Terry Lou Rath

Terry Lou Rath, mother, wife, sister, and friend was born June 18 1951 in Deer Lodge Montana. Her parents June and Ervin Rath were proud of the blue eyed blond haired beauty. This was the start of a very eventful life.

Early on she learned from older sister Sheryn Kittel and Karen Kester she was not the boss. Several sisters followed after Terry's birth: Lorrie Rutledge, LaVonne "Kay" Trogden, and Melody Rath. This family of six girls proved to be a formidable

group when called upon.

In the beginning it looked as if Terry would choose a career in watch repair. At age 3 with the help of Karen they removed the back of their mother's watch and proceeded to put clay in the working movement of the watch. There was a dark cloud that day. Terry and Karen continued to seek out careers and interesting adventures. Terry was always the one with the "bright" ideas and the others would provide the muscle.

Anyone who knew Terry recognized her as a hard worker, but did you know that she worked for the Ravalli County Sheriff's office at night as a dispatcher. She was just 17 and in her senior year of high school. She loved that job.

Son Joseph 'Joe' Rath was born September 10, 1969. From this day forward Joe was the driving force in Terry's life. While taking care of the new baby she attended the University of Montana. Later decided that life skills would serve Joe and her better. So they moved on to real life.

Terry worked as a book keeper, bee keeper's helper, managed her parents bar, and ran a lumber yard until moving to Dillon. It was this move that began another chapter in her life. In 1989 she met Guy Terrill and they started their life together. As a couple they worked side by side developing the spraying business and other business adventures. They worked hard together but shared other interests; riding snowmobiles, airplane camping in the the back country, trips to friends and relatives, and gardening.

Sheryn Kittle, Terry's older sister, moved to Dillon for her job. This gave these two time to talked about all of the mean things Karen and Terry had done to Sheryn during her baby sitting times with the girls. Terry liked having Sheryn around to visit with and have family close.

In 1996 Terry was diagnosed with cervical cancer. Her sister Kay Trogden was her support and provided the sisterly love and attention that was needed to get her through this

time. This battle never ended due to serious complications from the original treatment. She fought the good fight until Sunday, February 22, 2015. When Terry was diagnosed she commented that "she was a tough old broad". Terry proved that time and again until the very end.

Terry took on the job of guardian for her nephew Cody Trodgen when in a two year time span Kay and Spence passed away. This labor of loved required that she move forward with her life and the cancer ailments were put aside. She guided Cody through high school and on through college.

Aunt Lorraine became the next project for Terry and sister Lorrie Rutledge. They tried to care for her in her advancing years. This proved to be harder than anticipated. Aunt Lorraine looked on this adventure as a need to care for these two nieces of hers. Terry never gave up trying to look after her Aunt Lorraine.

Terry liked nothing better than to look after her baby sister Melody. She adopted the role of mother, sister, and friend when our mother passed away. It has been this way until the day of her passing. One surprise that everyone still talks about was when Terry took Melody to Las Vegas for her birthday. It wasn't just any trip. Terry had arranged for Melody to go to NASCAR school and drive a real NASCAR around the track. Terry was so excited that Melody was able to do something she had dreamed about. Lots of hugs and tears on this trip.

Her son Joe drug home many pals who Terry thought of as sons and one very special woman who she loved like her own daughter. The boys will miss her quick wit and unquestioning support.

For those of you who did not know Terry you missed the kindest, caring, giving, genuinely funny and most grateful woman. She loved animals and never saw a stray that didn't get a invite to move in with Guy and her. Terry loved flowers but she can't use them now so make a donation to the Beaverhead Animal Shelter in her memory. She will be missed by Joe, Tina, Guy, sisters; Sheryn, Karen, and Melody, not to mention nieces, nephews and friends.

Terry was proceeded in death by her parents June and Ervin

Dillon Volunteer Fire Dept

Monday at 12:38 p.m. Dillon Volunteer Fire Dept. was called to a vehicle accident on Highway 91, North, behind Beaverhead Motors. We assisted with traffic control and cleaned up a fuel leak.

Tuesday at 11:10 a.m. called to a pickup on fire Interstate 15 at Apex. When we arrived we found the fire was out and involved the brakes.

ANIMAL SHELTER

by Lynne Whitten

Most often when I tell people that I volunteer/walk dogs at the Animal Shelter, the response is something like, "I couldn't do that, I'd want to take them all home with me". Yet, it is true. You do. But you know you can't. If you love animals, there are other ways to help those (cats and dogs) that have been given to the Shelter for one reason or another.

One of the biggest needs right now is to get the Thrift Shop open as many days of the week as possible. The original plan was for four days a week, but unfortunately one of our volunteer managers had surgery and won't be able to help for about 6 weeks. That means that the Thrift Shop will be open only on Wednesday and Saturday this week. The hours will remain at 10:00 am to 4:00 pm. The Shop is located at 28 E. Center St in Dillon across from the Elks.

We really need volunteers to help co-manage the Shop. It would be vest if someone is willing to spend two days a week in the store, but we would be happy with two people, one day a week. PLEASE contact Susie (4046-925-1512) at the Shelter if you have some time to help out in this way.

And, don't forget the "Pass Your Stash" sale on Saturday, February 28, from 10:00 am to 3:00 pm at the Fair-ground 4-H Building. This is a fabric garage sale sponsored by The No. 1 Ladies Quilt Shop. There will be sewing supplies, fabric, notions, quilts, cross stitch and embroidery supplies, just to name a few items. Proceeds from this event go to the Shelter. If you have items to donate, you can drop them off at the Quilt Shop.

Study Commission; City

By: MJ

You have an opportunity to get involved and have a say on how your local government will function. It's your government and you can change it any way you want within the parameters of the laws. All you need to do is step up and express your ideas. Your identity will be anonymous.

The purpose of a study commission is to study the existing form and powers of a local government and procedures for delivery of local government services and compare them with other forms available under the laws of the state. The members of the commission take an oath to protect and defend the Constitution of the State of Montana.

Study commission must ask themselves, *does our unit of local government need to be altered in some way to better serve the community or not?* The Study Commission for Dillon has met several times laying out the ground work for how they will proceed. They will established a time table for deliberations and actions of the committee must be published in local media outlets. If you think that the local government needs to be upgraded to meet the needs of the community today and into the future now is the time for you to participate.

Members of the cities study commission are: Ms. Jean Bergeson, Mr. Mike Miller, Mr. Paul Pilgrim, Mr. Richard Miller and Mr. Craig Cornell.

Your ideas are valuable information for the committee. Do not hesitate to bend the ears of any of the above by contacting them personally. The squeaky wheel gets the grease. Be the squeaky wheel and voice your opinions. All meetings are open to the public. Committee has expressed that they welcome the public to participate thus helping them make the decisions.
