Marilyn Jean DuBois Mertes

Marilyn Jean DuBois Mertes was born on August 25, 1954 in Devils Lake, North Dakota and passed away at Barrett's Hospital on February 3rd, 2015 at 11:15AM. Marilyn drove truck for 22 years, waitressed and bartended before retiring.

She loved to spend her time with her grandchildren, friends and other family members. Marilyn was talented in many areas. She was an excellent artist and took pride in the jewelry and beadwork she made.

She leaves behind her daughters; Jessica Merritt and Josette DuBois. Her Grandchildren; Derrick, Coty, Bailee and Payton. Her mother, Clemence "Cis" Siebert. Her siblings, Dave G. Dubois Jr (Terry), Diane Fox, Shirley Christensen, Richard DuBois (Paula) and many nieces and nephews.

Marilyn was preceded in death by her father Dave G. DuBois Sr., her brother Kenneth J DuBois Sr. and numerous Aunts and Uncles.

Funeral services will be held on Friday, February 6th at 2 PM at Brundage Funeral Home.

Donations can be made to High Peaks Federal Credit Union or Brundage Funeral Home to help family with expenses. A guestbook is available online at www.brundagefuneralhome.com.

LOIS MAXINE PROCTOR PENCE

Lois Maxine Proctor Pence moved on to seek new adventures in Heaven on February 4, 2015, following a courageous 27 year battle with Parkinson's disease. During those years she helped test new procedures and medications, hoping her efforts would help future victims of this incurable disease.

Lois was born June 6, 1939 at the ranch home of parents William McKinley and Alison Elizabeth Proctor with her grandmother serving as mid-wife near Richfield, Idaho, the second of four children. Times were tough for the family.

T.J. Thomas
General Contractor
925-2172
Dillon, MT Since 1991

She recalled having nothing to eat but "biscuits and grease gravy" and having to help milk forty cows before and after school.

Lois excelled as a high school athlete, being recognized as Idaho's girl basketball Most Valuable Player in 1957. Her interest in sports led her to the University of Idaho where she majored in physical education with minors in health and history. She worked her through college swathing hay in the summer, counseling at a Girl Scout camp and at any job available between classes. She stayed at Steele House, an independent girl's cooperative dormitory where they did their own KP and janitorial work, and was an officer in several honorary societies on campus.

She went on a blind double date with a bashful forestry major as a favor to a friend during her sophomore year and so charmed him he asked her to the movie. He was late for the date, claiming he had a flat tire returning from a fishing trip. She immediately hooked him by requesting he take her fishing next time. Lois married that forestry major, Dan Pence, on April 9, 1961 during spring break of their senior year.

The newlyweds headed for Salmon, Idaho where Lois taught school and Dan worked for the U.S. Forest Service until drafted into the Army in 1962. Lois joined Dan for R&R in Japan in 1963 and got into Korea for a week in spite of Army objections due to ongoing hostilities.

Lois returned to teaching until she joined Dan at Fort Belvoir, Virginia pending discharge and return to their cherished mountains. They were assigned to Salmon National Forest's Cobalt Ranger District, 48 miles from a paved road, where two children joined the family. The family moved to Challis National Forest's Clayton, then Yankee Fork Ranger District in 1969 where a third child joined them. Next adventure led the family to Wells, Nevada in 1977 where Lois became a bank loan officer, then on to Dillon, Montana in 1980 where Lois became activity

director at a nursing home. She moved on to become an oculist doing pre-exams and making and selling eye glasses for an optometrist until Parkinson's forced retirement.

The travel bug continued with visits to Alaska, Canada, Mexico, South Africa, Australia, New Zealand, and Fiji.

Lois is survived by her husband of 54 years, children Jan Bowey of Sheridan, MT, son Jay (Susan) of Driggs, ID and Teri Lumsden (Chris) of Cheyenne, WY. She was a loving mother who was extremely supportive and proud of her children. Survivors include six grandchildren and two sisters. She was preceded in death by her parents and a brother.

A celebration of Lois' active life is scheduled at Brundage Funeral Home in Dillon, MT at 11 AM Saturday February 14 followed by a reception at Dillon's First Presbyterian Church.

In lieu of flowers, donations to the American Parkinson's Disease Association, the First Presbyterian Church of Dillon or a charity of choice are preferred.

Search and Rescue News

The Beaverhead Search & Rescue held its monthly meeting Wednesday February 4, 2015. The fish derby was discussed and final tallies were provided. There were 713 tickets sold which is about half of what we usually sell. Even at that, the unit did a little better than breaking even. We would like to thank everyone who supported us either by purchasing tickets and/or donating door prizes for our drawings. We want to remind everyone the tagged fish that were not caught this year are worth \$100.00 each to any lucky fishermen to catch them before next year's derby.

