Wayve Marie Boyd

Wayve Marie Boyd passed away on April 4, 2015. She was born in 1925 to Theora Mercer Boyd (Nolte) and C. C. Boyd of Twin Bridges. Wayve's early childhood was spent on a small family ranch on the Big Hole River. When she was about four, the family relocated to Silver Star. A few years later, Wayve moved into Twin Bridges with her mother Theora and her grandmother Eva Page Mercer.

Grandma Mercer would put Wayve's clothes out for her each morning -- in the order she needed to put them on; this apparently eliminated any confusion as to where the outer clothing actually belonged!

When Wayve was 15, she went to the Twin Bridges High School Prom wearing a pink Dotted Swiss dress that she and Theora had made. There she met Melvin Wesley Boyd, and they formed an instant and lasting connection. Wayve graduated from Twin Bridges High in 1943, moved to Ohio for several months, and then spent a semester in nursing school in Bozeman. While Wes was home on leave from the Army in March of 1944, the couple was married. (Their five children endured many patient explanations from teachers and officials over the years about how your mother's "maiden name" means her name before she was married. But when Wayve Boyd marries Wesley Boyd, you just fill out the forms and explain that you are "100% Boyd".)

Wes took a job with the Nolte Ranch Company in the early 1950's, and the family settled in Silver Star. Wayve was an excellent seamstress, but her culinary abilities sometimes left a bit to be desired! She was a caring, patient mom who clearly believed that the ranch animals (including the field mice "rescued" one summer by her nephew Bill Kirley) belonged outside rather than inside the house; but she also had a soft spot for the animals. One year, when the Jefferson River suddenly overflowed its banks and floodwaters quickly surrounded the house, Wayve found herself outside in her fluffy chenille bathrobe (stretched out on the back porch with her sleeves rolled way up) plucking a litter of kittens out of their bobbing apple box while the mother cat supervised from several yards away. Wayve packed up "those darned cats", the kids who were still at home, and everybody moved to Ed & Theora Nolte's house for several days.

Wayve was a long-time, faithful member of the Church of

the Valley in Twin Bridges. She was active in the Ladies Aid & Silver Star Circle groups, and served as the Sunday School Superintendent for many years. She took a part-time job at the Silver Star Post Office in 1969, and went on to retire as Postmaster in 1983. For several years after her retirement, Wes and Wayve spent their winters in the Parker, AZ area where they played pinochle and swapped outlandish stories (sometimes based in truth!) with the new friends they made. In 1994, the Boyds sold their Silver Star home and moved to Dillon.

Wayve will best be remembered by her family as a caring and tireless caregiver to Wes during his final illness. Her love for Wes and her unwavering faith in God carried the entire family during that time.

Wayve was preceded in death by her husband, Wesley Boyd, her sister Ruth Miller, half-sister Opal Warrick and step-sister Ruth Webb. Survivors include her son, Mike Boyd of Billings, and daughters and sons-in-law Evelyn & Bill Alley of Townsend, Sue & Mike Jensen of Dillon, Kerry & Tom Johnson of Montana City, and Cindy & Ed Coad of Dillon, along with 15 grandchildren and their families, including 21 great-grandchildren. Her sister, Fern Kirley of Helena, step-sister Myrtle Johnston of Boulder, several nieces and nephews and special friend Les Masterson of Arizona also survive Wayve.

The family thanks the loving caregivers of The Legacy in Dillon for their kindness these past several months. A funeral service is scheduled for Saturday, April 18, at 11 am in the First Presbyterian Church, the corner of Pacific and Sebree Streets in Dillon, with a luncheon to follow. Inurnment will be at the Silver Star Cemetery at 2 pm that day. The family suggests memorials to The Smile Train, PO Box 96231, Washington DC 20090-6231, or to the charity of one's choice. A guestbook is available online at www.brundagefuneralhome.com.

The University of Montana Western's annual rodeo banquet shattered previous fundraising records, Roxanne Engellant, UMW foundation director, announced this week.

Engellant estimated that the event will gross over \$75,000 and exceed last year's profit totals by over \$10,000.

