Love is Brewing Tea Party

Girl Scout Troop 3537 invites you to join them in gathering together supplies that are in great demand at the Butte Rescue Mission. These supplies include baby formula, diapers, baby wipes, diaper rash cream and feminine products for women.

Save the date of Friday, May 22, 6:00 pm to 7:30 pm to join Troop 3537 in gathering the supplies. We are hosting a Love is Brewing Tea at Grace United Methodist Church at 131 E. Bannack St. Wear your favorite fun and fancy attire (such as a boa or pretty hat). Bring you donations and enjoy tea and light snacks. Don't fret if you can't make it! And a special thanks goes to Beaverhead County High School FCCLA for assisting with this event.

George Winston solo piano concert

On Thursday, May 14, George Winston will play a solo piano concert at Beaverhead County High School Auditorium at 7:30 p.m. Tickets are \$15 for adults and \$8 for students in advance and \$20/\$10 at the door. Tickets can be purchased at Wildwood Floral in Dillon and Cavanaugh's Country Celtic in Butte. All proceeds from the concert benefit the Southwest Montana Arts Council's free music programming. All attendees are asked to bring a food item for the Dillon Food Pantry.

Thursday, May 14th @ 7:30 P.M.

Beaverhead County High School Auditorium/Dillon

Since 1986, George has been raising money for food banks and service organizations and will continue to do so by working with a local food bank in every tour market to hold a canned food drive at the show and also by donating 100% of proceeds from the sale of his merchandise to the organization. Please contact the Larry Rust for the food specific to your market.

Since 1972, George Winston has released thirteen solo piano albums. His most recent albums are Gulf Coast Blues & Impressions 2-A Louisiana Wetlands Benefit (2012) and Love Will Come-The Music of Vince Guaraldi Vol 2 (2010). His next solo piano album, Spring Carousel - A Cancer Research Benefit, will be released in 2015. These solo piano melodic songs were composed in 2013 while George was recovering from his bone marrow transplant at the City of Hope Village; he is dedicating 100% of his artist royalties to benefit cancer research. A 3 song preview EP is currently available exclusively on iTunes for a limited time to benefit City of Hope.

In December of 2013, George released the digital single "Silent Night-A Benefit for Feeding America," which is available on iTunes, Amazon and Google Play. 100% of the proceeds are donated to Feeding America, the nationwide network of food banks that feeds 37 million people.

George's Montana tour will feature his "Winter Show," which will include melodic fall and winter type songs, some of Vince Guaraldi's Peanuts® pieces, pieces inspired by the New Orleans piano & the stride piano traditions, and new songs from his upcoming new recording.

Benefit Your Access to Public Lands**

Do you enjoy target practicing on public lands? Boy Scout Bradley Rakich does. Bradley chose his Eagle Scout project over many other deserving community projects because he has a passion to keep the great outdoors great!

Several public land recreation sites near Dillon have been mistreated, abused and left scarred due to human activities.

Eagle Scout Rakich from Troop 1665 in cooperation with the Beaverhead Outdoors Association, Bureau of Land Management (BLM), Department of Natural Resources and Conservation (DNRC), and Montana Fish, Wildlife and Parks have chosen the following sites for the 2015 cleanup: BLM - Ermont Road Site DNRC - Bond Road Site

Bradley encourages anyone with an interest in protecting and maintaining these public areas, to join him, his fellow scouts, family and friends to help clean up, and haul garbage from the two manmade shooting sites in June. For more information call 683-6283.

Millions of taxpayer dollars is spent each year to clean up littered roadways, parks, and recreational areas. In addition to the direct cost of litter removal, litter also harms the environment, property values and other economic activities. Humans should be responsible and take some pride when using public land recreational areas. Littering, and leaving behind appliances, furniture and hazardous items is illegal on all public lands in Montana. Fines up to \$200 for littering can be imposed. Additional State penalties for dumping large items, such as furniture or major appliances will be more costly.

Montana statutes applicable to these and all public lands are listed below:

75-10-212. Disposal in unauthorized area prohibited -exception. Carries a fine up to \$500 and a person could lose their privileges to hunt fish & trap for 12 months.

45-6-101. Criminal mischief - Carries a penalty up to \$1000 and possible restitution for the damages inflicted, as well as, the possibility of loss of privileges for 24 months.

Reminder, do your part to help promote continued public access by picking up litter, avoid travel that could damage roads or land, prevent noxious weed spread, observe signs and posted areas, leave all gates as they are found, and obtain permission before entering private lands.

Your cooperation is greatly appreciated!

Search and Rescue May 6th Meeting News

Submitted by Mel Rice Public Relations Officer

During the May 6th meeting of the Beaverhead Search and Rescue, members discussed the events/projects the unit had participated in during the previous month. They were busy with their own community service projects.

The unit served dinner at the monthly Elks Stag Night held April 15th. It was considered a big success by the entire kitchen crew and those in attendance. On May 2nd members Alan Holt and Nikki Cowperthwait presented a condensed version of Hug-A-Tree to participants at the Big Hole River Kids Day.

