TERRY RATH TERRILL

A gathering of family and friends will be held this Saturday, March 14th 11:00 am - 2:00 pm for Terry Rath Terrill at their home, 320 Madison Street, Dillon. Terry passed away Feb. 22, 2015.

Special Council Meetings cont'd.

By: MJ

As humans we all have our own personal ideology, however the focus at the March 10, 2015 Special Council meeting was on healing a broken government and moving forward with the business at hand for the betterment of the community.

The applicants for the vacated council seats presented themselves to the seated council members, explaining why they were qualified and why they wanted to be a council member. The seated council members ask appropriate questions of the applicants and then preceded with an open conversation between themselves before choosing the applicant to serve. As a member of the public it was refreshing to see the council members, before they made a decision, openly debating who they felt was the best choice for the community and why.

March 10, 2015 the following people were appointed to the vacated positions on the council: Ward 2, Mr. Kevin Hodge - Ward 4, Mr. James McIsaac and Ward 3, Mr. Thomas Straugh.

Mayor Klakken asked the City Attorney, Mr. Dolan to explain the requirements of the laws for replacing members for vacated council seats. The Mayor had no say in who was chosen nor could he break a tie vote. It was completely up to the council to choose the replacements according to statutes.

Mr. Cottom resigned at the end of the meeting and was given a big thank you for his service over the years by everyone in attendance of the meeting, Mayor and Council Members. Anyone who has served in public office knows it is not an easy job and takes a toll on ones soul. Thank you Bob.

Thank you Class of 1980

The Dillon Jaycee's would like to thank the class of 1980 for the generous donation to our Little Shooter Program in the memory of Jack Zink.

New BB guns, BB's and targets have been purchased. Each year the Dillon Jaycee's award the top shooter with a new BB gun and their name goes on a plaque, which is housed at Papa T's. The plaque, formally named the "Top Gun Award" will now be known as the "Jack Zink Memorial Top Gun Award".

We greatly appreciate your donation in the memory of Jack Zink.

Thank you again,
Dillon Jaycee's

Pruning our Community Forest

Patrick Riedel, certified arborist and owner of Prorover, has been awarded the City of Dillon tree pruning and removal contract for 2015. The pruning and removal work will take place along the boulevards in six locations in Dillon's historic district. Twenty-seven mature green ash trees will be pruned and seven green ash trees will be cut down and removed due to rot and possible tree failure. All tree stumps on the removed trees will be ground out by the City. Work will begin in the middle of March and should be completed by the middle of April.

Pruning and removal work will take place along the boulevards on Reeder, South Pacific, West Orr, West Sebree, South Washington and Bozeman Streets. All adjacent landowners have been contacted and are supportive of the project. Crews are busy and won't always see you when they are working, so please stay at least 60 feet away from all pruning activity.

The certified arborist will prune trees to remove broken and dead branches, promote good structural branching, and improve vigor and aesthetics of the tree. Only certified arborists are permitted to bid on these contracts; and they must follow ANSI 300 standards, as set forth by the Tree Care Industry Association. The contract is being administered by the City of Dillon and the Dillon Tree Board.

Mr. Riedel will be working in conjunction with city employees during the pruning and removal work. Anyone wishing to have professional tree care work done while their equipment is still here in Dillon may contact Patrick Riedel at 406-698-6551.

New trees are available to be planted through the Tree Board's "Cost Share Program." Visit the Dillon City Hall or the Dillon Tree Board Website www.dillontrees.org for more information about the program.

The funding for the project is derived in full or in part from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish project work. A competitive bid process took place to determine the lowest bidder.

For additional information, contact J.S. Turner at City Hall or call the DNRC office at 406-683-6305.

The Frontier Conference Men's Basketball All-Conference teams and individual award recipients were announced at the conclusion of Tuesday's championship game. Bulldog head coach Steve Keller and four players were recognized for their performance this season.

Keller guided the Bulldogs to a record of 22-9, a share of the Frontier Conference regular season championship, and a second place finish in the Frontier Conference Tournament. Keller is in his eighth year at the helm of Montana Western, and has earned invitations to the NAIA National Tournament four of the past five seasons.

The Dillon Middle School 8th grade Band and Choir students, the 7th and 8th grade "Youth Sing" participants, and the Lima Choir will perform individual pieces and also join the BCHS students for concert selections. In observance of St. Patrick's Day Irish selections will be performed. The Combined Ladies will sing "The Rising of the Moon" depicting an Irish Rebellion, and the Mixed Ensemble will perform "The Gatten Mother's Lullaby with its inclusion of Irish imagery.

The Symphonic Band will open the concert with "Reece's Summer Day" by David R. Holsinger. This was one of the presentations at the NAFME All Northwest Conference in Spokane in February. Presented by the Jazz Band will be "Son of a Preacher Man" by John Hurley and Rodney Wilkins. A 19th century U.S. Ballad, "Come All Ye Fair and Tender Ladies" will be performed by the Men's Chorus of BCHS. The Percussion Ensemble will entertain the audience with "Tiger's Blood" after which the Combined Men will sing an Israeli Folk Song of Peace, "Zum Gali Gali". "Omnia Sol" by Z. Randall Stroepe and "Salmo 150" by Ernani Aguiar will be sung by the Teen Tones. All Choir members will end their portion with "Sansa Kroma" which is an Akan children's song. Band members of both schools will conclude the concert with "The Machine Awakes" and "The Big Sky".

