Governor Signs Attorney General Fox's Bill Prohibiting Sale of E-Cigarettes to Minors

Yesterday the governor signed Senate Bill 66, which prohibits the sale of electronic cigarettes, also known as e-cigarettes, to minors. The bill was sponsored by Sen. Diane Sands of Missoula and introduced at the request of Attorney General Tim Fox.

E-cigarettes, the use of which is often referred to as "vaping," are battery-operated products designed to deliver nicotine to the user by heating liquid nicotine, derived from tobacco plants, along with flavors and other chemicals, into a vapor that the user inhales. Often e-cigarettes feature fruit and candy flavors, and the marketing includes cartoon characters and other imagery clearly targeted at a younger audience.

"E-cigarettes can be just as dangerous and addictive as traditional cigarettes, yet right now it is perfectly legal to sell them to minors in Montana," Fox said. "The legislature did the right thing and took another important step toward protecting children, and I'm grateful to Sen. Sands for her hard work on this important bill."

"This bill will help protect the health of our young people," Sen. Diane Sands said. "E-cigarettes are often marketed to kids as harmless and the number of high school students who have tried e-cigarettes has tripled in one year. Our bill sends a strong message that nicotine is harmful in any form and our kids should not be smoking cigarettes nor 'vaping' nicotine in an e-cigarette."

During legislative debate, some objected to the bill on the grounds that certain retailers already refuse to sell e-cigarettes to minors, while others argued that e-cigarettes can help people quit smoking.

"Some retailers in Montana already do the right thing and won't sell e-cigarettes to minors, but in many communities they are still readily available to children in stores," Fox pointed out. "In my own family," he added, "I have seen the devastating effects of smoking and I know how difficult it can be to quit the habit. Fortunately, this new law will have no impact on adults who may find e-cigarettes a useful tool to help them quit smoking."

According to the National Conference of State Legislatures, there are currently 42 states and one territory prohibiting sales of e-cigarettes or vaping/alternative tobacco products to minors.

Montana's law takes effect on January 1, 2016.

Special Election

By: MJ

Via a special election the people of Ward 4 upheld the recall petition to remove Mr. Derek Gore as their council representative. The city will advertise for a replacement. It is then up to the council to take a vote, appointing another council member.

In November of 2014 the electorate voted for a new mayor changing the administrative direction for Dillon. In this small community that election turned out to be a highly charged emotional issue amongst neighbor and friends.

***The issue**; the District Judge Loren Tucker ruled that the "Open Meeting law was broken and council members take an oath to uphold the laws."*

Mr. Gore is a young citizen, entitled to run again for a council position if he wishes to serve the people.

Welborn's Weekly Report - Helena

With the State budget agreed upon by both Chambers of the Legislature and Governor's office, the last item of business to take care of this Legislative session is infastructure funding, typically this is easily agreed on by both parties, as vital projects are needed in almost every community.

Infrastructure typically refers to roads and bridges, sewer and water lines, water and wastewater treatment plants, buildings and other public owned assets.

For any measure that uses borrowing to pay for infrastructure, a two-thirds vote is needed in each house, so it's tricky lining up the votes. A compromise infrastructure plan for up to $150 million in projects passed the House on Thursday with 70 votes, but the super-majority did not stay intact by third readings Friday and Saturday, when it mustered up only 60 votes. In the House, at least 67 votes are needed to get the bill passed.

Senate Bill 416 which passed with huge bi-partisan support in Senate is sponsored by Sen. John Brenden, a Republican from -Scobey, which would provide up to $40 million for projects in communities affected by the oil boom, which I believe to be greatly needed.

Brenden's bill would pay for the first $90 million in projects with a mixture of one-third cash, bonding and borrowing authority for counties and cities. An additional $60 million would be spent if state revenues met a certain target; included in that group is $25 million for the Montana Heritage Center, which would provide more room for the cramped state Historical Society museum and collections.

SW Montana would see benefits from this package in Jefferson Slough restoration, bridge funding for the Butte Vet's home and needed repairs to Virginia and Nevada City among other projects. As would other parts of the state. Great Falls College would receive a $3 million addition for tutoring space, extending its practice hospital and a space for students who are veterans.

Of the $90 million base amount, about $60 million would go to water, sewer and road projects, including oil boom-area projects. About $30 million would go to projects including $7.6 million for state institutions in Lewistown and Warm Springs, and more than $18 million for Romney Hall at Montana State University in Bozeman.

Infrastructure is an easy issue to kick down the road and ignore,

if one's vision is only short-term. I however look at Infastructure funding as a long term investment in vital needs for our Communities to function.

Partisanship and score-keeping are not legitimate reasons to kill this capital spending package, but there is a chance this reasoning will scrap the whole thing. That would be a shame.

I hope Republicans who were among the 70 House members on Thursday to vote yes will decide to vote the same way on Tuesday, for the good of Montana. I'd like to see GOP House members that changed their votes to no on Saturday come back to the yes column, and get this done, so our work here will be finished up.

Incidentally, I do not agree the view of a minority of all legislators that it's a bad idea to borrow money. At the moment, the state could use bonding to borrow money at a remarkably low 4 percent interest rate. Many of the same conservatives who say, "Run government like a business," ignored advice from business people including The Montana Chamber of Commerce and The Montana Contractors Assoc. who testified that their members rarely pay cash for big capital projects and routinely borrow to get work done when interest rates are low.

