Vigilante Electric declares March 31st Ralph Dreyer Appreciation Day

After 27 years with Vigilante Electric, Ralph Dreyer is retiring. On Tuesday, March 31st we would like to give the community the opportunity to congratulate Ralph and his wife Merrie and wish them the best in retirement. We will be hosting a reception in our office boardroom from 3 to 5 p.m. Coffee and cake provided.

Dillon Veterans' Transportation System Needs You!

Thomas Straugh, Local Area Coordinator

All veterans who have VA approved medical appointments are eligible to have free rides. If your appointment is at Fort Harrison you will also receive a free lunch. And, if you have a caregiver who you would like to have there during your appointment to help listen to the instructions and help you follow up with your prescription medications and procedures, the caregiver is free to come along. You will both receive a free meal if your appointment is at Fort Harrison. No cost rides, meal at Fort Harrison, significant other can ride along, what is not to like? You earned these rides when you raised your right hand and took the oath to 'Support and defend' this nation, by the way!

So why am I writing? The problem is the van is not being used. Five trips in January, two in February and five in March were all the trips that were taken in the last 3 months. I have seen the numbers vary from month to month but these are the lowest in the last 3 years!

Most of these trips were arranged by veterans from Sheridan and Ennis so we reach out to vets beyond Dillon and Beaverhead County. Medical appointment not at Fort Harrison but VA approved? We have driven vets to Missoula, Anaconda, Butte, Bozeman, and Billings in the last three years in addition to trips to Fort Harrison. You call. We haul! Please call at 660-1294 to arrange a ride and give the system your support. We need you to take a ride to keep the program going.

I am a veteran who is very fortunate in that I can drive myself and my wife can drive me as well. I hope you are, too. In fact, I hope you don't need VA medical appointments at all. But, if you do, please arrange to ride to an appointment once a year so the van will still be in Dillon when you need it!

I have been a driver and coordinator for Dillon's DAV van program since we revived the ride program in June 2012. We operate the van as volunteers. The DAV pays all fuel, oil changes, tires, and repair costs. All we need are riders to make the system work. Call 660-1294 to arrange a ride and show your support for the veteran who needs a ride now and yourself if you need a ride and can no longer drive.

By the way, if you can still drive, are healthy, and have time to help, you could support the program by becoming a driver. Call 660-1294 to talk about becoming a volunteer driver. Veterans need your support!

BEAVERHEAD-DEERLODGE NF OFFICIALS CONCERNED ABOUT ABANDONED CAMPFIRES

Beaverhead-Deerlodge NF officials have discovered a number of abandoned campfires throughout the Beaverhead-Deerlodge National Forest and in particular in the Whitetail/Pipestone Recreation area recently and want to remind everyone to make sure your fire is completely out before you leave. "We've had some warm weather this late winter/early spring so the ground fuels are dry. We want our visitors to have a great outdoor experience while recreating on the Forest, but we also want them to make sure their fire is completely out before they leave," said Butte/Jefferson District Ranger Dave Sabo.

Forest Service officials offered these tips for anyone outdoors; 1) always make sure your fire is completely out. Mix water, earth, and embers and stir until they're cool. Be careful where you park, catalytic converters can start fires is dry grass under vehicles and remember to bring along a shovel and bucket to help put your campfire out. For more information contact your local Beaverhead-Deerlodge NF office, or go online to www.fs.usda.gov/bdnf.

Prayers for Military Peace Keepers at St. James Episcopal Church:

There will be a service honoring military personnel who have provided a peaceful nation for all of us. They may be active or veterans, at home or abroad. The service will be held at 12 noon on the first Wednesday of every month at St James Episcopal Church (203 E. Glendale). All are welcome; families, friends, military personnel and anyone who would like to thank and pray for all of the Armed Forces of the United States. The service is fairly brief and can fit into most lunch hours. The next service will be Wednesday, April 1, 2015 at 12 noon. Any questions, call 683-2735. Please join us.

Press Release

March 30, 2015

On March 24, 2015, Officers of the Dillon Police Department were involved in the service of a valid Felony Warrant from the Fifth Judicial District Court at 613 South Atlantic Street in Dillon.

While serving this warrant and making the arrest, an individual recorded the incident with his camera phone. During this recording an Officer told the individual recording that what he was doing was illegal, the Officer went as far as telling the individual the MCA chapter where he could find the information.

As the Chief of Police for the City of Dillon it is my responsibility to ensure that the Officer actions are appropriate and conform to the United States Constitution, The Montana State Constitution and the laws that govern each and every one of us.