Presentations by the Lima Bel Canto Choir will be "A Mozart Canon" and "This Shall be for Music" with poetry by Robert Louis Stevenson. DMS 8th grade students will perform "Didn't My Lord Deliver Daniel" and the Youth Sing Choir will present "Dancin' at the Rock". The band students will present "Mt. Hook Portrait".

Mr. Neil Lemieux is director of music at the Dillon Middle School, and the Lima program is under the direction of Mrs. Carolyn Van Slyke. Mr. Christopher Kloker and Mrs. Laurie Hagenbarth direct the Band and Choir respectively at Beaverhead County High School. The public is cordially invited to attend at no charge.

Attorney General Fox's Legislative Priorities Continue to Advance

Several measures already signed into law

As the legislature continues its work after a mid-session break, a number of legislative priorities from Attorney General Tim Fox and the Montana Department of Justice have already been signed into law by the governor. The others continue to move through the process with broad bi-partisan support.

"Our legislators have been working long hours every day doing the people's business, and they deserve the gratitude of every Montanan," Fox said. "I am delighted they have worked together across party lines to pass many of the important public-safety and privacy-protection measures my office brought forward."

Improving Montana's DUI laws (HB 488, Rep. Keith Regier, R-Kalispell). The bill doubles the minimum fines for DUI convictions, creates a \$300 fine for offenders who refuse a breath test, closes loopholes that allow some repeat offenders to face minimal punishment, and generally improves the consistency and cohesiveness of Montana's DUI laws. Status: **HEARD IN HOUSE COMMITTEE.**

Creating a sexual assault prosecution unit in the Attorney General's Office (HB 75, Rep. Stephanie Hess, R-Havre). To improve the investigation and prosecution of sexual assault crimes, this bill would statutorily establish a special team within the Montana Department of Justice's Prosecution Services Bureau focused on prosecuting sex assault crimes directly and training county attorneys. Status: **SIGNED BY GOVERNOR.**

Strengthening Montana's human trafficking laws (HB 89, Rep. Kim Dudik, D-Missoula). This bill would bring Montana's anti-trafficking laws into conformity with the model Human Trafficking Act. It would establish and strengthen definitions in state law as well and clarify penalties for those found guilty of human trafficking. Status: **PASSED HOUSE.**

Improving Montana's sexual offender registry (HB 88, Rep. Sarah Laszloffy, R-Laurel). As part of Attorney General Fox's long-term strategy for reducing the number of sexual offenders who lack a tier designation, this bill would place more of the tier-designation burden for out-of-state and federal offenders on the offenders themselves. The bill would also require registered offenders to disclose email addresses and online social media screen names to law enforcement, and would require a tier-1 (lowest risk) offender to register for 15 years (currently 10 years) before they could petition for removal from the registry. Status: **PASSED HOUSE.**

Protecting privacy by criminalizing the misuse of official confidential criminal justice information (HB 32, Rep. Kirk Wagoner, R-Montana City). To help protect an individual's constitutional privacy rights, this bill would establish misdemeanor penalties for those who access confidential criminal justice information for unauthorized purposes or disseminate such information to unauthorized parties. Status: **SIGNED BY GOVERNOR.**

Requiring data breach notifications to the Attorney General's Office (HB 74, Rep. Ryan Lynch, D-Butte). This bill would require any company doing business in Montana to report data breaches to the Attorney General's Office of Consumer Protection. Such notice would give the Attorney General's Office a better sense of the scope of identity theft in Montana and would help identify some businesses that have lax security practices. Status: **SIGNED BY GOVERNOR.**

Prohibiting sales of e-cigarettes to minors (SB 66, Sen. Diane Sands, D-Missoula). This bill would prohibit sales and possession of electronic cigarettes to minors. Status: **PASSED SENATE.**

Updating laws on surreptitious viewing (SB 50, Sen. Jennifer Fielder, R-Thompson Falls). Because Montana's current laws regarding the surreptitious viewing/recording of another person do not take into account members of the public recording others through cell phone cameras and other means made possible by technological advances, this bill would update state law to allow for more effective prosecution. Status: **SIGNED BY GOVERNOR.**

Toughening laws against indecent exposure to a minor (SB 60, Sen. Robyn Driscoll, D-Billings). Currently, first offense indecent exposure in Montana is a misdemeanor regardless of who the victim is. This bill would felonize the knowing or purposeful exposure of the person's genitals, including through electronic communications, to a person the offender believes to be under the age of 16 in order to abuse, humiliate, harass, or degrade the child or for purposes of sexual gratification. Status: **PASSED SENATE.**

Protecting Montanans from patent trolling (SB 39, Sen. Cary Smith, R-Billings). This bill would create penalties for those who engage in patent trolling, which is when a person or business acquires patents not for the purpose of developing products but with the sole purpose of suing, intimidating, and/or extorting supposed infringers. Over the past several years, an increasing number of small businesses in Montana have been victimized by patent trolls. Status: **PASSED SENATE.**

Requiring electronic reporting of pseudoephedrine sales (SB 48, Sen. Chas Vincent, R-Libby). To combat the manufacture of methamphetamine, this bill would require businesses selling pseudoephedrine to electronically report sales to the Montana Department of Justice. Currently, businesses only have to maintain records of sales at their stores. Status: **PASSED SENATE.**

Allowing law enforcement to obtain search warrants electronically (SB 26, Sen. Nels Swandal, R-Wilsall). This bill would clarify the law to allow officers who have internet access in their patrol cars or offices to create affidavits in support of a search warrant and submit it to a judge via an email request. The judge could review the affidavit and either deny or issue the warrant. This would save valuable investigation time and help officers collect and preserve evidence more quickly. Status: **SIGNED BY GOVERNOR.**