Also discussed was the use of our cook shack to cook for those individuals that showed up at Karl Tyler's Beaverhead Motors for the car drawing in support of the BCHS Symphonic Band. Members Steve Scott, Brian Vinson, Larry Skiles, and Mel Rice had a great time preparing 300 hamburgers and 100 hotdogs.

We are hoping to have the gun raffle sometime next week. There are still a few tickets out. Chairman, Darrell Smith, is making a big push to get all tickets collected by the end of the week. The drawing is for a Browning A Bolt 25-06 with a Leupold 3X9X40 scope. We thank everyone who participated in this raffle and realize you have been waiting quite some time for the drawing. Now you can finally anticipate your name being drawn.

On Saturday and Sunday, February 7 and 8, the Beaverhead Snow Riders is having its Poker Run in the Grasshopper valley. The Beaverhead

Search and Rescue will have some of their rescue equipment on scene as well as communication equipment in support of the festivities. On Saturday the S&R unit will have a training session which will allow members to use winter equipment used in the evacuation of casualties of winter sports. The training will begin at 1:00 PM.

The annual auction of the unit will be held May 3, 2015. We have already been collecting items and have a number of nice articles. If you have something you would like to donate to the Search & Rescue for the auction, contact any member. We will set up a time convenient for you and get the item out of your way. Later on as we get closer to the auction we will have a phone line dedicated to taking calls for the pickup of items. Remember, one man's junk is another man's treasure.

Under the Good of the Order John Williams was given an at-a-boy for his work in cleaning and organizing the cook shack. It was in dire need. Thanks John. It was also decided to submit an application for the Festival of Trees this year. This is always a wonderful time and community event.

We invite all individuals interested in becoming members to contact any S&R member and submit an application or just show up to one of our regular monthly meetings. We meet the first Wednesday of each month.

Valentine's Story Time at Dillon Public Library

The Dillon Public Library will host a pre-school Valentine Story Time on Friday, February 13, 2015 at 3:00 pm in the library basement programming room. We will read Valentine books and poems, sing Valentine songs, make a special Valentine for a special somebody, and decorate a Valentine cookie. This program is for children three years and older. Children six years and younger must be accompanied by a parent or caregiver.

All Dillon Public Library events are FREE and open to the public. See you @ the Library!

Pride, Honor, Commitment, Respect

By: MJ

There has been an email circulating of pictures in the forties and fifties. Maybe you have had a chance to see them. The weathered faces tell a story of hard work, overload of vitamin D (sunshine), contentment, respect and love.

Pictures that tell the history of our county during those years. Pictures of families working together, children that will become the future engineers and seamstress improving their skills by making their own dolls, airplanes & other toys out of whatever they found lying around. Children sitting together in the dirt discussing their day. Pictures of mom, dads and kids enjoying their day off from hard work at the fair and other social gatherings.

The pictures point to people with a great deal of pride. People in their work clothes in the fields working side by side with the entire family. People in nice dress clothes going to town or other social events; (gentlemen in suits and women in nice dresses & hats). The girls and boys might have on the same flour sack print however they are nicely iron and starched. During that period it was very important to look nice when you were socializing or just going shopping.

Let's us not forget how difficult it was to wash and iron clothes, and clean the body with sponge baths taken with a wash basin or maybe in the river in those days. Some people had running water in their homes and some did not.

Pictures of families sitting at table eating meals Mon spent hours preparing and taking time to talk. Pictures of entire families loading up in trucks, cars and horse drawn wagons going to town.

It was a time when gentleman wore hats and tilted them to acknowledge a lady in their presence and removed the hat when the occasion required it.

Of course there are many more pictures that are not shown depicting a different life style. Humans are humans. Have we really changed that much? A gentlemen told me one time that people have only moved outside of the cave a foot or so. Times have changed but have humans changed?

Relay for Life Week

The BCHS Students are gearing up for the 2015 Dillon Relay for Life's annual Kick Off slated for Sat., Feb. 7th at 3:00 pm by having "Relay Week" thru Saturday 2/7.

FRIDAY - "Go all out in Purple" - wear purple.

SATURDAY - "Purple" wear purple to the double-header basketball games.

Truckers run hard, live hard, bleed hard,
hurt hard, love hard it's what they do but
most importantly, it's who they are!

We will never forget just who you were!
Remembering you today and everyday!

10/18/1959 - 02/06/2010

WELBORN'S WEEKLY LEGISLATIVE REVIEW

The Legislature has been hard at work. The first bills Making their way through the process are those that clean up language and are more easily processed. At the same time the larger issues of the session are being worked on with many folks talking about what needs to be included, or excluded, in order to move forward.

