VOLLEYBALL ADDS IDAHO PREP STANDOUT

University of Montana Western volleyball coach Lisa Griffiths announced the signing of Kyra Palmer, of Kimberly Idaho, to an NAIA Letter of Intent for the 2015 season.

Palmer earned all-conference honors at Kimberly High School during the 2013 and 2014 seasons and was selected her team's captain and MVP both years. In high school Palmer was a setter and hit from both the outside and right side of the court. As a senior Palmer was recognized as an all-area performer and a member of the district all-star team. Griffiths expects Palmer to be listed as an outside hitter and setter when she joins the Bulldog roster.

"Kyra is a great athlete and a hard worker, I'm so excited she is going to be a Bulldog" Griffiths said. "Her versatility will make us better immediately and allow her to compete for playing time right away."

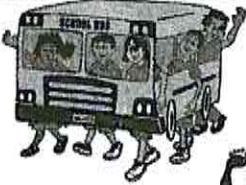

Palmer, the daughter of Troy and Gina Palmer of Kimberly, Idaho, will graduate from high school with honors this spring.

"I chose UMW because the people are friendly, the block schedule fits my learning style, and it is an environment where I can grow both as a person and as a volleyball player," Palmer said of her decision.

Beaverhead County Mental Health Local Advisory Council 2014 Activity Report

On November 25, 2013, the Beaverhead County Commissioners passed Resolution #2013-23 ratifying and reforming the Beaverhead County Mental Health Local Advisory Council (LAC). In December of 2013 the Commissioners appointed eleven (11) members to serve on this county level advisory board.

At the first couple of meetings of the LAC in January and February, the members elected officers, adopted a set of bylaws and developed a work plan for the year. The basis of the work plan was the behavioral and mental health section of the community health needs assessment completed by the Beaverhead County Public Health Department in 2013. The LAC decided to focus on education and awareness activities for 2014.

These activities included:

- Three (3) LAC members, as trained QPR (Question, Persuade, Refer) instructors, conducted five (5) QPR suicide prevention trainings in the community with fifty-five (55) individuals receiving this training.
- Facilitated an eight (8) hour Mental Health First Aid Training class taught by Karl Rosston, Montana Suicide Prevention Officer. Twenty (20) people attended the training.
- Hosted a presentation by the National Alliance for Mental Illness at UM Western called "In Our Own Voice". Twenty-three (23) people attended the presentation.
- Showed "The Anonymous People" film about addiction support groups at Barrett Hospital & Healthcare. Eleven (11) members of the public attended.
- Provided monetary support to Jaydyn Child for her Girl Scout Gold Award project, "Your Life is Worth Living", which included bringing national speaker, Tom Thelan, to Dillon for presentations to schools and the public.
- LAC provided monetary support for Wisdom's "Race 4 Renewal" as well as a booth at the event. This was a suicide prevention and awareness fund raising event.
- Co-sponsored the "Awareness Walk" at Barrett Hospital & Healthcare which was organized by Bryle Zumpf from the Women's Resource Center for suicide awareness. Thirty-five (35) people attended.

- Had a booth at Patriots' Day/Stand Down for veterans in September.
- Two (2) members conducted an anti-bullying workshop training at the Lima School. Fifty+ (50) students and adults were in attendance.

In addition, the LAC has also formed a Critical Incident Stress Management (CISM) Team. The team has five (5) members trained at this time and hope to add to that number in 2015. This team is available to service providers and the public to assist in dealing with the psychological and emotional aspects that can occur following a critical incident event.

Recently, the LAC in partnership with Barrett Hospital & Healthcare began planning for a 2015 event that will focus on furthering the education and training of alcohol and substance abuse professionals in southwest Montana. This project will be funded by a grant through Barrett Hospital & Healthcare.

The Beaverhead County Mental Health Local Advisory Council meets the second Friday of every month from noon until 2:00 p.m. in the multi-purpose room of the courthouse.

The current members are: Chairman Rick Hartz, Vice Chairman Jerry Girard, Commissioner Garth Haugland, Dawn English, Howard Gaines, Jenny Given, Julie Ingram, Melinda Newman, Geoff Roach, Melainya Ryan, and Lynn Weltzien.

Feel free to contact one of the members for more information concerning the LAC.

BOOKS AND BABIES TO RESUME

The weekly occurrence of the early literacy program at Dillon Public Library, "Books and Babies," will resume on Thursday morning, January 15 at 10:00 am. Several sessions were missed due to the holiday closures. We want to welcome back all of the regulars, and invite anyone with toddlers (age 0 to 36 months) to attend these fun and informal programs to help develop the skills your toddler will need to be ready for reading and the formal classroom. These programs are a half hour of songs and finger play and lap games and a half hour of toys and play, which provide the attendees an opportunity for social interaction. It's also a great opportunity for parents to meet and discuss parenting joys, triumphs and tribulations. Hope to see you there!

Thursday, January 15, 10:00 am. Dillon Public Library – Please use the East Glendale entrance as the Library is closed at that time.

Rumors on the Street.

By: MJ

Lots of talk on the street about the affordable six year low gas prices. Let's keep the momentum going and support the Mayor with the process of restructuring the bond payments. Reconfiguring the bonds at a lower interest rate and paying down the outstanding balance will continue to put money back in your pockets. The extra money will trickle down throughout Dillon's economy benefiting many.

FACT: If Mr. Gore would have attended the council meeting there would have been quorum. Rumor on the street is that he was having dinner at the Klondike with several local friends. *Would that be an excused absence?*

FACT: On the Monday prior to a council meeting the council is given a packet that includes everything that will be discussed at the meeting on Wednesday night. In that packet are minutes of committee meetings, resolution, financial statement... Each member of the council had a packet containing a directional document on how the city could proceed with decreasing the outstanding balance on water/sewer bonds.

Up to you to decide if the city adopting a program that would save you money by cutting the cost of your water bills is important to your personal budget and the economy of Dillon.

QUESTION: Did the council manipulate the local government process by not having a quorum. Studies prove that humans wait until there is a crisis before they act. Are we or are we not going to wait until the local government takes out bankruptcy before we act? This is a complicated process. Does the council have the expertise in math, economics or business that is needed for understanding this process?

If you are interested in a plan to help the financial statues of the city government attend the next council meeting and support your council representative in making the right decisions for you.

It appears the mayor has his hands tied behind his back by the council not attending meetings. 300 plus people signed a recall petition for three council members when they realized that the local government might be dysfunctional. Judge Tucker has not ruled as of today.

RANDOM ACTS OF KINDNESS SHOULD BE A PART OF EVERYONE'S DAY!

The White Hat Coalition is currently looking for nominations for the 11th annual "Doer of Good Deeds" award to be presented to a person, group or organization that has performed an outstanding good deed in the last 12 months that has benefited or changed the life of others or the community as a whole.

To nominate just give the name, the deed or deeds, contact info of the nominee and contact info of the person nominating to Stan Smith at 850 West Park. Or call him at 683-4429 or 660-4429 or drop of a nomination at the Big Sky Cinema by the deadline of Monday, February 9th 2014.

This year the annual "Day of Good Deeds" will be Saturday, January 17th. This day is dedicated to bringing our community together through good deeds, community service and service to others. Paying forward positive acts of kindness and actions that benefit not only those receiving but those giving. So, on this day as on every day we all should consider opening a door for someone or shoveling an elderly neighbors walks or donating to a good cause among others deeds.

Make this day the first day of a giving mind-set. Let's all catch the true spirit of community service.
