Baby Bistro Breastfeeding Support Group Begins April 7th

Evidence shows that breastfeeding is the best and most complete nutrition a baby can receive, especially in the first months of their lives. Breastfeeding can be difficult. Cori Bernall and Kate Dunn, both Registered Nurses and Certified Lactation Counselors, are creating a breastfeeding support group called the "Baby Bistro" to try to help mothers who are breastfeeding their babies.

Located in Beaverhead Home & Ranch Real Estate Building's Conference Room, the support group will meet the first Tuesday and the third Wednesday of the month beginning in April. The Tuesday group will meet from 11:30 AM - 12:30 PM and the Wednesday group will meet from 6:00 - 7:00 PM. Upcoming group meetings are April 7th, April 15th, May 5th, and May 20th. For more information, please call Cori Bernall at (406) 925-0633 or Kate Dunn at (603) 969-3412.

New Firewood Permits Available
 New Forest Service firewood permits are now available for purchase. The annual permit allows firewood cutting through March 31, 2016.
 The cost of a firewood permit from the Beaverhead-Deerlodge National Forest is \$20 for a minimum purchase of four cords. Additional cords may be purchased for \$5 per cord up to a total of 12 cords per individual per year.
 A cord is the amount of tightly piled wood in a stack four feet high by four feet wide by eight feet long. The permit allows woodcutters to remove downed timber or to cut down standing dead trees under most conditions in the national forests and grasslands in Montana, northern Idaho, and parts of North and South Dakota, and on lands administered by the Bureau of Land Management in Montana and northern Idaho.
 Woodcutters are reminded to be safe while cutting and gathering wood; keep vehicles on designated roads and trails; be sure your chosen location for cutting wood is not within the designated right of way of any major road or interstate; and please don't drive off designated roads.
 For more information, check the firewood permit and the Forest Service's firewood handout available from agency offices and at www.fs.usda.gov/bdnf. Beaverhead-Deerlodge NF offices are located in Wisdom, Philipsburg, Butte, Dillon, Ennis, and Sheridan. The Wise River office will be open for regular business beginning May 4. Permits may also be purchased from Bureau of Land Management offices in Butte and Dillon. Forest Service and BLM offices are open weekdays, from 8 a.m. to 4:30 p.m.
 The following business has permits available to sell: Lima at Ralph's Exxon.

MONTANA WESTERN HONORS TWO SERVICE AWARD WINNERS

The University of Montana Western will host the annual Dr. Jane Helm Maddock Service Award dinner Tuesday, April 14, The 2015 award winners are Debbie Sporich and Susan Briggs.

"The UMW Foundation is extremely proud to honor these deserving and generous individuals," said UMW Foundation Director Roxanne Engellant.

Sporich was born and raised in Augusta, Mont., and attended the University of Montana Western in 1982. While attending Montana Western, she met and married Bill Sporich, her husband of 33 years.

She spent the next nine years working in the insurance industry in Wyoming and Dillon. In 1991, she approached Pat Blade about purchasing The Bookstore in Dillon. After some early negotiations, she assumed ownership and has been running The Bookstore for 23 years.

Sporich is a Dillon business leader and has been instrumental in supporting UMW and the community. Sporich is a regular guest speaker in several English department classes sharing her experience and knowledge. She is a constant presence at Dances with Words on the UMW campus, and she loves the opportunity the program provides our students and wants to share her passion and excitement of books.

Briggs was born and raised in Dillon, Mont. Her love of Montana Western began at an early age. She spent many years as a young girl on the UMW campus, playing in Main Hall and the towers and teaching swimming lessons at the campus swimming pool. Her father, Carl Davis, was a coach at Montana Western and they lived just a few blocks from campus.

Briggs graduated from Beaverhead County High School and the University of Montana. In 1972, Susan married her high school sweetheart, Bob Briggs. They will celebrate their 43rd wedding anniversary this year. They spent their early years in Utah and Missoula, Mont., raising their 3 children. Briggs became the Director of Fiscal Affairs for Montana Western in 1998 after her youngest daughter graduated from high school. She and Bob returned to Dillon and her love of this university continued to grow. Her presence at campus events is unparalleled. Her appreciation for this campus and the access it provides to higher education is unmatched.

The Dr. Jane Maddock dinner is from 5:30-7:30 p.m. in the Lewis and Clark Room in Mathews Hall on the Montana Western campus. The cost to attend the service award dinner is \$10 for faculty, staff and community and \$5 for students. Please contact the UMW Alumni Office at 406-683-7306 to RSVP.

UMW STUDENTS TEACH CURIOUS MINDS CHILDREN ABOUT PET CARE

The kids at the University of Montana Western's Curious Minds Early Childhood Center got a special visit Thursday morning from a horse named Dixie and a calf named Clementine.

Danielle Figarelle, a mother of a Curious Minds child, offered to bring her three-year-old mare and one-year-old Angus Heifer calf to for the children at Curious Minds to learn about and see up close. Each child was able to pet the animals and ask questions about how to take care of the cow and horse and other things about the animals.

Figarelle told the children that Clementine's mother had passed away when the calf was still small. The family had to feed the calf with a bottle and now the cow follows her children around at their ranch in Wisdom, Mont.

A group of Montana Western students who work with the Curious Minds kids as part of their university curriculum designed a series of lessons that focused on teaching the pre-school aged children all about different pets and how to care for animals.

Prior to the horse and calf visit, a few parents had brought in cats and dogs and a pet hen also visited Curious Minds. The children also had a visit from a person who works at the local animal shelter to teach them more about pet care.

Curious Minds director Linn Veen shows Cali Fulkerson how to hold out her hand for three-year-old mare Dixie to smell before petting the horse.

in pets and animal care.

Curious Minds director & lab instructor Linn Veen invited parents to be guest teachers & bring in different animals to show the kids.

The UMW designed the lesson with animals as part of a class project in UMW professor Estee Aiken's early childhood curriculum design and implementation course. The students observe interests of the children and develop learning projects based upon what the children already know and what they desire to learn. At Curious Minds, the college students noted an interest
