Goings-on at the City

By: MJ

The Mainstreet Group and City have acquired grants in the amount of \$40,000. Some matching funds were provided by the City in amount of \$2,000 and Beaverhead Development of \$1,000 bringing the total available up to \$43,000.

The Planning Board is waiting for paper work to be completed for the hiring of Sanderson-Stewart Company to write the update for the Growth Plan and the Master Plan for downtown Dillon. The public will have opportunities to become involved with the planning at the public hearings that will be held.

On April 15, 2015 at 7:00pm, City Hall the council members will be discussing starting the negotiations with School District #10 for the purchase of the J.C. Park. The Park is located in down town Dillon.

In the near future you will see work started on the railroad crossing project at the Bannack Street crossing and the sidewalk proceeding onto the BiCentennial apartments. This has been a long ongoing CTEP grant project. The BiCentennial provided the matching funds for this project.

Vigilante Electric Cooperative celebrates National Lineman Appreciation Day

America's electric cooperatives have designated the second Monday of April as National Lineman Appreciation Day. On April 13, 2015, we proudly recognized all electric linemen for the services they perform around the clock in dangerous conditions to keep power flowing and protect the public's safety.

"Electric linemen do not often receive the recognition they deserve," said Rollie Miller, General Manager. "They work all hours of the day, often in hazardous conditions, going above and beyond to restore power to their communities. Our linemen, as well as linemen from across the nation, truly deserve this special day of recognition."

Vigilante Electric invites members to take a moment to thank a lineman for the work they do.

Montana Youth Challenge Academy

**PHYSICS NOBEL LAUREATE TO
LECTURE AT MONTANA WESTERN**

Nobel Prize winning physicist William D. Phillips
will present a talk titled "Time, Einstein, and the Coolest
Stuff in the Universe," at the University of Montana
Western, Friday, April 24, 2015 at 4 p.m.

Montana Western visiting assistant professor of
environmental science Wendy Ridenour said, "Dr.
Phillips will present a lively, multimedia presentation
which will include experimental demonstrations and
down-to-earth explanations about some of today's most
exciting science."

The event is planned for the Swysgood Technology
Center Great Room on the Montana Western campus. It
is free to the public.

Ridenour said area children are especially encouraged
to attend the highly interactive presentation.

Phillips, who holds a doctorate in physics from
Massachusetts Institute of Technology (MIT), won the
Nobel Prize in physics in 1997 for his development of
methods to cool and trap atoms with laser light. The
process is responsible for making atomic clocks the most
accurate timekeepers in the world. The super-accurate
clocks are essential to industry, commerce and science,
and are the heart of the Global Positioning System (GPS).

**SIX APPEAL - Vocal Band - NATIONAL
CHAMPIONS OF A CAPPELLA MUSIC**

This rising young male a cappella sextet, Six Appeal, will appear on Tuesday, April 21, 2015, at the Beier Auditorium at 7:30 p.m. Their appearance here in Dillon is the conclusion of the Dillon Concert Association's 2014-15 Concert Series and is sponsored by Ruby Harvey.

This St. Paul based male ensemble that sings contemporary pops and standards, began in 2006 at Concordia College in Moorhead, MN. The founding members decided to start singing together as a diversion from studies, fun with friends, and yes, maybe a way to break the ice with girls! Starting with a strong choral background and classical roots, they expanded their repertoire to the music of today, breaking new ground with original arrangements of hit songs.

They began touring the country, delivering electrifying performances and teaching a new generation about a cappella with their curriculum based Educational Experiences.

The Six Appeal roster now includes musicians from all walks of life and the young men continue to make friends and find fans wherever they travel. This is a very active, fun group...don't miss it!

Dillon Concert Association membership grants admission into this final show. Single event tickets can be purchased at the door: Adults \$15; College \$10; Student/Youth \$6.

For further information about this performance, and/or the limited number of free first time tickets, please contact Chris Kloker at 865-0076.
