OP-ED Gov. Bullock's Build Montana Plan

Investing in Montana's infrastructure is not only a necessity, it's good business.

Build Montana is proposed as one bill to illustrate that all of Montana has a claim in making the right investments in our future. One bill helps us bridge the urban-rural divide and unite East and West as one Montana.

That's what we've heard in recent days by scores of Montanans who testified on Gov. Bullock's Build Montana Plan. Unanimously, they support the plan designed to balance the needs of all Montanans — from Wibaux to Wisdom and Eureka to Ekalaka — and strengthen our communities and our economy.

Locally, there are city water projects for City of Dillon, County Bridges for both Beaverhead and Madison Counties, Fire Suppression for Bannack State Park, Long over due upgrades for both Virginia And Nevada Cities, Upgrades for East Bench Canal among others.

A recent op-ed by Sen. Cary Smith, a Billings Republican, offered a pessimistic assessment of the investment proposal. His factually incorrect and disappointing observation characterized the entire initiative as a game of partisan politics over "pork-barrel projects." That is simply not true.

As two legislators serving on the Long Range Planning Subcommittee, we have listened to the many hours of compelling testimony on why the Build Montana Plan, House Bill 5, makes sense. By the way, the hearings will continue for another 10-15 days; so be sure to weigh in with your senator and representative.

We've heard from engineers, water system operators, irrigation managers, ditch riders, contractors, construction workers, and bankers, among others — all local leaders with a stake in their community and their individual projects. For them, the stakes are high — clean drinking water, effective sewer systems, better roads and bridges to move commerce, and safe schools.

We've been impressed that the proposed projects are based on the well-defined needs across all 56 counties. Each project is locally sponsored, has been vetted through extensive evaluations by qualified state agency specialists, and ranked according to standard, equitable criteria. This is exactly the nonpolitical way projects have been judged for years.

This proven infrastructure investment strategy has worked well in the past and Bullock's Build Montana Plan embraces Eastern Montana counties dealing with the impacts of the oil boom. This bipartisan bill, sponsored by Representative Jeff Welborn, a well respected and common sense Republican and backed by a Democratic governor, is exactly what constituents expect from our state leaders.

Build Montana is about Montana families and what can be done to improve our communities. In testimony on HB 5, the Department of Commerce estimated that the Build Montana Plan will create approximately 4,300 jobs across Montana.

Democrats and Republicans are working together to craft a sound approach to invest in Montana's future and move the state forward. Only by working together for our constituents, rather than playing politics with our schools and water, can we truly create jobs and make Montana a better place for all.

Senate Minority Leader Jon Sesso is from Butte, and Rep. Mitch Tropila is from Great Falls. Both are members of the Joint Appropriations Committee on Long Range Planning

It was a great game for the Beavers winning on the road.

LADY BEAVERS

The Dillon girls had three players in double figures in their at home win over Livingston 46-32.

Audrey Schurg had 13 points, Alex Rouse put up 12 and Cierra Lamey added 11 points. Brynley Fitzgerald scored 6 and Rachael Nye put up 3 and Holly Andersen put in 1 from the stripe.

The Dillon girls got off to a difficult start with the ball going everywhere but through the hoop. They finally got it figured out and took over the game.

On Feb. 19-21, shows begin at 7:30 p.m, and on Feb. 22 at 3:30 p.m. General admission is $8, and students of all ages are $5. On Feb. 23, there will be a matinee for public schools, starting at 9:30 a.m., and tickets for youth are $2.

The play is an hour and 45 minutes long. Contact Judy Ulrich at 683-7422 or judy.ulrich@umwestern.edu for information.

CROSS COUNTRY TEAMS

The BCHS and UM-W cross country teams will be holding a 10K and 5K race on Saturday, February 14 at 10:00 am as a fundraiser for both teams.

The Cupid Shuffle 10K will start at Straugh gymnasium and loop out onto Blacktail Road, White Lane, East Bench Canal and back on Blacktail Road. The 5K will be an out and back.

The first annual race is a bare bones - no t-shirts or online registration. Prizes will be awarded. Cost will be $15.00 until February 9 and $20.00 for late and same day registration.

Registration forms are available at the BCHS office, YMCA or online at bchsmt.schoolwires.com and click on cross country. Contact Lynn Reynolds at lynn.reynolds@umwestern.edu (925-2344) or Betty Iverson at biverson@bchsmt.com (925-1284).

Search and Rescue News:

On Friday January 30, the Beaverhead Search and Rescue took its' cook shack to Karl Tyler's Beaverhead Motors in order to help support the BCHS Symphonic Band.

Unit members Brian Vinson, Steve Scott, Larry Skiles, and Mel Rice cooked and served 300 hamburgers and 100 hot dogs.

A nice crowd gathered to see if they were the winner of the 2013 Chevy Cruze that Beaverhead Motors donated to the Symphonic Band to raise funds for their trip to Spokane.

None of the cooks won the car but we were all winners for helping with the grand celebration and support of the BCHS band program.
