Welborn's Weekly Legislative Review Helena;

This is the point in the legislature that most proposals still alive, are key pieces of legislation that can be described as the bigger issues that define the entire session.

HB2: The main budget bill has passed through both the House and now the Senate with numerous amendments, so it will be coming back to the House for either concurrence on the amendments, but will most likely be voted down by the House and sent to a conference committee so final details between the Senate, House and Governor's office can come to a final agreement on State spending over the next two years. Still in play also are several proposals for infrastructure funding, a state employees pay plan, and finally I remain hopeful for bridge funding for the Veteran's Home in Butte.

Still alive;

HB 140: Which I'm carrying at the request of The EQC a bi-partisan 16 member legislative Interim Committee and also vetted out separately by hundreds of hours of time spent over the last twenty months by a 14 member License Funding Advisory Council, made up of legislators from both parties and public members from stakeholder groups representing agriculture, conservation, outfitters, hunters and anglers from across Montana. This proposal is a result of both groups working together to come up with plan to fund, streamline, standardize and make more uniform hunting regulations, as well as pricing and at the same time bringing the funding cycle to a four year review rather that the ten year cycle that is now current law. Does this package meet all objectives of every group at the table? probably not, but I feel it is a well thought out document, that makes license funding and regulations more efficient and also asks for a modest price increase for hunting and fishing opportunities we enjoy as Montanans. I will also report that the entire time this plan was being discussed by both independent groups, there was ample opportunity for honest public comment that was gathered independently by legislative staff, which resulted in 87% public support based on these comments. In the hearing, there were about 90% of the folks testifying in favor of this proposal to 10% that opposed. HB 140 will be heard and acted on in Senate Fish & Game on Tuesday.

HB 405: The Montana Health and Economic Livelihood Partnership (HELP) the Republican Sponsored healthcare plan, has passed both the Senate and the House and with Senate concurrence on one final amendment, it should be on it's way to the Governor's desk for his signature. This will offer insurance availability, at an affordable cost for some 40,000 Montanans without health insurance. Montana HELP will be available for those not eligible for Medicaid, but below the 138% of poverty who can't use the federal exchange.

There have been efforts to address our broken healthcare system in Montana for my entire 4 terms in the House, it's always a difficult issue, but to continue doing nothing only delays a real solution to the problem, I voted yes on HB 405, simply because I feel this is a reasonable approach, and It's time to find that solution.

This will be like private insurance, through a third party adm., again not an expansion of Medicaid, in respect that recipients will have to make premium payments and copays which are adjusted for

income levels. If premiums aren't paid, then people are dropped from the program.

This creates an incentive to work, therefore increasing income, and then moving folks from Montana HELP to the federal exchange, bringing affordable insurance to all income levels. There is no big gap in individual costs so there is a built in mechanism to incentivize able body adults to stay working. There are also incentives for healthy behavior, legal reforms to reduce litigation costs passed on to all of us, reductions in waste, fraud and abuse, and this plan keeps Montana dollars here in Montana. While this program starts out using federal dollars, it has provisions to allow it to continue without federal or state support in the future, once it becomes self-sustainable. This program coordinates with other programs in the state that address the needs of people in poverty. Montana HELP has an asset test as well as job force testing, it also will coordinate with existing programs to help folks become trained and placed in better jobs, increasing their income levels and therefore reducing the need for Montana HELP, as they can transition to traditional health insurance.

Everyone, regardless of income must have their own skin in the game to participate, yet this is a way to fill the current coverage gap. According to actuaries is like nothing else in country, with built in tort reforms, healthy behavior incentives, members pay a certain percentage of their income to belong etc. There is also a sunset date that forces this plan expire if's not working, and it also requires the next legislature to look at this plan and approve it before it can continue. This plan has the support of the Montana Chamber of Commerce and other business groups. Change is a hard pill to swallow, however this plan has received far more support from inside the district than it has resistance. The support has been from both self identified Republicans and Democrats alike. Again, this will have to meet re-approval of future legislatures, and I ask you to join me in giving this plan a chance to work for Montana.

SB 262: Known as the CSKT water compact was heard this past Saturday in what would become a 9 1/2 hour hearing. This compact, as I have reported before, could have severe effects on local water rights holders if it doesn't pass. The house Judiciary will be acting on this measure this morning at 9AM. to determine if it makes in front of the full House for floor debate. I'll keep you posted as this makes its way through the process.

MONTANA WESTERN RODEO STARTS SPRING SEASON WITH STRONG SHOWING

The University of Montana Western rodeo teams competed in two rodeos at Montana State University over the weekend. The men's team brought home two team trophies and extended its lead in the Big Sky Region.

In the first rodeo Montana Western claimed the men's team championship by 50 points over Montana State. Teams are able to claim points for six men designated to the points team for each rodeo. Additionally, a number of Bulldogs earned off-team points, advancing their standing toward the individual qualifications for the College National Finals held in June.

The first event of the weekend featured two rounds of competition and the Bulldogs were well represented in the final standings. Freshman bareback rider Tristan Hansen finished second with 142 points on two qualified rides. Senior Jesse Medearis claimed points with a third place finish in the tie down roping, Senior Kane Cartwright and junior Mike Vines placed third and fourth in the steer wrestling. Juniors Phil Shields and Dakota Munns each earned points in the saddle bronc competition with first and third place finishes. In the team roping senior header Ian Austiguy and sophomore heeler Holden Garrison claimed the top spot with a total of 15.9 seconds on two runs.