After review of the situation and Montana Code Annotated §45-8-213 "Privacy in Communications", I find that the Officer misinterpreted the intent of the Code. An Officer affecting an arrest with a valid warrant in public does not have an "Expectation of Privacy", nor does the individual being arrested.

Again, the responsibility of insuring that the Officers are properly trained and understand the laws falls squarely on my shoulders. I have taken the necessary steps, and have scheduled remedial training for all the Officers of the Dillon Police Department to ensure this type of incident never happens in the future.

Thank you for your understanding with this unfortunate incident.

Paul L. Craft
Chief of Police

Beavers beat Corvallis on Saturday 14-4 in six innings

Bailey Berriochoa started on the mound for Dillon and threw very well in the first two innings. Lauren Holtan threw the next four innings, and also did a great job hitting her spots.

Beavers easily handled Corvallis pitching as eight hitters combined for 18 hits, 12 RBIs and fourteen runs.

Taylor Gagnon was charged with the loss. She allowed 14 runs in five innings, walked three and struck out three.

The top of the second saw Corvallis take an early lead, 2-0. Corvallis' rally started when Stephen scored on an RBI single by Hannah Brown. But, the lead didn't last for long as Dillon answered back with 4 runs of its own including a two-run double by Shaylee Ericksen, and a solo home run by Holtan.

Beavers scored in the fourth on a two-run triple by Audrey Schurg, an error, and a two-run home run by Kimee Hritsco-Murray.

Dillon was led by Schurg (3 for 4 with 3 RBIs), Holtan (3 for 3 with 2 RBIs), and Ericksen (3 for 4 with 2 RBIs)

Beaverhead-Deerlodge NF Reminds OHV Riders Helmets are Required for Children

Beaverhead-Deerlodge NF officials are reminding parents and guardians of children riding on off-highway vehicles (OHV's) that helmets are required. The Forest requires children under the age of 18 to wear helmets while riding or operating off highway vehicles (OHV's), motorcycles, Utility Terrain Vehicles (UTV's). "We want our visitors to have a great outdoor experience while recreating on the Forest, but we also want them to be safe," said Forest Supervisor Melany Glossa.

Helmets must meet standards established by the Department of Transportation (DOT) and properly fit the child. More information about DOT approved helmets can be found on-line at www.dot.gov. Adults are also encouraged to wear helmets while riding.

The order provides consistency with current State of Montana laws regarding the use of approved helmets for minors on roadways and expands that requirement to include roads, trails and lands within the Beaverhead-Deerlodge NF. For more information about State requirements go on-line to www.mt.gov.

Parents and responsible adults of minors may be subject to fines of $100 or more. For more information contact your local Beaverhead-Deerlodge NF office, or go online to www.fs.usda.gov/bdnf.

Georgetown Lake's Piney Campground Changes

Over this past winter, the Pintler Ranger District has worked with a logger to remove the large overstory lodgepole pine within Piney Campground and Boat Launch to provide for public safety. This decision was made in the fall of 2014, and did not come easily. We understand and appreciate that Piney Campground, located along the northwestern shore of Georgetown Lake, has become a special place for many people over the years.

With the mountain pine beetle epidemic affecting large numbers of trees throughout the forest, and specifically along roadsides and in the campgrounds, the forest began to treat these hazards while private landowners in the area also treated their beetle killed trees. Removal of trees across the land ownerships has created changes in wind patterns in this area.

Since 2009, the Forest Service has treated the site in an attempt to retain trees in the campground. While these efforts saved many trees from beetle infestation, the remaining green trees were subject to wind throw or blow down.

In late July of 2011, a wind throw event prompted the temporary closure of the campground to protect public health and safety after visitors' personal property and Forest Service infrastructure (tables, bathrooms, and fire rings) were impacted. In 2014, loop B was closed in July after two wind and rain events brought down green trees in the campground, again impacting visitors' personal property and campground amenities.

The forest has diligently managed the vegetation at Piney to provide for public safety and enjoyment while attempting to retain the trees in the Campground and Boat Launch. However, after multiple events over the last several years, impacts to visitors' personal property and campground infrastructure, and resulting campground closures, the risk posed by the remaining green lodgepole led us to the decision to remove the remaining overstory trees.

With the removal of the overstory trees the campground looks very different, but a new generation of trees are already growing. Along with the pine seedlings and saplings, we retained the existing Douglas-fir and spruce; and grasses, wildflowers and shrubs are bountiful.

Clean-up work of limbs and debris will continue in Piney Campground throughout the spring in preparation for summer opening. Once the campground is ready to open, forest users will