The S&R held its annual fund raising auction on Sun., May 3rd. At day's end the unit had netted \$7206. Once again, the Unit would like to thank everyone who donated items to the cause and those individuals actively participating in the auction. A very hardy thank you goes out to Val Prophet & David Marsh. Their generosity, auctioneering skills, and golden voices always add a touch of professionalism and humor to the day.

During new business of the night, the organization brought in 4 new members. Joining the ranks are Mick Stanisich, Cody Schnee, Coty Cross, and Chris Allen. Welcome aboard gentlemen. We look forward to getting to know you better and putting your knowledge and skills to work.

Other activities coming up during May and early June:

- The appreciation dinner. Each year we take our spouses out to dinner and honor them for putting up with the middle of the night pages/callouts. At this time we also announce the Member of the Year and Rookie of the Year for 2014.
- The Hug A Tree program will be presented to the Girl Scouts of Dillon.
- The annual camp out is scheduled for June 5, 6, and 7. This is a great time for the unit to bond and take part in 2½ days of training exercises.

There were no searches or rescues during the month. However, spring time is here and lots of people head to the hills after a winter of cabin fever. Please remember to let someone know when, where, and how long you plan to be out. Also remember the weather this time of year changes in a matter of minutes. **BE PREPARED!!!** We all enjoy the outdoors but don't let it turn into an unfortunate mishap.

Our next meeting will be the June 3rd. If you are interested in the Beaverhead Search and Rescue and would like to become a part of our unit, contact any member.

**FOREST RESOURCE ADVISORY COMMITTEES
SEEK PROJECT PROPOSALS FOR GRANT
FUNDING**

The Tri County and Southwest Montana Resource Advisory Committees (RAC) are soliciting funding proposals for forest and water quality improvement work on the National Forest in seven Montana counties. The funding is made available through the Secure Rural Schools and Community Self-Determination Act.

RAC projects must meet established criteria and improve federal lands in the following areas: roads, trails, infrastructure maintenance, soil and forest ecosystem health, watershed restoration, maintenance and improvement of wildlife and fish habitat, control of noxious weeds, and re-establishment of native species. At least 50 percent of all project funds are dedicated to restoring streams and watersheds; or road maintenance, decommissioning or removal. Projects may be on private land, but must show a direct benefit to National Forest System lands. The RAC works closely with the Forest Service to recommend projects that will benefit forest health, fish, wildlife, soils, watersheds and other resources; maintain roads, trails, and other infrastructure; or control noxious weeds.

Tri County RAC funding is available for projects in Deer Lodge, Granite and Powell counties; Southwest Montana RAC covers Beaverhead, Jefferson, Madison, and Silver Bow counties. In the past five years, the RACs have approved more than \$3.5 million in funding for projects that benefit National Forest system lands in these seven counties.

Applications for project proposals are available electronically at <http://www.fs.usda.gov/main/bdnf/workingtogether/advisorycommittees>. Proposals must be submitted on-line by May 29, 2015 to be considered. Individuals, non-profit organizations, and local governments can submit project applications. Work can be completed by Forest Service personnel, through partnership agreements or by open-bid contracting with individuals and corporations. Funding would be available for implementation this year.

Resource Advisory Committees were established in 2000 under the Secure Rural Schools and Community Self-Determination Act. In addition to approving project funding, the RAC is also

dedicated to improving collaborative relationships. Each RAC is chartered by the U.S. Department of Agriculture under the Federal Advisory Committee Act and consists of 15 members representing a wide array of interests. Committee members serve without compensation, but may be reimbursed for travel and per diem expenses. Meetings are typically held one or two times per year (with optional field trips).

The Southwest Montana and Tri County Resource Advisory Committees do currently have vacancies for members to represent the following interests:

- Commercial timber industry
- Archaeological and historical interests
- Federal grazing permit or other land use permit holder or representative of non-industrial private forest land owners

- Hold State-elected office

To apply, individuals may nominate themselves or others, but nominees must live in the state of Montana. The application form, referred to as an AD-755 can be obtained by visiting www.fs.usda.gov/bdnf and clicking on Resource Advisory Committees on the right-hand link or by contacting: Patty Bates, 406-683-3979 or pbates@fs.fed.us. Applicants are encouraged to add detail to supplemental questions or attach a resume pertaining to questions 10 - 16, as applicable. Applications must be received by mail only, as hardcopy is required for the Department of Agriculture. Mail applications to: Attn: Patty Bates/RAC Application, Beaverhead-Deerlodge National Forest, 420 Barrett Street, Dillon, MT 59725. All applications take a minimum of 6 month, require two applicants per vacancy prior to moving forward for processing and are contingent upon Secretary of Agriculture Review and selection.

For more information on the Committee or to learn more about proposing projects please contact the RAC coordinator, Patty Bates at 406-683-3979. Additional information concerning Secure Rural Schools Act and Title II projects is available at the Forest Service website: www.fs.usda.gov/pts.
