Montana Western's Richardson Honored By Athletic Trainers Association

The Northwest Athletic Trainers' Association (NWATA) District 10 has announced that Russ Richardson, athletic trainer and associate professor at the University of Montana Western will be inducted into its Hall of Fame.

This honor was followed by the announcement that Richardson would also be included in the National Athletic Trainers' Association (NATA) at the annual meeting to be held in St. Louis, Mo., this June. Induction into the NATA Hall of Fame is the highest honor a member can receive, and is reserved for athletic trainers who have served the association with distinction at the highest level.

A Dillon native, Richardson earned an undergraduate degree in industrial arts and physical education with a sports medicine emphasis from Western Montana College, now the University of Montana Western, in 1982. It was at Montana Western that Richardson joined the NATA as a student member under the mentorship of head athletic trainer Dave Kendall. Richardson continued his education as a graduate assistant athletic trainer at California State University – Fresno and began working as an athletic trainer in both the high school and college settings.

Richardson spent more than 20 years at Whitworth University in Spokane, Wash., where he developed and directed a professional athletic training curriculum that has served as a model program throughout the nation and beyond.

Richardson has already been inducted into the Washington State Athletic Trainers' Association for his work on issues such as concussion legislation and regulation of the profession of athletic training. Richardson served as the secretary of the NWATA for four years and then as president/director for another four.

During his time in Washington, Richardson provided medical care to the US Figure Skating Championships, the World Cup of Wrestling, the US Olympic Wrestling Trials, Skate America, and the Hula Bowl All-Star Football Classic. In 2011, Richardson left Whitworth and spent a year developing and implementing a graduate program in athletic training.

Richardson returned to Montana Western in 2012 as interim head athletic trainer and associate professor in the health and human performance program. Richardson has served as chair of the NATA's Executive Committee for Education since 2013 and led the 2013 Nomenclature Task Force. In 2014 he traveled to nine of the 10 districts to lead discussions on graduate level education and continues to work tirelessly for the profession of athletic training.

MONTANA AAU STATE MEET

The Montana AAU State wrestling meet was held in Great Falls last weekend. Two matmen went from Dillon to compete and both placed. Cooper Hoffman from Dillon Middle School wrestles at 110 lbs. and he placed 3rd and from BCHS Patrick Griffin wrestled at 160 lbs. and placed second.

Congratulations to both young men on their win and representing our community well.

2015 Walking School Bus kicks off

Come one, come all and join in on the walk to school as the Spring walking season gets kicked off this Friday, March 20th with the Beaver and Bulldog mascots. The program is entering it's 6th year of operation and is making some changes to increase exposure. Our goal is to maintain and establish a stronger connection within our community, we plan on achieving this goal is by establishing Celebrity Fridays. Little do many know a local celebrity Tom Welch, president of Pioneer Federal Savings and Loan, has been a great supporter of the program and walks Route #2 on Friday mornings for the last few years. Celebrity Fridays offer a way for influential members of our community to walk the elementary kids to school. The ongoing theme of Celebrity Fridays is promoting and teaching community safety by involving community members like: the Police Department, Volunteer Firefighters, the Sheriff's Department, Doctors and Hospital staff, high school and college athletes, Youth Connections mentors, and hopefully Smokey the Bear! Please come join the walk to school, the walking routes begin @ 7:25am Route #1 starts on Atlantic & Dillon (across from Pita Pit) and Route #2 starts on Noble & Sunrise (Dan Ibey Memorial Park). The program runs M, W, F mornings until the end of the school year, walking in the sunshine, the rain, the snow, and the wind! As a volunteer program we are always looking for extras, if you are interested in walking please call 660-5792.

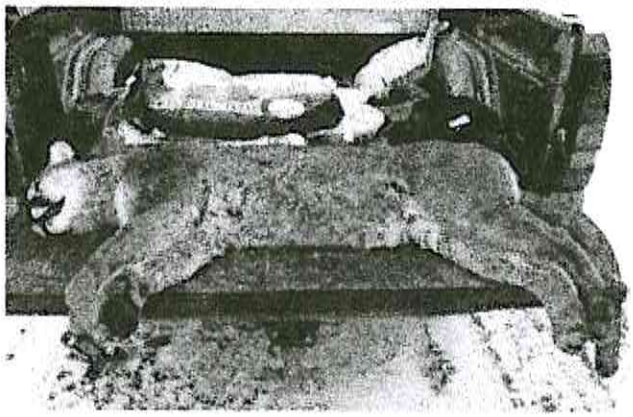
Madison County Couple Sentenced For Multiple Wildlife Violations; Each Lose Hunting & Trapping Privileges For Years



A Madison County couple was sentenced Monday after being convicted of multiple wildlife violations involving the illegal killing of several furbearers, a mountain lion, and an antelope buck.

A tip from a concerned landowner sparked an investigation into the couple's hunting and trapping activities in the fall of 2013. Most of the violations occurred on the large ranch in the southern Madison Valley which the couple managed for the landowner.

Daniel Bennett was convicted in Madison County District Court of unlawful possession of a game animal (an antelope buck), three counts of trapping without a license (five bobcats, beaver and muskrat), unlawful use of equipment (trapping a mountain lion), four counts of violating FWP Commission rules, hunting without a license, trapping

during a closed season, and obstructing a peace officer.

He was sentenced to 30 days in the county jail. He lost all his hunting, fishing and trapping privileges for 10 years and was fined $2,100, plus restitution of $2,400.

Jennifer Bennett was convicted of unlawful possession of a game animal (antelope buck), unlawful possession of furbearing animals, and obstructing a peace officer.

She was sentenced 10 days in jail (which may be served under house arrest) and lost all of her hunting, fishing and trapping privileges for four years.

