MUSEUM HAS EFFORTS TO BUILD A NEW STORAGE FACILITY

Those associated with The Beaverhead County Museum are ramping up efforts to build a new storage facility to house the historic treasures the museum is charged to protect and preserve. Education is foremost on the minds of the museum board of trustees and museum association members. The trustees serve at the behest of the Beaverhead County Commissioners to maintain the daily operations of the museum and the Beaverhead Museum Association functions as the non-profit entity that supports museum efforts. Both groups are busy learning how other facilities handle their artifact storage to be most effective. On May 18, a delegation from both organizations invested in the Beaverhead County Museum travelled to Virginia City to tour the McLaughlin Center.

Marge Antolik, the current curator of the McLaughlin Center, showed the visitors from Dillon the various storage areas in the center. She also gave the group an overview of how new items brought to the center are handled to avoid such problems as insect infestations that can be harmful to preservation efforts.

She showed the special vacuum systems used at the McLaughlin center and discussed various ways of cleaning valuable objects and ways to insure climate control. While the Beaverhead County Museum adheres to best practices as much as possible, the necessity for improvements invoked enthusiastic discussion.

**Mother's Day Wildflower Walk
Set for Saturday May 9th**

May is a time for flowers! What better activity for Mother's Day than a walk in the woods to see what's blooming. The Calypso Chapter of the Native Plant Society in conjunction with the Bureau of Land Management and the Beaverhead-Deerlodge National Forest are hosting this event and providing plant identification expertise.

This free event will help those interested in learning more about the local flora and fauna. The exact location of the walk will be determined days before the event, based on local conditions. Possible choices may include Badger Pass or Birch Creek.

Those interested should meet at the Forest Service office in Dillon located at 420 Barrett Street at 10 a.m. Carpooling is encouraged. Attendees are advised to dress for inclement weather and bring a lunch, water, rain gear, sunscreen and a camera. A wildflower field guide and magnifying hand lens is also encouraged, but they will be available to share on the tour.

For more information, contact the Forest Service in Dillon at (406) 683-3900.

BCHS MUSIC STUDENTS AT DISTRICT

We will have the District results today and State results tomorrow.

Beaverhead County High School's music students recently participated in the MHSA District IV Music Festival in Anaconda April 9-11 and the State Solo & Ensemble Festival at the University of Montana in Missoula May 1-3. At the District Festival BCHS was represented by 109 students, performing in 106 entries. Those solos and ensembles of 16 or fewer musicians that received a Superior (I) rating at District qualified to perform at the State Festival. BCHS was represented in Missoula by 81 students in 78 entries.

Major performing groups included the Men's Chorus, Treble Chorus, and Symphonic Band, which all received Superior (I) ratings in prepared works at the District level. The Symphonic Band also received a Superior rating in sight-reading. Vocal entries were entered for comment only in sight-reading this year as a new form of reading is being adopted. Because these are large groups they did not advance to the state.

Music directors at BCHS are Laurie Hagenbarth, Choir and Christopher Kloker, Band. Accompanists included Charlene Loge, Carolyn Van Slyke, and Emily Fairbank.

Below is a list of results.

Free Tai Chi Classes

If you want to reduce stress and anxiety while increasing flexibility and balance, join us on Tuesdays and Fridays at 0930 in Jaycee Park (across from Mary Ennis School) for an hour of Tai Chi. Often described as meditation in motion, Tai Chi (tai chee) was originally developed by the Chinese for self-defense but has evolved into a graceful form of exercise. It involves a series of movements performed in a slow, focused manner, accompanied by deep breathing. Each posture flows into the next without pause, ensuring that your body is in constant motion, with low impact and minimal stress on muscles and joints.

Francis Dupuis is a qualified Tai Chi instructor with nearly three decades of experience, and he leads the group on Tuesdays. Fridays are days of further practice, and anyone, even beginners are welcome to join us. It is generally safe for all ages and fitness levels and requires no special equipment.
