VIRGINIA ELIZABETH STRAUGH

Virginia Elizabeth (Flynn) Straugh departed life on February 15, 2015. She was born in Great Falls in 1919 and lived in Dillon since 1940 except for following her husband, the late Bill Straugh, during his WWII service.

Arrangements for services and a full obituary are pending and will be released as soon as possible.

GERALD "HOOVER" HAYS

Feb. 12, 1956 - Feb. 4, 2015

It doesn't matter whether you're in Corpus Christi, Texas, Luxton, British Columbia, or Grande Prairie, Alta; mention the name 'Hoover' and people know who you're talking about.

Gerald 'Hoover' Hays passed away on Wednesday, February 4, 2015 at the age of 58 years. He was born on February 12, 1956 in West Palm Beach, Florida and moved to Rocky Mountain House in 1977, with stops along the way in California, Montana, and Golden, B.C. He is predeceased by his parents Jerry and JoAnne Hays.

Hoover met Kathy, a blue-eyed girl from a ranch in Dillon, Montana, daughter of Dale and Joanie Pettit. Hoover and Kathy were married soon after, and have been married for 31 years. Hoover is survived by his wife Kathy, sons J.D. (Kayla) and Rowdy (Angie); brothers Joe and Gene, nieces Courtney and Shelby; nephew 'Bubba', and a huge rodeo and trucking family.

Hoover was successful at whatever he put his heart into. Not only was he one of the top North American cowboys, he was also an accomplished snowmobile racer, competing in multiple Oval Racing World Championships in Yellowstone Park and Quebec. He was the British Columbia Champion in 1973 in the 340-modified classic and was sponsored by Bombardier's factory team in 1977.

Hoover was best known for his prominent role in the rodeo community. After a short-lived career as a bucking horse rider, Hoover became a pretty darn good bulldogger with CFR qualifications and appearances at the Calgary Stampede, and every other major rodeo in North America to his credit. As a hazer, there weren't many any better.

Hoover held the fast time at "The Daddy of 'Em All", Cheyenne Frontier Days, for many years: an accomplishment he wouldn't let you forget! One of his greatest achievements was being presented the Guy Weadick Award in 2000, at the Calgary Stampede. This award is given annually to one cowboy who best exemplifies the spirit of the Calgary Stampede! What an honour it was to Hoover to be crowned Cowboy of the Year during the 40th Anniversary Canadian Finals Rodeo in 2013. This took him completely by surprise.

Considering all of the numerous awards and titles that Hoover has won, he was most proud of helping his two sons, J.D. and Rowdy. They achieved outstanding results all over North America as well as qualifying for the CFR with Dad on the other side of the box doing the hazing most of the time. Both Hays boys have outstanding steer wrestling careers of their own.

He's a guy who lived for rodeo and has given an awful lot to this sport. It was his life. He has possibly started more steer wrestling careers than any other cowboy. Our sport is better for guys like Hoover Hays. Everyone has their own Hoover story!!

A celebration of life for Hoover will be held on Friday, February 13 at the Cal Nash Event Centre, Ponoka, Alberta at 2 p.m. What a celebration it will be!

Welborn's Weekly Legislative Review

Helena:

This past week the flow of legislation increased as did the type of proposals that draw attention both in support and in opposition. One such measure SB 154 introduced by Sen. Scott Sales(R) Bozeman was heard in our house FWP committee this week, this would make it optional for hunters over the age of 18 to wear florescent orange while engaged in hunting activities in the field. His reason for carrying the bill is one based on freedom and personal liberty, which I greatly respect. With that established, common sense should come into play here also. There is 60 years worth of data that shows there are 8 times more accidents where there is an absence of hunter orange in the field. Why would we want to change a law where public safety comes into play with substantial evidence that current law is creating an environment that is 8 times more safe for the hunting public? I also ask whose freedom and liberty are really at stake? I feel the the person who injures or kills someone in the field because the victim wasn't wearing orange, and then has to live with those consequences for the rest of their life, has personal freedoms and liberties that also need to be considered. For these reasons I will be voting no in committee, we will more than likely be taking action during this upcoming week.

On the public education front, two bills of particular interest are: SB 255 Sen. Brown (R), Huntley: "An act revising the requirements for the advancing agricultural education in Montana program; removing the limit on payments per school year; authorizing payments to existing programs that add additional teachers. HB 356, Rep. Jones (R), HD 46, Billings: "An act revising funding for career and vocational/ technical education' establishing requirements related to increases in state funding; increasing distribution to districts for career and vocational/technical education.

Career Training Education or CTE is important to student achievement, because of the broad range of skills these programs help to develop. We've also learned that regardless of career choice, these skills help develop other skills for everything from science, computer and medical based careers, to technical skills used in almost every industry. The job creators in Montana are asking for this training and are standing in line to hire students with this background. I'm looking forward to supporting both of these measures.

One educational proposal being floated this session is Early Edge or more commonly known as Kindergarten for 4 year olds.

I appreciate the data shared by supporters and feel there are undoubtedly some benefits for structured learning environments for 4 year olds, but with that said, I don't support Early Edge and for a host of reasons.

I've heard from many parents of this age of children, and most of them agree that this is too early in life for a 4 year old to sit through a class room type setting, and the vast majority of parents I've spoke with are also in favor of keeping their child at home for the extra year to help them develop their skills in a more traditional manner.