At the conclusion of the sentencing, Regional Investigator Chad Murphy offered words of appreciation to those that helped in the investigation.

"We couldn't have done this without the cooperation of an understanding landowner, the hard work of the Madison County Sheriff's Office and our wardens on the ground. Despite their efforts, these two didn't get away with stealing wildlife from the people of Montana," said Murphy.

Fox Leads Group of Attorneys General Urging ATF to Discard Controversial Ammo Ban

Montana Attorney General Tim Fox and 22 other state attorneys general have sent a letter to the federal Bureau of Alcohol, Tobacco, and Firearms (ATF) urging the agency to permanently discard a proposed ban on M855 5.56 x 45mm ammunition. On March 10, ATF shelved the proposal after an outpouring of opposition, including from the law enforcement community.

"The proposed ban doesn't belong on the shelf, it belongs in the shredder," Fox said today.

After shelving the proposal, ATF indicated it would continue to take public comment until the close of business on March 16. In the letter submitted to ATF yesterday, Fox and the other attorneys general contend that the proposed ban is arbitrary, unnecessary, and could easily lead to bans on a wide range of rifle ammunition.

"We applaud your recent decision not to issue a final framework on this proposal, at least for now, and we strongly encourage you not to revive it," the letter states. "We represent our respective states as

each state's Chief Law Enforcement Officer, and in that role we directly oversee or work directly with numerous federal, state, tribal, and local law enforcement agencies. We, as much as anyone, want to do the utmost to ensure that our brave men and women that serve in law enforcement are safe. The proposed ATF ban on M855 5.56 ammunition, however, does not advance that goal. Instead, it threatens Second Amendment freedoms and deprives shooting sports enthusiasts of a popular cartridge for a popular rifle."

The attorneys general highlighted the opposition to the ban voiced by law enforcement organizations.

"As law enforcement organizations such as the Fraternal Order of Police have recently described, the 5.56 M855 cartridge does not pose a particular threat to law enforcement. Indeed, we are aware of no examples in our states in which this round has been used against law enforcement in a concealed weapon."

In closing, the 23 attorneys general urged ATF "to reject this ill-advised proposal and uphold the Second Amendment rights of our citizens."

The attorneys general of Alabama, Arizona, Arkansas, Florida, Georgia, Idaho, Kansas, Kentucky, Louisiana, Michigan, Mississippi, Nebraska, Nevada, North Dakota, Ohio, Oklahoma, Pennsylvania, South Carolina, South Dakota, Texas, Utah, and Wyoming joined Montana in the letter.

Letter to the Editor

Letter to Senator Steve Daines

Dear Senator Daines:

I just don't understand! You were elected to uphold the U.S. Constitution and to protect America. But now you have become a traitor to America and the people of America by signing an open letter to Iranian leaders.

Just why did you sign that silly letter? Don't you know about the Logan Act which forbids unauthorized citizens from negotiating with foreign governments?

You must know by violating the Logan Act it is a felony punishable under federal law with imprisonment of up to 3 years!

Now your true colors are showing!! You cannot be trusted as a United States Senator. I know you will give some doltish answer that you as a Senator are above the "law".

What has happened to "respect"? You have no respect for the U.S. Constitution and for the people of this great country.

Best wishes for a better America.

Sincerely;

LaVon D. Brillhart

Registration Open For Dillon Area Spring 2015 Hunter Education

The Dillon area spring Hunter Education course will be held at the Dillon Middle School on April 21, 23, 27, 28 and 30, from 6:00 p.m. to 9:00 p.m. The field day will be held on Saturday, May 2 from 9:00 a.m. to noon at the Dillon Rifle and Pistol Club Range. Class enrollment will be capped at 35 students.

Students must register online at fwp.mt.gov. Hunter Education courses are found under the "Education" tab. A parental "Acknowledgment of Risk" form and a "Student Code of Conduct" form must be downloaded, completed and handed in on April 21. Students will not be admitted to class if these forms are not completed and handed in at the first class.

In addition, prior to the course, students are required to read the first three chapters and answer the related quiz questions in the Hunter Education Manual. The manual can be obtained from the Dillon Middle School Office or Montana Fish, Wildlife & Parks office, 730 N. Montana St., Dillon. Students will not be admitted to the class if the assignment is not completed.

In order to successfully complete the course, students must attend all 5 classroom sessions, pass a written test and attend the field day.

Parents are welcome to attend the classes and field day. For parents attending the field day they are reminded that they must furnish their own eye and ear protection. This is a normal safety precaution for the shooting range and must be complied with.

We hope this course will be successful for all students and they enjoy a safe and rich hunting experience this fall. An additional Hunter Education course will be offered in August. For further information on Hunter Education please call Dr. Don Darling at 683-5088, Craig Fager at 683-9305, or Warden Kerry Wahl at 406-490-0956.

Online students (adults who have passed the online course) seeking a field day must make other arrangements by contacting one of the instructors listed above.

THANK YOU

On Saturday, March 14, the families of Terry Rath celebrated her life along with her friends and neighbors. We want to thank everyone who has supported us, prayed for us, and looked after us during the times preceding her death.

The emergency room staff and the entire staff at Barrett Medical Center were above and beyond caring and professional over the years and second to none. Terry credited Dr. Judy Wilson, her personal friend and physician, with saving her life over 19 years ago and cared for her since that time; Wilson's staff was notable as well. We are thankful for Marie Holt and Barrett Hospice - they were remarkable.

The many relatives, friends and neighbors who were present for her and her family at her farewell celebration expressed so many kindnesses as tables and chairs, food, flowers, cards, condolences and most especially their presence, were appreciated beyond what those making this day so fitting may know. We truly and deeply felt the honor given to all of us. Thank You!