With luck and some soul-searching, perhaps legislators will scrape up enough votes to pass SB 416. I hope enough consider the long-term benefits, rather than view this as simply another political skirmish to win or lose.

I'm asking my colleagues to not throw the baby out with the bath water, but instead try to salvage something from this effort to improve Montana's public utility systems, roads and buildings.

I will do a complete wrap up of the 64th Legislative session next very soon, until then have a great week.

Editors Note: Legislature closed and did not to pass $150 million infrastructure bill.

Thompson Park Opens Friday, May 1

Thompson Park will open for the summer and fall on Friday, May 1. The 3,500-acre park, managed by the Forest Service and City-County of Butte-Silver Bow, will be open daily from 8 a.m. to 9 p.m. through Labor Day and then through October from 8 a.m. to 6 p.m.

The Park has four day-use picnic areas: Nine Mile, Sagebrush Flats, Lower Eagles Nest and Lions Den. Eagles Nest trailhead and Blacktail trailhead provide access to more than 25 miles of non-motorized trails. Thompson Park also has a disc golf course in which members of the Mining City Disc Golf Club have been making improvements. Visitors are reminded that shooting is prohibited within the park boundary, and fires are only allowed in the developed site fire grills.

For more information or to obtain a park brochure contact the Butte Ranger District at (406) 494-2147, or the Butte-Silver Bow Parks and Recreation Department at (406) 497-6535.

Retired Educators Arbor Day Luncheon

Several Southwest Montana Retired Educators attended the Arbor Day Luncheon which was held at the Legacy Activities Hall on Friday, April 24th. A Burr Oak Tree was donated to the Legacy by the retired educators group, and with the help of Ann Egan, it was given a home outside the Legacy Activities Center.

In 2013, our unit submitted our first "Volunteer of the Year" candidate for recognition as the State Volunteer of the Year. William (Bill) O'Connor received the special award that year. This past year our unit chose Jim and Patricia Anderson as our local "Volunteers of the Year". They did not receive the state award but their names were submitted to the AARP National recognition for their many years of community service and they received plaques and pins from AARP. Our local board also awarded a plaque to Bill O'Connor, and the Andersons for their years of service to our community.

Retired Educators Day on March 12th was celebrated with five members traveling to Helena. Retired educators staying in Dillon were invited to the Parkview Elementary for lunch by Superintendent Dr. Glen Johnson.

Members were asked to turn in their hours of volunteering so they can be submitted to the state by May 1. Memberships are due and new members are encouraged to join our group. If you know someone who might be interested bring them to the picnic this summer. The summer gathering will be at the old school next to the Depot. Details will be decided by the board at their next meeting.

The MREA Convention was discussed. The Dillon Unit and the Butte Unit will be the co-hosts of the convention to be held at Fairmont hot Spring September 20, 21, 22, 2015. Fran Schisler and Pat Searle are co-chairpersons for this event. All members are encouraged to attend for a couple of days of fun and recreation. Each unit is to provide a door prize and basket for the Don and Clarice Walters School Award fund. Our theme for our basket will be "Frontiers to the Future".

Election of officers was held. The only non-returning officer is Fran Schisler who did not want to remain as President. Jim Keef is the new President and will take office July 1. The officers are as follows: Jim Keef, President, Otis Anderson, Vice President, Ingrid (Joy) Kaushagen Secretary, Alan Zetler, Treasurer, Sharon Morehouse, Legislative Chairperson, and Linda Marsh, Communication Chairperson.

It was an enjoyable afternoon and thanks to all who came and all who brought food. Thanks to those who brought jars of peanut butter to be donated to the local food bank. Sixteen jars of peanut butter were donated.

BBQ AT BCHS SOFTBALL FIELD

In an effort to raise money to keep the softball program going in the high school, parents of players are putting on a BBQ, Saturday, May 2nd, 11:30 - ? Saturday will be the last home game for the BCHS Softball team and it's also Senior Night. Please come cheer on the girls as they play Corvallis in the last home game of the season. Varsity starts at 12:00 and JV will follow. Bring the whole family, watch some softball and have a picnic BBQ lunch!! (field located behind Dillon Middle School)

BEAVERHEAD TRAILS COALITION 2ND ANNUAL FUN RUN

The 2nd Annual Fun Run & Hike will be held on Saturday, May 2, 2015. Registration begins at 8:30 a.m. Races start at 9:30 a.m. and run until 12:00 noon.

Two events -- a 5K run/hike, and the "W Challenge" -- offer activities for a variety of ages and fitness levels. Both events start at the Dillon Town Overlook Trailhead along Ten Mile Road (the "dump road") just west of Dillon. The 5K run/hike participants will follow a loop trail past the "W" and end back at the trailhead. The "W Challenge" is for runners and hikers to see how many times they can journey from the trailhead to the "W" and back in one hour.

Entry fees are $30 for adults and $20 for children. Fees include t-shirts.

Whether you are a runner, a hiker, or a slow walker, your participation is encouraged. You may register by sending an email to beaverheadtrails@gmail.com, or at the trailhead before the race.

Proceeds from the race will support projects of the Beaverhead Trails Coalition. The group, founded in 2009, is composed of enthusiastic volunteers dedicated to expanding and improving the system of trails in the Dillon community.

For more information about the race and the Beaverhead Trails Coalition, visit www.beaverheadtrails.org, or call Dan 683-4669 at or Alan at 683-6858.
