LT. GOV. AND FORMER GRIZ COACH TO SPEAK AT 2015 MONTANA WESTERN COMMENCEMENT

Montana Lt. Gov. Angela McLean and former University of Montana football coach Mick Delaney will be featured at this year's University of Montana Western commencement.

McLean will give the commencement address, and Delaney will be honored as the 2015 Distinguished Alum. Both are Montana Western alumni.

"Montana Western helped to set me on a path toward a 20 year career in the classroom, educating Montana's next generation, and ultimately toward serving as Montana's lieutenant governor," McLean said. "I'm thrilled to return to my alma mater, to join the class of 2015 as they begin their successful career paths," McLean said.

McLean graduated from Western Montana College of the University of Montana Western (now Montana Western) with a Bachelor of Science in secondary education in 1994. McLean went on to earn a Master of Arts in education, curriculum and instruction from the University of Montana in 2000.

After teaching American and Montana history, American government, geography and current events in the Arlee Public Schools from 1994 to 1997, she became a teacher at Anaconda High School.

In 2006, Gov. Brian Schweitzer appointed McLean to the Montana Board of Public Education where she served as vice-chair. In February 2010, Schweitzer appointed McLean to the Montana Board of Regents and she was appointed the chair of that board in January 2012. In February 2014, Gov. Steve Bullock appointed her as Montana's 31st lieutenant governor.

McLean was awarded the University of Montana Western Distinguished Alumni award in 2009.

Delaney graduated from Western Montana College (now the University of Montana Western) in 1964 with his bachelor's degree in education. While attending college, he played on the undefeated 1963 football team, which was inducted into Montana Western's Hall of Fame in 2014.

Delaney began his coaching career in his hometown of Butte, Mont. He coached wrestling and football at Butte Central High School from 1964-67. During that time he also taught English.

Delaney served as head wrestling coach and assistant football coach at the University of Montana from 1968-69. From 1978-81, he coached football at Montana State University. Delaney served as athletic director for Montana Tech in Butte from 1983-85. In 1991, Delaney returned to his alma mater to serve as the head football coach and athletic director for two seasons at Western Montana College before taking a position coaching running backs at Colorado State.

In 2008, former UM head coach Bobby Hauck hired

BEAVERS SOFTBALL

Last Thursday was a beautiful day for a softball game, and the Lady Beavers defeated the Maroons 11-6. This is a very big win for the Beavs, as the Maroons are a very good team and were undefeated in conference play.

Again, all of the Lady Beavs were hitting the ball hard. Bailey Berriochoa and Lauren Holtan lead the Beavs at the plate, both going 3 for 4 with a double, two singles and 4 RBI's. The Dillon girls had 13 hits and had 6 walks to help in their victory. They got off to an early start in the first inning with the help of four walks they scored three runs.

Holtan started on the mound, and Berriochoa finished and got the win.

For the Dairy Queen players of the game, I'd give the Offensive to Holtan and Defensive to Berriochoa. Both very deserving tonight!

After falling behind early in Saturdays game, the Lady Beavs dug deep and showed determination defeating the Copperheads in a hard fought battle 11-10.

Although it took the Beavs the first few innings to get their bats going, Erica Rude hit a timely grand slam over center field in the bottom of the 5th inning to put Dillon up by 3. Then, Anaconda tied it up in the top of the 7th and the Beavs just couldn't answer back sending the game into extra innings. Anaconda scored a run in the 8th. But, Dillon's Brandi Lovaas hit a double, and Bailey Berriochoa drew a walk to put 2 runners on base. Adrianna Pittman then ripped a shot to right center field to drive in 2 runs to win the game. This was Anacondas first loss in Southwestern A action.

Bailey Berriochoa got the win from the mound, pitching six innings. The Beavers had five errors in the game.

SPARKY'S MAJOR REMODELING ADDITION

Sparky's Garage is undergoing a major remodeling project. Sparky's has been serving Dillon for 13 years as a full service restaurant. They are now adding on a large addition to better serve the community and they will be open during most of the renovation.

A Reflection on National Volunteer Week

Being that it is National Volunteer week we would like to recognize several people that have made a difference in our community for the last 2 ½ months.

Each year High Peaks Federal Credit Union opens their doors and resources to help members of our community get their taxes filed. This would not be possible without Montana Credit Union for Community Development either, an organization based in Helena that has provided our volunteers with the training and support needed to prepare the taxes, and the Vineyard Christen Fellowship to offer the space for those appointments that could not be made during business hours. Our Volunteers alone have spent over 200 hours of studying and helping people prepare their taxes this year. We are proud to report that 135 returns were processed this year and it was only done because of people that care about our community. This also could not have happened without the support we have had here at the High Peaks Federal Credit Union. From the many phone calls to sharing of office space it has been another learning and adventurous year for us. Thank you for all of your hard work this season Gail Barnhart, Kim Stosich, Dale Carlson, Robin Ellis and LeeAnn Jenne. We look forward to even a better year next year. Thank you to the employees, CEO and High Peaks Federal Credit Union Board members for the great experience.

Dillon Tree Board Plans Arbor Day Events

The Dillon Tree Board is planning several tree planting, tree maintenance and educational events to celebrate Arbor Day.

On Wednesday, April 22nd, Tree Board members and volunteers will prepare holes and planting materials for the new trees to be planted along the Dillon Middle School trail on the 23rd.

On Thursday, April 23rd at 3:00 p.m., Mayor Klakken will read the Arbor Day proclamation; and the city will receive a Tree City USA award and materials from the DNRC. Following the reading of the proclamation, Tree Board members, city employees, 7th grade students and volunteers will plant six new trees along the Dillon Middle School trail. The new trees will also be caged and mulched. Trees planted in previous years will receive fresh mulch.

On Friday, April 24th, Tree Board members will give educational presentations to Parkview Elementary and Dillon Middle School students, judge posters and present cash prizes to winners.

Volunteers are needed to help with the planting and mulching activities! Anyone interested in helping out should contact the DNRC office. Ask for Mike, Tim or Jennifer.

The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

For additional information, contact a Tree Board member or call the DNRC office at 406-683-6305. Information can also be found on the Dillon Tree Board website at www.dillontrees.org.

Museum Association Membership Advantages

At their April meeting, the Beaverhead County Museum Association board of directors voted to expand the advantages of membership starting May 1. In addition to receiving a 10% discount on purchases in the Museum Store, members may now enjoy visiting the Museum at no charge.

The receptionist will have a membership list at the main desk and will also make out membership cards for those who would like to have one. More information will also appear in the June newsletter.

The receptionist will also have membership applications for those who would like to support the Museum and take advantage of membership benefits.