"I know I join coach Olie Else, the UMW rodeo team and Montana Western foundation in thanking all who helped to make this exceptional event so successful," Engellant said. "Each year we continue to exceed all expectations."

This year the university served over 725 dinners with more than 750 in attendance, Engellant said.

Proceeds from the banquet fund operational costs for the university's rodeo program and provides scholarships for rodeo athletes.

**VETERANS ADVOCATE JUSTIN CONSTANTINE
TO GIVE INSPIRATIONAL TALK**

Former U.S. Marine Justin Constantine will speak at the University of Montana Western's Beier Auditorium, Thursday, April 30, 2015 at 7 p.m.

Constantine received a head wound in Iraq. The talk will include his personal story of survival and a message of attacking difficulties in our lives at college, work and home.

"Constantine's story is one of incredible triumph against staggering adversity demonstrating the strength of the human spirit." Montana Western's student success director Ilene Cohen said. "His story inspires and motivates all who listen to attack life's challenges with a positive attitude."

Justin Constantine has been awarded the Purple Heart and Meritorious Service Medal for his accomplishments in the military.

The talk is free to the public. Call 406-683-7311 for more information.

This event is sponsored by the Veterans Club, Montana Western foundation, student senate, the Veterans Space and Service Grant, and Montana Western's Veteran and Military Exchange (VMX).

The VMX provides support and resources for current and past service members, their family and their advocates.

Burning to Begin in the Gravelly Mountains

Fire officials from Madison Ranger District will soon begin prescribed fire activity which may result in visible smoke April through mid-June.

Firefighters will be burning piles throughout the Gravelly Mountain Range in southern Madison County. The areas include Upper Ruby River valley, Harris Creek area and in the vicinity of Cliff and Wade Lakes.

Fire crews will burn under prescribed conditions and monitor these burns after ignition to ensure they stay with prescribed boundaries.

Travelers and residents between Three Dollar Bridge and Lyons Bridge, Vigilante and Harris creek of the southern part of the Tobacco Roots may see smoke from these burns, however little impact from the smoke is expected. For more information contact the Madison Ranger District at 406-682-4253

UMW TO PRESENT "YOU'RE A GOOD MAN CHARLIE BROWN"

The acclaimed Broadway musical "You're a Good Man Charlie Brown" will be performed by the Montana Western drama department beginning April 16, 2015.

"The production represents moments picked from the life of Charlie Brown — from Valentine's Day to the baseball season, from wild optimism to utter despair — all mixed in with the lives of his friends," Montana Western director Anthony Johnson said.

Performances are scheduled April 16, 17 and 18 at 7 p.m. with matinees April 18 at 1 p.m. and April 20 at 9:30 a.m. All performances are in Montana Western's Beier Auditorium.

Johnson said a "talk back" session is planned opening night at 5:30 p.m. The pre-show discussion with the director and production team will provide information about the history and production of the show.

Tickets are \$8 for children, \$10 for adults and free for UMW students.

For more information call Judy Ulrich at 406-683-7422.

The show has won several theatrical awards including two Tony's. Music from the performance was also nominated twice for Grammy awards.

The production is based on the comic strip "Peanuts" by Charles M. Schulz with book, music and lyrics by Clark Gesner. It was originally produced in New York by Arthur Whitelaw and Gene Persson, and was directed by Joseph Hardy.

"You're a Good Man Charlie Brown" is produced by arrangement with TAMS-WITMARK MUSIC LIBRARY, INC., 560 Lexington Ave., New York, N.Y. 10022.

DMS news for the week of April 13th - 17th

The lunch menu for the week is as follows: On Monday, we will enjoy chicken tenders with potato, fruit and vegetable. On Tuesday, pizza will be served with a cheesy pinwheel and sauce, and on Wednesday, we will have a local beef hamburger on a school made whole wheat bun with trimmings. Thursday, we will have a soft shell chicken taco with trimmings, and on Friday, we will enjoy tomato soup with toasted cheese sandwiches, applesauce and fresh veggies.

