Montana Highway Patrol Commissions 10 New Troopers

The Montana Highway Patrol commissioned 10 new troopers at the 58th Advanced Academy Graduation ceremony. Attorney General Fox addressed the graduates at the event, which took place at the Colonial Inn in Helena.

In his remarks, Attorney General Tim Fox emphasized the importance of character to those who choose a career in law enforcement, telling the graduates, "You'll undoubtedly be faced with many important choices in your careers from here forward. Many of those decisions will be easy to make, but there will be some tough ones, too. In each person's life, there are many things over which we have little or no control. But what we do with our character is completely up to us."

Members of the 58th academy class include:

THANK YOU

The family of Ada Ingram would like to thank everyone for your support, cards, flowers and meals during our time of sorrow. Your kindness is greatly appreciated.

We would like to extend a special thank you to Greta Chaffin and Kevin Buttons for their wonderful friendship to Ada. It meant the world to her.

Also a special thank you to Marie Holt, Hospice, LDS Relief Society and Ron and Julie Briggs.

Thanks you from the bottom of our hearts.

The family of Ada Maud (Brothers) Ingram.

Letter to the Editor

50-50 "LAWS"

We are writing in regards to the comments made about the 50-50 drawing. We were unaware of any rules or "laws" that state you "HAVE TO" give back your winnings. Not everyone has lots of money, some of us go to support a cause or for a friend. If you purchase something at the auction are you required to sell it and give the money back. Sometimes some of us give more then we can afford so it's nice to come home with a little something extra. We should not "JUDGE" anyone, for everyone has problems of some kind.

Office of Consumer Protection Programs Save Montanans More than $5 Million in 2014

National Consumer Protection Week is March 1-7

As National Consumer Protection Week begins, Attorney General Tim Fox announced Montana's Office of Consumer Protection facilitated the return of more than five million dollars to the state's citizens last year, and reminded them of specialized programs available to help consumers.

"Issues like identity theft, deceptive advertising, and scams of all kinds are all too familiar in today's world," said Attorney General Tim Fox. "Fortunately, Montana's Office of Consumer Protection offers many invaluable services consumers can utilize to protect themselves, their families, and their assets from those who may try to take advantage of them."

In 2014, the Office of Consumer Protection's (OCP) investigators fielded more than 4,500 calls from consumers, resulting in more than 1,100 filed complaints. During the same time period, OCP facilitated the return of more than five million dollars to consumers and prevented losses of an additional $470,000. Those savings come through multiple OCP programs, including:

- Scam Alerts – Email alerts that keeps consumers up-to-date on the latest rip-off attempts circulating and helps prevent them from falling prey to fraudsters. Currently, tax scammers are targeting taxpayers by claiming to be the IRS. Signing up for the free alerts is quick and easy; visit https://dojmt.gov/consumer/scam-alerts/sign-up-for-scam-alerts/.
- Keep My Montana Home – For homeowners facing foreclosure or struggling to make house payments and who have a mortgage serviced by Bank of America, Citibank, JP Morgan Chase, Wells Fargo or GMAC, it may be possible to lower the principal of the loan or to re-finance at a lower interest rate, among other options through this program.
- Identity Theft and Security Freezes – An "Identity Theft Passport" is designed to help victims prove to creditors and law enforcement officers that someone has used their identity to commit fraud. A security freeze allows consumers to proactively "lock up" their credit information so no one can access it without their permission, preventing thieves from falsely using someone else's identity to take out a new mortgage, apply for a credit card or get financing.

"Unfortunately, shady characters continually arise with new schemes to take advantage of honest, hardworking people," Fox added. "By alerting consumers to common scams and frauds, the Office of Consumer Protection has been able to save individual Montanans not only substantial amounts of money, but frustration and heartache as well. We are proud to renew our commitment to educating and standing up for consumers in our great state during National Consumer Protection Week."

He was the junior single Champion with 197 out of 200. He was tied with Logan Mountain from California. They shot 100 targets in the shoot off and Dale broke 100 straight and Logan shot 99.

For High Over All standings Dale was tied for 8th. that is a great showing for a young shooter competing against 722 participants in all divisions. He was also tied for 10th in the all around with all 722 shooters in all divisions.

Dale was accompanied to Arizona by his father and mom stayed home this time to haul hay and feed cows. Such is life in Jackson, Montana.

Thank you

To the nearly **17,000 patient visits** seen here with our OPENING 7 YEARS AGO!

We appreciate you who have trusted us for your healthcare needs.

AMERICA is still the best country God ever created.
In our clinic, there is a 1917 photo of a hard-working horse in harness, doing its job.
"Pull it one more mile" is its caption.
I thank my Lord Jesus Christ for the opportunity to do the same in this land of free enterprise,
shoulder to shoulder with my fellow Americans. I'd like to extend a special ***Thank You*** *to our Military and their families.*

Together, WE ARE MAKING IT THROUGH THE HEALTHCARE CHALLENGE AND TO HELP OUT:

COME IN FASTING FOR 12 HRS, HAVING ONLY WATER TO DRINK

We will be continuing our policy of delivering same day quality healthcare with ***no appointment necessary*** *throughout the coming years. We will strive to maintain affordable rates & timely visits. We look forward to seeing more of our friends, neighbors and visitors.
