WORD OF PASSING

Word has been received of the passing of Terry Rath Terrill on Sunday morning. A full obit will follow.

Notice of Death:

Terry W Sandall

Born: Tue., Jan. 30, 1945 Died: Thu., Feb. 19, 2015

Saga: Council Feb 18, 2015

By: MJ

Yes, it is true Ms. Westad resigned at the Feb 18, 2015 council meeting. Ms. Westad was the third (3rd) council person to resign. Mr. Troedsson and Mr. Spehar were other two members that resigned just before meeting was adjourned.

A \$249,000 building to be built was voted on and passed by the council members. Mayor Klakken explained the costs of current building on the sight, he did not agree with the spending of \$249,000 for this building and would use the veto stamp. Mr. J.S. Turner argued in favor of the new building stating the existing building was a safety hazard as it had no ventilation to expel the methane gas build up & lacked eye appeal. **NOTE:** Mr. Turner explained the building was part of the original plan but had been taken out in order to cut costs. *Question: Why was the building cut from the original plan if people's lives were going to be in jeopardy as Mr. Turner emphasized? Question: In the existing building is it possible to install an alarm system warning of presence of gas and a ventilation system?* The council nor the committee discuss alternatives that might be less costly and still affective.

NOTE: Dr. Klakken, better known today as Mayor Klakken has a Doctorate in Physics with 8 years' experience in safety and 4 years in research working for Alliant Tech-systems. *Question: Would his education give him awareness that would be of a benefit when making decision on employee safety issues?* Why is it that we humans seem to have problems leaving personal vendettas out of the decision process? We're all guilty at one time or another.

Another \$29,000 was spent for a system to dispose of waste from dog shelter. Mr. J.S. Turner explained that they needed to put in a filter system but he did not explain what a system consisted of or why it was costing \$29,000 dollars. It is my understanding that the system consists of burying a tank in the ground with a screen and filter on top of tank. *Question: Would it be possible to put this out for bids and maybe giving the job to qualified local contractor?* At no time was there any discussion by the council nor any questions ask about possibly getting bids and letting the job out to a local contractor. The original contractor for the Waste Water System (Dick Anderson from Bozeman) will be digging the hole and placing the filter.

BEAVERS BASKETBALL

The Dillon Beavers played the Stevensville Yellowjackets Friday night. The boys were on the road and the girls were at home.

Dillon girls had a tough defense and held the Yellowjackets to just 2 points in the first quarter and only 5 points in the 3rd to dominate the game at home 51 to 27.

It was senior night for the girls and the team was led by one of their seniors, Cierra Lamey with 21 points with other points coming from Brynley Fitzgerald with 8, Audrey Schurg and Rachael Nye with 7 each, Alex Rouse added 6 and Kylie Christiansen put up 2 as well.

The boys were on the road Friday and were led by Nate Simkins who put up 14 points to a 58-40 win. The boys are riding high with their last game in the regular season to be played at home for Senior night.

Other points coming from the Beavers were Tyler Jory 11, JD Ferris 9, Tanner Haverfield 8, Parker Love 7, Nick Huber 5, Justin and Jason Ferris, as well as Travis Ackerson with 4 each, and Trae Williams put up 2.

The Beaver boys came out with the heat in the second half of their senior night game against Corvallis to wrap a perfect season in the Southwest A division. They finished their season (17-1, 10-0).

Both teams lost the ball several times back and forth in the first quarter and fought hard defensively. The game at half time had a score of 21-20 with the Beavers just ahead by one. Coming out strong in the third quarter the Beavers pushed in under the basket and came out of that quarter with a 25-3 advantage that Corvallis could not get over.

The Beavers had great points showing from many of their players. Parker Love led the Beavers and thrilled the crowd with hitting four 3 points shots and ended the game

with 14 points for the night. The Beavers in their victory got help from Tyler Jory, Jason Ferris and Tanner Haverfield who each had 8 points, Nate Simkins put 7 on the board, Justin Ferris added 6, JD Ferris and Travis Ackerson each had 4 and Logan Wilson put in 1.

The game was a fast pace offensive show for the Dillon boys.

The Dillon girls got off to a quick start with a 20-5 lead against Corvallis on the road Saturday night in the first quarter.

The team was led by Alex Rouse with 20 points and helped by Audrey Schurg with 11, Sierra Lamey added 7, while Bailey Berriochoa and Rachel Nye each had 5 points, and Holly Andersen and Jordan Peterson added 4 each.

The win gave the girls the Southwest A title ending their season with a record of (12-6, 8-2).

BULLDOGS DEFEAT ARGOS ON SENIOR NIGHT

The Montana Western Bulldogs started the contest with a hot shooting hand and finished one game closer to clinching the Frontier Conference title with a 86-76 win over the University of Great Falls.

While the Argos jumped out to an early five point lead, the Bulldogs raced back to hold an eleven point advantage at the half after connecting on nine three pointers in the opening period.

In the second half the Bulldogs extended their lead to 16 points before the Argos made a run in the final minutes. Montana Western was able to stave off their opponents with solid free throw shooting including an 8-8 effort from the line for McCall, the nation's free throw percentage leader.

"This was another great team effort," Bulldog head coach Steve Keller said.

The Bulldogs were led by McCall with 27 points and junior Dexter Williams Jr., who notched 21. Juniors Connor Woodill and Ryan McCarty came off the bench to hit two three pointers a piece. "Stephen McCall had another great night," Keller said. "He won his matchup with (UGF point guard) T. J. Harris, which was key."

"Our job's not done yet. We need to win one more to bring home the title," Keller commented.

The Bulldogs will take to the road next week for their final two regular season games at Montana Tech and the conference's second place team, Lewis-Clark State College.

The Montana Western Bulldogs avenged a previous road loss to the Montana State University - Northern Lights in a big way, earning a 68-46 win at Straugh Gymnasium.

The first period started with the teams trading baskets until Montana Western went on a nine point run behind senior guard Stephen McCall. The Bulldogs shot 63.6% in the half and were able to build a 13-point lead at the intermission.

In the second half the Bulldogs tightened their defense further, holding the Lights to 24.6% shooting for the game.

The Bulldogs continued to pull away during the second period and Keller was able to play his reserves almost exclusively in the final six minutes of the contest. McCall led all scorers with 18 points and dished out five assists.

Montana Western seeks to finish the regular season with a perfect home record Saturday when they host the University of Great Falls

SKYLIGHTS RUN AWAY FROM BULLDOGS

The visiting Montana State University Northern Skylights used balanced scoring and a stingy defense to defeat the Montana Western Bulldogs 66-33 in women's basketball action.

Montana Western got off to a quick start taking a lead in the first half before Northern battled back. There were five ties and three lead changes in the first 12 minutes of play before the Skylights made a run to pull away by 12 at the half. Senior Jenna Banks led the Montana Western scoring in the first period with six points, but the Skylights used a balanced offensive attack to build a lead they would not relinquish.

Montana Western was held to a 13% shooting mark in the second period while Northern was successful on 65% of their shots. Banks finished as the leading scorer for the Bulldogs with eight points.
