Search and Rescue News

Beaverhead Search and Rescue held its monthly meeting on Wednesday, March 4th. It started with the board meeting at 6:30. The regular membership meeting was called to order by Commander Tommy Goins at 7:00.

On February 7th, an outdoor snow training was held from 1:00 pm to 4:00 pm. The unit had their winter equipment out in the Grasshopper Valley helping with the Snow Riders Poker Run. With the equipment already out, several members practiced with the equipment refreshing and honing their individual skills. They also practiced packaging a victim and transported that individual using our recovery sled. Members that participated were: Training Officer Dr. Mike Clark, Alan Holt, Brian Vinson, Brian DeMars, Chuck Griz Clark, John and Paula Williams, Tommy Goins, Dr. Greg Moore, Nikki Cowperthwait, and Tara Remely.

We have had two Search Manager call outs this past month. One was for two individuals that were in the Black Mountain area and became stuck. They were able to get themselves out. The second one was for two individuals who skied off the back side of Maverick Mountain and became disoriented. Before the entire unit was paged the two walked back up the mountain and made their way to safety. Both parties were in good shape when they got out.

It was announced that our annual gun raffle has come to a close. Dennis Baldwin is the proud owner of the Browning A Bolt 25-06 with a Leupold 3X9X40 scope. He is from Kila, Montana which is located just outside Kalispell. Congratulations Dennis, hope it brings you many years of enjoyment.

Our annual auction is also coming up and is scheduled for May 3rd. It is shaping up to be a very good one. Several nice items will be going on the block including many new items. This is one of our most successful fundraisers. If you have things you would like to donate to our cause, please contact any of our S&R members. Our Auction Chairperson this year is once again Brian Vinson. We will provide a tax deductible receipt for the items value if requested.

The membership voted one new member onto the roles. His name is Matt Hopkins. Matt is relatively new to the area but brings with him several excellent qualifications. Congratulations Matt and welcome aboard.

It has been two months now since Steve Scott, our past commander, turned over the reins of the unit to Tommy Goins. Not sure how this slipped my mind, I know I'm getting old, but we want to give recognition for jobs well done to those who do so much for this unit and get so little recognition. So, Steve, thank you for all your hard work and dedication to the unit. Your time spent as commander is exemplified by everything you did during your tour and the things you continue to do for the unit.

Our next meeting will be held April 1st. If you are interested in becoming an active member of the Beaverhead Search and Rescue simply come to the meeting, see what we are about, and pick up an application. You can also contact any of our members and they can get you an application.

Submitted by Mel Rice, Public Relations Officer.

Rumor on the Streets of Dillon:

By: MJ

Talk on the street is that some folks are soliciting people to sign up for the vacated council seats. They are saying that the council needs young people and not the old ones. **Question: Would that be discrimination?** **Question: who defines what old is?** *If you ask a teenager they would probably say anyone 40 plus or someone with grey/white hair would be old, lost their mind and should not be driving. I was a teen once and know this for a fact.*

Would this type of thinking only hurt Dillon by excluding a great deal of knowledge and experiences that would be beneficial toward the management of the city?

Successful businesses will have the old and young sitting across the table from one another. Old and young supporting and working together for the betterment of the business that pays their wages.

It appears that a mix of ages would offer an effective council just as a representation of people with mixed professional skills would.

It is time that the "Get Even" and "Stall Tactics" that seems to identifying Dillon at this time go away. Let's move forward and figure out how to improve Dillon's economy. **Issue is: Elected officials took an oath to uphold the Constitution, the Statues and failed to do so. They had their day in court, a District Judge ruled - time to move on. Help this happen by communicating with a council person and presenting your thoughts. Let the Mayor know what you think and what you would like to see happen. You are the taxpayers. Call Mayor Klakken @ 683-4245.**

Letter to the Editor

Mr. Achter chose a bad time to resign, minutes before the March 4 City Council meeting. This left the Council without a quorum and unable to meet. There were some important issues on the Agenda, including the Bond Refinancing that has the potential to save the City millions of dollars. As an accountant, CFO of our hospital, and experienced City Councilmen, Mr. Achter, of all people, knew the importance of this next vote to bring us closer to completion of the bond action that evening. It's a fight against time, with the expectation of rising interest rates this year. The City's gains depend upon current low interest rates. It seems that some members of the City Council in recent months were dragging their heels on this issue, and now we have still another delay. WHY??????