Mr. Williams held his annual march madness bracket for both the staff and students. Rachel Towery won with 51 correct team selections. Mary Kidd won acclaim for the least correct with 8 correct choices. For the staff, Mr. Hazelbaker was the winner. Great job, and thanks to all who participated.

Hunter Safety classes will be held at DMS April 21st through May 2nd. Also, 8th graders, you have until April 24th to sign up for the drivers' education lottery at the high school. Information is in the DMS office for both of these events.

Congratulations DMS students. We raised \$2317 in our Pennies for Patients campaign. We've had a lot of fun with all the great activities. Right before spring break, many students got to throw pies in the faces of their favorite teachers in our "smuck for a buck" activity. Thanks, Mrs. Williams, for organizing this great event, and thank you DMS students and parents for all your generosity in supporting this worthy cause.

Congratulations to the winners in the girl scout tobacco free project. The winners of the recipe poem contest were: Tess Davis in 3rd place, Tylia DeJohn and Jennifer Horner in 2nd place, and Esmae Weaver in first place.

In the Tobacco Free Poster Contest, third place went to Lucy Wright. Paeden Hammer came in second, and Becky Towery was the first place winner. Great job to everyone who participated, and a big thank you to Morgan Bowman, Tyla DeJohn, Taylor Lovaas, Jennifer Horner, Shylee Ledbetter, Kendall Schipman, Nicole Burrows, and Madison King for running such a great event.

The movie night that was scheduled for last Friday, April 10th, has been moved to this Friday, April 17th. It will be held from 7:30 to 9:30 pm at the DMS gym, and the cost is \$3.00. Come and enjoy "The Secret Life of Walter Mitty" with your friends.

This Saturday, April 18th, the track team will be traveling to Anaconda for the Anaconda Invite. The bus will leave promptly at 8:00 am. Parents, your child should be bringing a note home with any vital information.

Then, next Monday, April 20th, beginning at 1:00 pm, we will be hosting a track meet. All events will be held at the BCHS track. This event is free and open to the public. Come cheer on the DMS track participants.

Do you sleep and drive?

By MJ

Brian Tefft from AAA Foundation says that falling asleep at the wheel deserves the same level of attention as alcohol, speeding, texting and seat-belt use."

In the headlines we read about accidents where alcohol is a factor but rarely do we hear about accidents where lack of sleep is a problem. Humans endanger themselves and others because they misjudge their impact that sleep deprivation has on our driving performance. Do you know that you have to be asleep 2 to 4 minutes to realize you were asleep. It only takes 2 to 3 seconds to have an accident. Next time you are out driving take note of how far you travel in 2-4 minutes.

Take a moment to look at your life from time you wake up to time you go to sleep that is not interrupted. People who sleep 6-7 hours a night are twice as likely to have an accident as a person that sleeps 8 plus hours a night. Sleeping less than 5 hours a night increases the risk of drowsy-driving four times. When you reach 20 hours without sleep you are functioning on the level of someone with a blood alcohol of .08 percent (legally drunk). If you are a person that works 10 to 12 hour shifts that does not leave you much time to get 8+ hours of sleep after fixing meals, doing routine housework, spend quality time with the whole family and have time for yourself.

Teens today have a very fast pace schedule trying to balance extra activities up and above the required academic studies, working extra hours toward getting scholarship and often a part-time job. Would you let your child drive drunk? Studies from Stanford Graduate School of Education shows that fatigued-driving wrecks involve drivers 25 or younger.

A twenty minute power nap alongside the road and drinking caffeine/water will help but is not long term solution according to studies done at University of Pennsylvania School of Medicine.

Softball - Beaverhead County at Stevensville

The BCHS Lady Beavs continued their solid hitting, and showed they can play solid defense to beat the Lady Yellowjackets 18-9. Kimee Hritsco-Murray and Erica Rude each hit home runs in the first inning which helped to put 7 runs on the board, and the Beavs kept the lead until the end of the 7th. Bailey Berrichoa started on the mound and threw the first 2.1 innings, and Lauren Holtan came in for relief and picked up the win.