There is also the funding side of Early Edge. As elected policy makers in The House and Senate, we are the branch of Government that has to appropriate funding as well as balance the State's checkbook, and therefore feel before we fund an entirely new program there are still areas of K-12 funding that need further attention, just as the Career Training Programs I mentioned earlier, which legitimate polling shows far greater support than programs like Early Edge. I compare funding Early Edge under our current budget climate to stepping out and financing a new boat when it's difficult at best to pay for necessities like a primary vehicle.

In our Business and Labor Committee, we heard a proposal HB 413 by Rep. Chuck Hunter (D) Helena, that would create a State based occupational health and safety admin. (OSHA) to address safety concerns on job related safety. While I believe in State based solutions in favor of Federal programs, I don't support this particular proposal. It was brought out at the hearing that this measure doesn't have the support of agriculture groups and other industry groups that feel this is something that ultimately would create heavy handed regulations and not really get at the cause of safety concerns in the work place. It was also brought out that other stakeholders such as the Trade Unions weren't totally on board, even though they did give some support. I feel that we need to go back to the drawing board and come up with solutions to workplace safety that have a majority of stakeholders in agreement. I won't be supporting HB 413.

HB 140 which I'm carrying at the request of The EQC a bi-partisan 16 member legislative Interim Committee and also vetted out separately by hundreds of hours of time spent over the last twenty months by a 14 member License Funding Advisory Council, made up of legislators from both parties and public members from stakeholder groups representing agriculture, conservation, outfitters, hunters and anglers from across Montana. This proposal is a result of both groups working together to come up with plan to fund, streamline, standardize and make more uniform hunting regulations, as well as pricing and at the same time bringing the funding cycle to a four year review rather than the ten year cycle that is now current law. Does this package meet all objectives of every group at the table? absolutely not, but I feel it is a well thought out document, that makes license funding and regulations more efficient and also asks for a modest price increase for hunting and fishing opportunities we enjoy as Montanans. I will also report that the entire time this plan was being discussed by both independent groups, there was ample opportunity for honest public comment that was gathered independently by legislative staff, which resulted in 87% public support based on these comments. In the hearing, there were about 90% of the folks testifying in favor of this proposal to 10% that opposed. HB 140 Passed out of FWP Committee with 9 Democrats and 7 Republicans in Support. 4 Republicans voted against the proposal. HB 140 will be heard in front the Full House this week.

Until Next Week's report, please stay in touch on what is important to you. I appreciate the opportunity to serve as your Member in The House of Representatives. As always, I'm here to listen to your concerns and work on your behalf.

Dillon Fiddle Contest Results

The Dillon Junior Fiddlers especially want to thank their contest sponsors for helping to make this year's Dillon Fiddle Contest a success. Record crowds enjoyed collaborative events with the Beaverhead Brewery and the Dillon Elks Lodge and contestants expressed often throughout the weekend how much they enjoy contesting at the Old Depot Theater and the hospitality Dillon shows its visitors.

In the Pee Wee Division (through age 8), local placeholders were Katie Johnson, who tied for 2nd place, but took home the 3rd place trophy after a tie-breaker tune, Jasmine Salix in 4th place and William Hansen in 7th place. The Junior Division (8 - 12 years old) awarded Emily Hansen 8th place. The Junior Division was won by Dillon resident, Maggie Maggie. Other Dillon Junior Fiddlers placing were Emmy Lou Grekal, 4th, Kia Coon, 5th and Hailey Hansen 6th.

Britt Smith, Bozeman, took home the 1st place trophy in the General Division followed by Jim McMillan, Bozeman, in 2nd place. Judges, Jenny Korenke Stanger, Jesse Maw, both commented on the quality of the musicians, especially in the Junior and Championship Divisions. The 1st place champion was Shelby Rae Russel, Idaho Falls, ID, followed by Lilly Brogger, Three Forks, MT, in 2nd.

The Dillon Junior Fiddler award for Most Inspirational Fiddler 2015 went to Maggie Magee and the Fiddle Family of the Year was awarded to Ed, Angie and Kia Coon. Sandy and Jean James were recognized for their efforts as Music Directors for the past 32 years. Jim Magee, contest chair, was particularly pleased with the help keeping the contest running smoothly that he received from member parents. "There is so much to do before and during a contest, and our parents work hard to make our contest fun for everyone."

Recall (Next Step)

By: MJ

Letters were mailed out to Councilmen Troedsson, Gore and Spehar by Ms. Scott, Beaverhead County Election Official, on Friday, February 15, 2015 informing the councilmen of Judge Tuckers ruling. They have five days from the date they receive the notice to resign or ten days to file a reason why they should not be recalled. Statutes # 2-16-633 ---- 2-16-631 --- 2-16-622

RESIGN: If those listed on the recall petitions **do** resign then the Mayor will advertise for replacements. The people who were recalled cannot apply for the position.

DO NOT Resign: If they do not resign then there will be a special election held. On the ballot form there will be: It is my understanding that the councilman's reasons on why they should not be recalled will be on the ballot for the electorate to read.

{ } FOR recalling _____ who holds the office of _____

{ } AGAINST recalling _____ who holds the office of _____

Anyone that has had the challenge of needing the law to solve their problems knows that there are many avenues that can be taken.

I have only noted two options the councilmen have.