Go round points were earned by junior J2 Bridges in bareback, seniors Newt Novich and Parker Bignell and freshman Jake Worthen in the steer wrestling. Junior Dane Andreasen earned points in the team roping and Garrison won points in the tie down event, placing him second in the men's all-around competition for the first rodeo.

"Our men's team continues to do a great job," head coach Olie Else reflected. "Our rough stock competitors are being coached by two-time national champion and Montana Western Athletics Hall of Fame member Jake Hayworth, and they have really responded."

In the women's competition, sophomore Tess Turk earned the all-around title after earning points in both the goat tying and team roping events. Senior Justinn Marshall earned a third place finish in the goat tying while sophomore Connlee Gray and junior Jamie Riley each earned points in the barrel racing competition.

"I'm especially proud of Tess Turk for managing the Top of the West colt sale activities, in which she claimed the third highest selling price, with her rodeo competition this weekend," Else commented.

The second rodeo was a single go round with points awarded based on one run. The Montana Western Men's team extended its lead in the region finishing 86 points ahead of the closest competitor, Northwest College.

Bridges placed fourth in the bareback competition, while Hansen earned points in both the bareback and team roping events. Junior Jade Gardner earned fourth place in the tie down roping, which moved him into first place in

the Big Sky Region standings. The team roping duo of Austiguy and Garrison posted a 6.3 second run, which was good for second place. Junior Tyler Friend and senior Nick Xeros also earned points in the team roping event.

Novich and Worthen each collected points in the steer wrestling during the second rodeo. Junior Jade Gardner earned fourth place in the tie down roping, which moved him into first place in the Big Sky Region standings. Munns scored a 72-point saddle bronc ride to take the title and Shields finished fourth. Shields also scored the only qualified bull ride and earned the all-around title for the rodeo.

"Phil Shields has been an outstanding team leader and it was wonderful to watch him have such a great weekend," Else said.

On the women's side of the competition, Turk and Marshall each earned points in the goat tying. Marshall also claimed breakaway roping points.

The Bulldog rodeo teams will return to action at Dawson Community College on April 24-26.

GOLD DIGGERS BREAK IN

The alarm at Thomas Company Jewelers went off at 1:45 am the morning of Tuesday, April 14. A rock was thrown through the glass door shattering it.

The city police responded within a minute. However, there was still a few thing missing.

If you have information - please call the City Police Department.

HOME RUNS

Beavers jumped out to an early lead on Butte JV and captured a 15-5 victory on Monday.

With 13 runs in the first three innings, Beavers left no doubt about the eventual outcome. A solo home run by Shaylee Ericksen, , and an RBI double by Brandi Lovaas in the first inning and a two-run single by Audrey Schurg, an RBI single by Kimee Hritsco-Murray, a two-run single by Lovaas, a two-run home run by Bailey Berriochoa, a passed ball, and a two-run single by Schurg during the second inning fueled Beavers' offense early.

Ericksen was 2 for 3 with 1 RBI, Schurg was 3 for 3 with 4 RBIs, Lovaas was 3 for 3 with 1 RBI, Adrianna Pittman was 2 for 3, Berriochoa was 2 for 4 with 2 RBIs, and Erica Rude was 2 for 3 with 1 RBIs.

Berriochoa robbed Butte of a hit in the 4th inning when she made an amazing diving catch in center field.

In 5 games, the Lady Beavs have hit 7 home runs! We are solid all the way through our batting order, and We hope our solid hitting will continue when we face Butte Central this Thursday.

iVantage Names Barrett Hospital & HealthCare Top 100 Critical Access Hospital

Barrett Hospital & HealthCare in Dillon, Montana was recently named one of the iVantage Top 100 Critical Access Hospitals (CAHs) in the United States.

"Barrett Hospital & HealthCare is proud of the efforts of its physicians and staff who have contributed to our hospital achieving this designation," said Ken Westman, CEO. "This award is truly a testament to the hard work, compassion, and excellence demonstrated by our whole team every day."

Barrett Hospital & HealthCare scored in the top 100 of Critical Access Hospitals on the iVantage Hospital Strength INDEX™. The INDEX is the industry's most comprehensive rating of US acute care hospitals, and the only one to include the country's 1,300 CAHs. The results recognize that the Top 100 Critical Access Hospitals provide a safety net to communities across rural America – measuring them across 62 different performance metrics, including quality, outcomes, patient perspective, affordability, population risk and efficiency. The list of the top 100 Critical Access Hospitals and more information about the study can be found at www.iVantageHealth.com.

"Rural healthcare deserves the same performance analysis as all provider performance. It plays a vital role for communities across America, serving nearly 80 million people. The services provided in rural America are similar to those needed in any major metropolitan area, yet the volumes and economic resources provide little economies of scale, making for little benefit from scale. These top 100 Critical Access Hospitals exhibit a focused concern for their community benefits and needs, regardless of scale, reimbursement and people's ability to pay," said Michael Topchik, senior vice president of iVantage Health Analytics.
