BASKETBALL

The University of Montana Western men's basketball team continued its recent hot streak, knocking of ninth ranked Concordia University Irvine 80-67 at the Scottsdale Classic.

The 7-3 Bulldogs led start to finish, extending their lead to 18-5 in the first half of the contest. The 11-2 Eagles' comeback bid was stifled by the 17 second-half points of UMW senior Jordan Overstreet. Coach Steve Keller credited the win to an unbelievable effort from the entire team. "We played great defense against a top 10 team and were dominant," said Keller. "This is probably the biggest win I've witnessed in my eight years with the program."

Junior forward Dexter Williams Jr. lead all scorers with 24 points in 33 minutes of play. Overstreet finished with 19 points in the contest, and senior guard Steven McCall was the third double-digit scorer with 18 points.

The Bulldogs face Vanguard University Saturday in their final game of the Arizona tournament before returning home for the holiday break.

Dear Friends and Supporters,

The kindness and support we have received from everyone has been AWESOME. Your Hugs and prayers are needed and received. I can verify there is "NO PLACE LIKE DILLON". I am receiving treatment Dec.22, 23, and 24. I will be home Christmas day to celebrate with my family.

Merry Christmas and Happy New year to all.

Here's the Dillon Middle School news for the week of December 22nd and 23rd

That's right only a day and a half of school this week as we enjoy our winter break.

Lunch will only be served today, Monday, December 22nd. We will enjoy a turkey dinner with mashed potatoes, a dinner roll, fruit and vegetable. Tomorrow morning, a grab and go breakfast will be served, but as school will dismiss at noon, no lunch will be served.

Our winter break will begin at noon tomorrow, Tuesday, December 23rd, and school will resume Monday, January 5th. Please have a fun but safe holiday.

We have the results of the Dillon Tribune's kids greeting contest. Around fifty middle school students from Mrs. Bartlome's art classes made Holiday cards for the contest. Congratulations to the winners. First place went to Chaidh (Kide) Lochridge. Emily Hansen received 2nd place for her entry. And Katie Van Slyke was the third place winner. Congratulations students.

Congratulations also to Savannah Hansen who represented us in the Punt, Pass, and Kick competition in Seattle. She won first place and became the Montana Champion and then took 4th place in the Western Region Championship. Great job Savannah.

Members of the DMS choir and band under the direction of Mr. Neil Lemieux, band director at DMS, were able to provide holiday music for the Barrett's Minerals Holiday party. The 8th grade choir along with several 7th grade members performed four seasonal numbers. Several band members performed duets and solos, and several students helped with the children at the party. In appreciation of the students' efforts, Barrett's Minerals generously donated to the school's music and art departments.

Spanish Club is in full swing. Any interested students should contact Ms. Hay for more information.

When school resumes on January 5th, basketball will begin for 7th and 8th grade girls. Practice will begin after school with the 7th graders in the DMS gym and the 8th graders in the new gym. Students will be coming home with a schedule sometime that first week of practice. Remember ladies wanting to participate in basketball, you need to have a current physical, concussion packet and permission slip in to the office before you may participate.

We want to wish everyone a very happy and safe holiday.

To the valued patients of Dr. Scott C. Olsen:

I am pleased to welcome Dr. Deirdre Singer who is joining our practice. Dr. Singer is from Fairview, Montana and received a degree in Biology from MSU-Billings before completing her degree in dentistry at the University of Minnesota. Because I want to be certain that my patients continue to receive the best possible care, I have carefully evaluated a number of candidates, and have selected Dr. Singer, whom I believe processes the highest qualifications and is extremely well skilled in all phases of dentistry. She has spent the past 5 years working for Indian Health Services which has helped her to hone her skills in all aspects of general dentistry, including oral pathology, extractions, restorations, and root canal treatments.

Dr. Singer is married to Preston and they have a daughter. They are moving from Wolf Point, MT and are looking forward to becoming active members of our community.

I want to personally thank you for your trust and confidence in penning me to care for your dental needs and I look forward to doing so in the future as well. We will now be able to extend our office hours and days to better accommodate you including evening hours. This will be a very positive addition to our practice, and I believe it will be a great benefit to our patients. We will continue to see patients of all ages and welcome new patients. We accept CHIP, Medicaid, and all dental insurance plans. We offer financing through Care Credit and Citi Bank.

Appointments are now available by calling 683-2671.

I hope you will join us in welcoming Dr. Singer to our practice. Dr. Singer will be joining our staff beginning January 2, 2015. Our practice will now be known as "Tranquil Smiles" and will continue to offer full dental restorative care including root canal treatment, dentures, implants and full crown and bridge. Visiting oral surgeon, Dr. Lance Lemer, will continue to be available for specialty care in Dillon, including surgical removal of 3rd molars, other oral surgery procedures, IV sedation, and implant placement. Thank you again for your loyalty and confidence. We look forward to seeing you in the near future.

Sincerely,
Dr. Scott C. Olsen

Santa's Sixth flight physical and chancing a HIPAA violation here: We have confirmed that Santa is flight worthy for his Christmas Eve journey through the skies. Despite our urging to the Jolly Saint Nick, his hunger for cookies will only grow throughout the night. To help him along his way, we encourage everyone to leave out cookies and milk for his midnight snacking. Keep your eye to the sky this Christmas Eve and have a very Merry Christmas and a safe and happy New Year.
