CLARENCE WILLIAM ROGGE

Clarence William Rogge was born Feb. 9, 1917 to Herman and Anna Rogge at the family home north of Jordan, MT. He was the eldest of 6 siblings. He grew up on the family ranch, helping care for livestock, breaking horses, and farming. He attended the local country school, and finished 8th grade there.

In the 30's he left home and went to work on the Parker farm near Custer, MT. He worked there in the sugar beet fields, milked cows, and other farm duties. He worked this job 7 days a week for 5 years at \$1 a day.

From an early age, Clarence developed a passion for dancing, and despite his full time work, he occasionally attended Saturday night dances.

He was called up with several other young men to Butte for the military. Not passing the medical exam he was sent back to work. He returned to the Jordan area soon after, and began thinking it was time to get married and settle down. He met Stella Barker at a dance, when his mother encouraged him to dance with a shy dark-haired girl, who just happened to be a friend of his sister, Viola. They were married in Miles City on Nov. 16, 1942.

They worked on the Weeding farm until they purchased land adjoining Stella's parents, southwest of Sand Springs. Clarence built their first two room home. As their children arrived, daughter Lois and son Richard, Clarence added on more rooms. He lived there until he entered the Health Center in Jordan, where he resided for the past two years.

Clarence was a very hard working, loving and quietly humorous man whose life was working and playing with his family. Music was a large part of the family and when there was music, Clarence was dancing or playing the harmonica and occasionally doing both at the same time.

Clarence & Stella were nearly inseparable during their 66 years together. They worked cattle, hayed the fields, and all other chores demanded on a ranch. They enjoyed visiting neighbors and attending dances where Stella often helped play and Clarence could indulge in his favorite pastime.

As Stella's health began to deteriorate in 2007, Clarence's loyalty and devotion was evident as he spent every moment he could away from the ranch with her. Stella passed away in 2008.

Clarence worked his ranch until 2010, when he sold his beloved cows and spent a couple winters with Lois. He continued to dance, and Clara Saylor often joined him at the Grass Range jam sessions & other dances. He also continued to play with the dance to music with a local musical group at the Health Center every week. His last dance was a few days after his 98th birthday.

Clarence was preceded in death by his parents, wife Stella, son Richard, brothers Cliff, Clyde and Cecil and sisters Hilda & Viola. He is survived by brother Edwin (Darlene) Rogge, daughter Lois (Darrell) Johnson, grandchildren Sheryl (Brad) Wutzke, Elisa (Gerad) Murnion, Kevin (Kasie) Rogge, Brian, Rachel & Coryn Rogge, seven great grandchildren, and numerous nieces and nephews.

In lieu of flowers, please give to your favorite charity or church.

Dillon Tree Board Offers FREE Tree Pruning Clinic

Have you ever wanted to learn proper tree pruning technique? Well, now is your chance! Come to the grounds of the Veterinary Hospital of Dillon, located at 2150 Overland Road, Dillon, on Sat., March 21st at 10:30 a.m.

The Dillon Tree Board is sponsoring a free tree pruning clinic for those interested in learning the proper techniques. This is an opportunity to get hands on experience on the correct way to prune young trees for structure and aesthetics. A little attention given to a tree when it is young can greatly enhance the appearance and form of the tree when mature.

Bring gloves and hand pruners if you have some. Remember to dress appropriately for Montana's spring weather. There will be a drawing for two Felco hand pruners and two Corona folding hand saws.

The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

For additional information, contact J.S. Turner at City Hall or call the DNRC office at 406-683-6305. Information can also be found on the Dillon Tree Board website at www.dillontrees.org.

BULLDOGS PLACE TWO ON WOMEN'S BASKETBALL ALL-CONFERENCE TEAM

The Frontier Conference released the 2014-2015 Women's All-Conference Basketball team following Monday night's tournament championship. Two Bulldogs received honorable mention recognition from the league's coaches.

Senior guard Jenna Banks of Bozeman, Mont. was selected as an honorable mention all-conference performer for the second straight year. Banks started all 30 games for Montana Western and held the second highest scoring average for the team at 9.9 points per game. Banks led the Bulldogs in free throw attempts (109) and free throw percentage (.734) as well as assists per game (3.0) and steals per game (1.08).

Junior guard/forward Sierra Higheagle of Lapwai, Idaho received honorable mention all-conference recognition after her first season with Montana Western. Higheagle was the leading scorer for the Bulldogs, averaging 11.37 points per game with a .387 shooting percentage. Higheagle led Montana Western in three point baskets with 46 made this season, recorded 27 steals good for second on the team and 47 assists.

"Jenna and Sierra are two of the hardest workers in our program, so I was very happy to see them recognized by the coaches," Bulldog head coach Lindsay Woolley said. "They have worked extremely hard on and off the floor and set a great example for our younger players."

Barrett Hospital, Beaverhead County Public Health Participate in a State-wide Response Exercise

Barrett Hospital and Beaverhead County Public Health, in cooperation with the State of Montana Department of Public Health & Human Services (MDPHHS), participated in a state-wide exercise designed to test the preparedness of each entity in the event of the arrival of a person of interest (POI) for Ebola Virus Disease (EVD) in the state of Montana. The exercise took place from March 2nd to March 4th.

This operational exercise aimed to validate Montana's EVD Response Plan while providing participants an opportunity to practice their EVD response tasks related to the identification, diagnosis, and transfer of a suspected Ebola patient. The exercise helped organizations identify gaps in current capabilities and training.

The exercise scenario involved responding to two EVD cases in two separate local health jurisdictions on the same day (Beaverhead and Cascade). Players responded to the cases in accordance with guidance provided by CDC and DPHHS, and local procedures. Exercise play included all EVD response steps from the identification of an EVD Person of Interest to cleanup of contaminated areas. Objectives of the exercise included the ability to develop and execute an EVD POI care plan, respond to an EVD patient, investigate an EVD case, and recover from an EVD incident.

The high-level purpose of the Ebola Virus Disease Response full-scale exercise was to provide additional practice and performance of important parts of safe containment of a deadly communicable disease, including: 1.) Public Health assessment, monitoring, and response coordination 2.) effective communication and notification to avoid panic and decrease public fear,

would like to say a sincere

Thank you

To the nearly 17,000 patient visits seen here with our OPENING 7 YEARS AGO!

We appreciate you who have trusted us for your healthcare needs.

AMERICA is still the best country God ever created.

In our clinic, there is a 1917 photo of a hard-working horse in harness, doing its job.

"Pull it one more mile" is its caption.

I thank my Lord Jesus Christ for the opportunity to do the same in this land of free enterprise, shoulder to shoulder with my fellow Americans. I'd like to extend a special Thank You to our Military and their families.