Some of these issues you may have been seeing coverage in our papers. The Revenue Estimate or better known as the income side to the State balance sheet is requiring extra work, which ultimately slows up the whole process. Oil prices which impact the state budget and the quick changes that result, make projecting the future more difficult. While taxes from oil production is down, lower gas prices do help thousands of Montanans to spend less and spur our economy in a different way. This push and pull makes the process more difficult to project an accurate revenue stream and also harder to define what our cash balance will look like.

HB 5 bill a broadly supported measure to improve our infrastructure in Montana is also moving along. There is much debate about which projects are most important to include. There is also debate about how we pay for this work and what balance of cash and bonding is best. Locally, there are water projects for City of Dillon, County Bridges for both Beaverhead and Madison Counties, Fire Suppression for Bannack State Park, long over due upgrades for both Virginia and Nevada Cities, as well as upgrades for East Bench Canal are all included in HB 5. On another note some other bills are being introduced for infrastructure funding, but the draft I've looked at has pretty much stripped any money for these good projects in SW Montana out of them. I can't support these measures that pick geographic winners and losers. My sense is we will all sit down and come up with a final plan that works for all Montana.

Shifting gears, I understand that an out of state group operating in Montana has decided to question my voting record and has accused me of supporting Medicaid Expansion. I'd like to take this opportunity to clear up a couple of things. First I have never voted for (or against) Medicaid expansion. Last session I voted for a procedural motion that failed, but would have allowed debate on the topic to happen in the House of Representatives. Regardless of where anyone stands and how much or little public funding is supported in any healthcare proposal, these measures are some of the most defining policy decisions of our lifetime, and deserves to be debated by all members of the legislature, so a well thought out plan can be achieved. First of all, I won't sign a pledge, which I've been asked to do and which I've politely declined to Americans For Prosperity, which according to their own website is a Koch Brother's funded and politically charged Organization that first of all doesn't benefit, and has no idea of what is important for long term health care for local residents and viability of our hospital, end of story.

I was elected to Represent Beaverhead and Rural Silver Bow Counties and their individual residents, and not some out of state organization, especially when this particular organization doesn't pay any local taxes, and they also don't create a single local job. Instead of pledging my loyalty to a special interest group, I feel the responsible thing to do is gather facts, listen to the debate, deliberate carefully and when the time comes, cast my votes for the best interest of you.

Now please allow me to share some facts:

Health care reform using expanded Medicaid dollars is a policy that has been passed in one form or another in Indiana, and Ohio among other States with a Republican Governor signing it into law, while our neighbors in Idaho and Wyoming who have both strong majority Republican Legislatures as well as GOP Governors are working on plans that use Federal Finding to bolster state based plans. Legitimate polling also points that real reforms using a federal dollars and allowing States to add their own reforms are broadly supported, contrary to reports from certain fringe groups.

Let me be real clear, I'm not in support of full expansion, but to my knowledge, there isn't a full expansion bill being introduced this session, from my research Governor's plan has some reforms built into it, and I'm likely a no vote on that as well, with that said, our hospital in Dillon, and our Community Health Center are both dying on the vine from unfunded charity care. There are also many hardworking local folks who can't get or can't afford insurance, and we as a Hospital District can't afford working under our current failed healthcare system, clearly showing the need to do something thoughtful with real impact on everyone. Please allow me to outline the better plan being worked on. A common sense coalition of Republicans, Democrats and business groups are currently working on a healthcare plan that leverages federal Medicaid dollars with some built in components to include medical tort reforms, Medicare delivery systems for the elderly, and insulates the Montana tax payer from additional spending, it would also be sustainable for the long haul so if Federal dollars dry up, Montanans will still have coverage because they will skin in the game so to speak. Heavy on personal responsibility (must pay or help pay for plan, have good health behavior)

Cost sharing – among Providers (increases, taxes), Payers (risk), Users (fees), etc. No taxpayer liability without future Legislative consent, as well as other real reforms.

Generally speaking it would be a Montana Made Solution that would be an extension of the existing premium assistance model. Under this model we could then insure the working class folks who are currently uninsured and keep our small local hospitals and community based health centers economically viable so they are here for all of our health care needs, when we need them.

Looking forward to being back in the District this week for the Education Matters Rally, I applaud local student, Sam Telling, and our local education leaders for organizing this event. This is a nice opportunity to reaffirm my commitment to education, putting the students first, and as a public policy maker helping provide the tools to let teachers teach. On the policy front, we passed in a large bi- partisan fashion 94-6 last week, HB 27, the inflation adjustment for public school funding.

Please stay in touch on matters important to you.
