Barrett Hospital & Healthcare Increases Awareness of Holiday Weight Management

In an effort to aid Barrett Hospital employees in being health-conscious over the holiday season, the first annual Barrett Hospital & HealthCare Employee Weigh-Off concluded on January 6th. With three weigh-ins over three months, employees were encouraged to join teams, weigh as a team, and be conscious of their weight and eating habits during the holiday season.

From November 4th to January 6th, six teams that included 56 employees lost a total of 141 pounds, for a total percentage weight loss of 1.4%. This weigh-off was a group effort designed to keep portion control and moderate eating habits in the front of the minds of employees. Weight maintenance was the goal and weight loss was the result.

Barrett Hospital & HealthCare's Employee Wellness Program strives to provide employees with opportunities and incentives to live healthy lives so that BHH employees are able to care for patients to the best of their ability.

Special thanks to Jill Anderson and Murdoch's Ranch & Home Supply for providing the scale that accommodated the team weigh-ins.

For more information about the BHH Employee Wellness Program, please contact Geoff Roach at 683-3021.

Community Hand Bell Choir Forming

Do you love music? After several years of silence, bells are starting to be heard again in Dillon! Hand bells are considered to be one of the easiest instruments to learn. If you know how to count and can tap your foot to the beat when listening to a song, you can probably play the bells! Knowing how to read music helps, but if you don't have that knowledge, the minimum basics can be learned in no time. The most important qualification is a willingness to commit to the rehearsal schedule.

We are currently recruiting for two choirs:

The Youth Choir (known as the Ring Tones) rehearses on Sundays at noon and currently has openings for a few new ringers. The minimum age for this group is 12. Adults are welcome as well, so long as you're a kid at heart!

The Adult Choir is newly forming and has full openings for ringers ages 18 and up. Rehearsals will be in the evening, with the day of the week still to be determined. We will look at people's preferences and try to find the day that works best for everyone interested.

Both choirs will rehearse at First Presbyterian Church, 30 S. Pacific Street in Dillon. The Youth Choir primarily focuses on Christian music while the Adult Choir will include more secular music in its repertoire. Both choirs will have a philosophy that ringing should be joyful and fun!

If you are interested in joining either choir, please email Matthew Yetter at necsis@msn.com. Include your name, phone number, top three preferred rehearsal evenings and a bit of info concerning your musical skill level. If you have questions, please feel free to either email me or call 960-4639.

BARRETT HOSPITAL FOUNDATION RAISING FUNDS FOR EQUIPMENT

While technological advances in personal and home electronics are familiar to most people, hospitals are also seeing new technologies being introduced at breakneck speed. Hospitals and physicians are often faced with striking a balance between the rising costs of new equipment, functionality of current equipment and projecting how often new equipment would be used.

Barrett Hospital Foundation's mission is to "engage and steward healthcare philanthropy, funds, services and programs to enhance Barrett Hospital and HealthCare, ensuring continuous healthcare excellence for our community." According to Jim Gleason, Executive Director of Barrett Hospital Foundation, "Donors to the Capital Campaign contributed more than \$3 million to build the hospital, and many of these donors continue to give to help keep our equipment up to date."

The Foundation recently raised funds to purchase a BioFire Analyzer, which allows staff in the lab to detect and identify specific gastrointestinal and respiratory infections. According to Larry Goss, Lab Manager, "Some of our emergency doctors order these tests on a daily basis. They can identify and treat specific infections without the Lab having to culture a sample or send something out to another facility."

In 2015 the Foundation will be seeking support for additional equipment that physicians and clinical staff have identified as priorities. Examples include:

- **Obstetrics Ultrasound** - \$38,000. Purchasing an ultrasound for the clinic will improve access and availability for expectant mothers to receive an ultrasound during scheduled visits with their doctor. Some of the physicians in the clinic are trained and experienced in the use of this equipment and could incorporate it into their practice
- **Fetal Heart Monitoring System** - \$15,000. This wireless system will allow staff to better monitor the baby's heart rate prior to delivery while allowing the expectant mother the ability to move around. A physician working in the clinic or even at home can see real-time conditions once the mother has been admitted. The mother will be able to leave her hospital bed, walk around the unit and be under careful observation. According to Ashley Engesser, RN and Obstetrics Lead "It allows us to

"PASS YOUR STASH"

The No. 1 Ladies Quilt Shop is going to sponsor a fabric garage sale "Pass Your Stash" where all the proceeds will go to the Beaverhead County Humane Society.

We will take donations (notions, patterns, books, fabric, and anything else to do with sewing) from anyone who would like to donate and have one big garage sale. The date for this "Pass your stash" event will be February 28th, from 10 am to 3 pm at the 4-H building. Drop off at the quilt store.

If you have any questions please stop in at the quilt store, 34 N. Idaho Street, Dillon, call us 683-5884!

THANK YOU FOR THE HELP

Thank you for all the help that has come my way. I have grandchildren and one on the way that I would like to see.

Your support so far has been wonderful and greatly appreciated.

Pioneer Federal is still set up for funds for me. Again, Thank you Dillon for everything.