Letter to the Editor

On Wednesday, March 4, 2015, as my wife walked our leashed pet dog west along the north side of Bannack Street, a farm/ranch dog jumped from the rear of a flatbed truck parked in King's parking lot, ran across the street, and attacked our dog. My wife intervened and was promptly bitten on the thumb by the attacking dog. She sustained a crushed thumbnail and hematoma under the nail. The event was observed by an anonymous female onlooker, who overheard my wife as she cried for help.

The male owner of the attack dog casually crossed the street, retrieved his animal, turned, and returned to his vehicle. He neither checked on my wife's condition, provided his name and insurance data, accepted responsibility for the incident, apologized, or appeared cognizant that anything amiss had occurred.

Thursday morning, my wife went for treatment by our family doctor, who indicated she will likely lose the thumbnail.

Dillon is purported to have a leash law. If a canine is out of its yard and afoot on the city streets, it must be at one end of a leash, its owner/handler at the other end. Most Dillon residents who enjoy walking their dogs within the city carefully abide by the leash law. However, dogs seen in the beds of pickup trucks and flatbeds are seldom, if ever, tethered or leashed. Whether oblivious to the law or simply not caring, the owners bear the liability for the actions of their animals.

The Wednesday animal attack was the second my wife has experienced in Dillon within the past six months. She has heard of similar attacks from other dog owners.

The City of Dillon must decide if it will enforce the leash law, or allow the present, uncontrolled status quo to remain. Lacking effective leash law enforcement, Dillon is not currently a safe place to walk a leashed pet.

third with her project, "The Effect of Drag on a Swimmer in the Water. Comparing Smooth and Rough Surfaces." The grand, first and second place winners will compete at the state science fair, March 16th and 17th.

This Tuesday, March 10th, the academic Olympic teams will compete in Bozeman. The bus will leave at 5:45 a.m. sharp and will return late afternoon or evening depending on how the teams do.

This week - Monday, Tuesday, and Wednesday, 8th graders will be taking the science CRT during their science class. Parents, it's very important that students do not miss this test, and that they come well rested and well hydrated, having had a good breakfast. During this testing season, if at all possible, please refrain from taking your child out during the school hours.

This week in our pennies for patients campaign, we have the "cake walk for a cure" for 6th graders. It will be held Wednesday, March 11th. The Pennies for Patients campaign is for the Leukemia and Lymphoma Society. LLS is the world's largest voluntary health organization dedicated to funding blood cancer research and providing education and patient services. They exist to find cures and ensure access to treatments for blood cancer patients. Our Pennies for Patients fund drive will be going through March. 8th period classes will be competing to raise the most money - the top class will earn a pizza party. Also throughout March the DMS MBI team has many activities that students can become involved with and ALL PROCEEDS go towards the Pennies for Patients campaign. "EVERY PENNY COUNTS"

Mrs. Bocking and Mrs. Mock, our school librarians, would like to thank the Dillon community for their support of the book fair. They had their second highest sales in history and were able to get many new books for our library. We all feel fortunate to have a community that loves books and reading as much as we do! Again, thank you so much for supporting our book fair this year.

This is the last week for wrestling. Tomorrow, Tuesday, March 10th, the team will travel to Anaconda for the Anaconda mixer. The bus will leave at 2:30, and the competition will start at 4:00. Next week we will have all the final results for wrestling. Good luck, wrestlers on your last competition.

would like to say a sincere

Thank you

To the nearly 17,000 patient visits seen here with our OPENING 7 YEARS AGO!
We appreciate you who have trusted us for your healthcare needs.

AMERICA is still the best country God ever created.

In our clinic, there is a 1917 photo of a hard-working horse in harness, doing its job.

"Pull it one more mile" is its caption.

I thank my Lord Jesus Christ for the opportunity to do the same in this land of free enterprise,
shoulder to shoulder with my fellow Americans. I'd like to extend a special Thank You to our Military and their families.

**Together, WE ARE MAKING IT THROUGH THE HEALTHCARE CHALLENGE
AND TO HELP OUT:**

HEALTH FAIR BLOOD WORK AT THE BEST RATES!
